GOOD FOR HIM AND HIS WIFE
Hurley J. Watkins, 2308 Lytle St., Louisville, Ky., writes: "I found Fole's Honey and Tar just what I wanted for my wife's and my colds." This famous old cough medicine is just as good for children as for adults. It checks coughs, colds, croup, bronchial coughs, and stops that "tickling" throat that keeps one coughing at night. It contains no opiates nor habit-forming drugs. Prompt and sure in action.—A. G. Lukken & Co., 330 Main St.—Advertisement.

To "Youth-ify" Gray, Streaked Hair
Ask anybody to guess how old you are, and notice how their first appraising glance is directed at your hair.

To be answered "You can't be more than thirty; I can tell by your hair," must give to any woman who is really forty or more a sense of pride and satisfaction.

But to become prematurely gray at 30 or 40, to look ten years older than you actually are—that is indeed a bitter experience. However, any woman can, with a bottle of Brownatone, restore to gray, faded and streaked hair all its maiden beauty and the identical color it had in girlhood, whether light golden, medium, dark brown or black. Brownatone is instant in results and absolutely harmless.

At all drugists: 50c and \$1.50; two colors: "Light to Medium Brown" and "Dark Brown to Black."

Special Free Trial Offer
For a free trial package of Brownatone, send to The Kenton Pharmaceutical Co., 537 Coppin Bldg., Covington, Ky., enclosing 11 cents to pay postage, packing and war tax. Tear this out.

Preparing for one hundred and twenty million meals with Karo Maple for 1921
Last year American housewives bought over five million cans of Karo Maple. Delicious flavor, moderate price and wise buying.
Do you know that the makers of Karo Maple are the world's largest users of the purest and best flavored maple sugar?
That over a thousand tons of maple sugar from the finest maple groves in Vermont and Canada are used each year to make Karo Maple?
Karo Maple is pure and wholesome—its flavor is not an imitation.
Yet the price is so moderate that you can afford to serve it at every meal.
Try it just once, on some nice hot waffles, or brown pancakes. Or as a spread for bread or crisp toast.
If Karo Maple isn't the most satisfying syrup you ever tasted, at the most satisfying price you ever paid for a similar syrup, return the balance of the can and the grocer will refund your money.
