

## JOHNSON TO SPEAK TO COLORED VOTERS

This is to be a big night for the colored Republicans of Wayne county.

Henry Lincoln Johnson, Republican national committeeman from Georgia and one of the best known politicians of his race, will deliver an address at the Bethel A. M. E. church at 8 p. m. and indications are that the meeting will be the largest attended ever held by colored Republicans in Richmond.

Preceding the meeting there will be a "red light" parade and it is expected that hundreds of men and women will be in line. The parade will be led by the famous Clay Band, of Indianapolis and will form in front of the Leader Hotel on South Sixth street at 7:30. It will proceed east on South A street to Eleventh street, north on Eleventh street to Main street, west on Main

street to South Sixth street and thence south on that street to Bethel church. Places will be reserved for the marchers.

Following the meeting a ball will be held by the colored members of the Harding and Coolidge Club at the Masonic hall on South Sixth street. The Harding quartette will sing at the Johnson meeting.

## Men of Kiwanis Club Hear Detailed Clean-up Plans

Gustave H. Hoelscher outlined in detail the Kiwanis plan for a clean-up campaign in the city, at the weekly luncheon in the K. of P. building at noon Thursday. He dwelt particularly on the slogan of the club, "We Build," and said that building foundations for health and cleanliness came under this heading.

No outside speakers were present at the meeting and almost the whole time was spent in discussing the alley clean-up which will be started Nov. 15.

George Hodge sang several songs during the course of the meal which were greatly appreciated by the members.

## Old Man Winter Shows Goods in City Thursday

Snow fell in Richmond Thursday, for the first time this season. Less than a week ago local citizens were finding clothing worn during the summer very comfortable. It is not unusual for snow to fall in

October, however, according to records kept at the pumping station. In the past 20 years, the first snow of the season has fallen in October. November, however, is the usual month for the first snowfall. Last year the first snow fell Dec. 5. It measured one-half inch.

## Twenty-Five Men Start Quaker Gun Club Shoot

Twenty-five men had entered the Quaker City Gun club shoot at Athletic park at noon Thursday. Five full squads had been filled and the first round shot off. Bad weather had cut down the number reporting to about one-third the entrance cards received. A number were expected to report later in the day.

Representatives from Piqua, Dayton, Indianapolis and several surrounding towns were on hand. Lunch was served on the ground and a tent furnished as a shelter.

## Popular American Tenor Here Thursday Evening

Harvey Hindemeyer, popular American tenor, appears with the Misses Dann at Washington theatre at 8 p. m. Thursday.

It is said that he has a wide range of roles and that he often has to return for second engagements, for the pleasure of his audiences. The Misses Dann are a trio of attractive entertainers, who are known for their musical work. The recital is under the local management of Harrison's Edison shop. Cards of admittance are being given by the management.

## VANDERLIP LETTER DENIED BY HARDING

CLEVELAND, O., Oct. 28.—In another statement regarding the activities of Washington Vanderlip, reported to be negotiating with the Soviet government in Russia, Senator Warren G. Harding declared here today that he was "very certain" he never had given Vanderlip a letter of introduction to any one and that Vanderlip was in no sense to be regarded as his agent.

"If there is any truth in published reports that Vanderlip has used such a letter in his negotiations," Mr. Harding said, "the communication must be no more than a purely formal note" given at the request of some friend.
