

WATSON, BEVERIDGE SLATED TO ADDRESS WINCHESTER LEGION

WINCHESTER, Ind., Oct. 30.—Great preparations are being made by Randolph Post, American Legion, No. 39, for the Armistice Day celebration, to be held here Nov. 11. The Farmland Brass band and Gordon Military band will furnish music. Registration of all ex-service men in uniform will take place from 9 to 10, after which the parade will follow. The line of march will be made up of all soldiers, patriotic organizations and school children. At 11 o'clock Senator James E. Watson will make an address and present the Victory medals. In the afternoon Senator Albert J. Beveridge will speak preceding a gas mask and bayonet drill under the direction of Lieutenant Fouse. After 3 o'clock all kinds of games and athletic contests will take place, with O. H. Gries, Philip Kabel and John P. Clark as judges. In the evening a horse show and a community dance will entertain the crowd.

Union Church Service.

There will be a union service of five churches of the city, at 7 o'clock in the Friends church, Sunday evening, when S. P. McNaught of the Anti-Saloon league, will deliver the address.

Congressman Albert H. Vestal will address a Republican meeting at Union City, Monday evening, Nov. 1.

Fuel Supply Short.

The first snow of the season fell here Thursday at 10 a. m., and again in the afternoon. In each case the flakes melted as fast as they fell. The cold weather followed intermittent rains which fell since Monday. Many people were caught without coal and the dealers have little on hands. The natural gas supply is being overtaxed and in many instances the supply is not sufficient and patrons are forced to use wood or oil.

Predicts Republican Victory.

The outcome of the election in this county is expected to be a Republican victory. This county has been one of the banner Republican counties of the state, having elected Republicans to office from 1856 until 1912, when the Progressive party caused a Democratic sheriff, clerk and commissioner to be elected. The sheriff was re-elected in 1914 by a majority of 11 votes. Next Tuesday the county will elect a full set of officers except auditor, assessor and one commissioner. The county Republican ticket will be elected on the Independent-Democratic ticket by majorities ranging from 2,000 to 4,000. Nearly as many women as men have registered and the whole number of voters is approximately 2,800.

Lydia E. Pinkham's Vegetable Compound Surely Removes Suffering and Pain. Here is Proof.

St. Paul, Neb.—"I suffered with periodical pain for about four years so that I was unable to do my work at times. A friend told me about Lydia E. Pinkham's Vegetable Compound and I took it. It soon stopped all my suffering so that I am now feeling fine in every way. I recommend your medicine to my friends who have similar troubles. You may publish this letter for the benefit of other women."—Mrs. Will Thomas, St. Paul, Neb.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and today holds the record of being the most successful remedy for female ills we know of, and thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact.

For forty years it has been the standard remedy for female ills, and has restored the health of thousands of women who now are free from suffering by its use.

MILITARY TRAINING OPPOSED BY WATSON; LETTER TELLS STAND

Relying to an inquiry addressed to him by Mr. S. E. Nicholson, of Richmond, as to his attitude on the question of compulsory military training for American boys, Senator James E. Watson states that he opposed such a policy when it was voted upon in the Senate at the last session. Senator Watson's letter to Mr. Nicholson, dated October 26, reads:

Dear Mr. Nicholson:

Reply to your inquiry with reference to my position relative to Compulsory Military Training, I wish to state:

Legislation to require compulsory military training of the American youth was included in the Army Reorganization Bill passed the House of Representatives at the last session. When it came to the Senate I announced that I was opposed to the compulsory military training measure and would vote against this provision in the Army Bill.

There was considerable of a contest

in the Senate on the subject and when that provision of the bill was read for a vote, it was clearly shown that the overwhelming sentiment in the Senate was against this provision and it was eliminated.

I wrote numerous letters to people of Indiana at that time saying that I was against compulsory military training and would so vote.

In the final passage of the Army bill, compulsory military training was eliminated therefrom. In my judgment there is no likelihood whatever of congress passing such a law in the future.

If the question arises at any time you may be sure that I will vote against this proposal, just exactly as I did at the last session of congress.

Sincerely yours,

(Signed) James E. Watson.
