MEMBERSHIP DRIVE  
DEFERRED ONE WEEK**

EATON, O., Oct. 22. Because of inability of the state federation of farm bureaus to provide a sufficient number of canvassers for the work, the county-wide membership drive to have been staged this week by the Preble County Farm Bureau has been postponed until next week.

O. S. Upp, representing the state organization, and C. E. Ulrich, head of the local county farm bureau, are going over the county strengthening the organization for the drive next week. Canvassers of the state organization will be accompanied and assisted by canvassers from the membership of the local county bureau in the coming membership drive.

As a preliminary to the expected drive next week, a farmer's meeting will be held in Eaton, Saturday afternoon at 1:30 o'clock. Representatives of the state bureau organization are expected to address the meeting.

**Mayflower Upsets; Actors  
Dumped on London Stage**

(By Associated Press)

LONDON, Oct. 22.—Twentieth-century Pilgrim Fathers have hardships of their own. Last night while Ben Greet, players were lustily singing from the poop deck of a stage reproduction of the Mayflower at the Surrey theater, stage properties gave way, the ship heeled, crashed toward the audience and precipitated the hapless Pilgrims to the stage amid sails, masts and splintered woodwork.

After anxious moments it was determined that no broken bones had resulted from the unhistorical presentation. Thus assured, the notable gathering of first nighters, including American diplomatic officials and influential Anglo-Americans, were prepared for the humor of the situation and the rise of the curtain on the second act—the Pilgrim Fathers offering thanks for their safe voyage across the Atlantic. London critics say the audience could hardly be blamed for bursting into laughter.

The production of "The Mayflower," a play which is a part of the tercentenary celebrations in London, according to The Times, shows once again how difficult it is for a play of this kind to be anything but a series of episodes very loosely strung together. "Abraham Lincoln" was, of course, the exception. There is no drama in "The Mayflower," play, says The Times, and very little humor, and the whole thing consists of a series of scenes laid in Leyden, at Plymouth and in New England. The Chronicle calls the play a crude melodrama, the love story which

dressed a Republican meeting Friday afternoon in Camden. He speaks at Eaton in the evening.

**A Simple Way To  
Remove Dandruff**

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid soap from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.—Advertisement.
