

SEVERAL VETERANS READY FOR BASKET PRACTICE AT HIGH

Basketball practice at the high school will begin next week, when those men who are not out for football will begin to get in shape for the court season that will be opened with a game against Knightstown on December 17.

Prospects for a fairly fast team to represent the Red and White are good, although the outfit will be rather light. Last year's team was light and handicapped by injuries to players, the squad was composed of mostly green material.

The schedule arranged for the coming year seems to be one of the best ever arranged by the local school. Special interest is attracted to the game with Wingate high school here on Feb. 18. Wingate has always been noted for the exceptionally fast net teams turned out. Last year the school was outlawed from the Indiana Athletic association but had a record-breaking season. They won the Tri-state Invitational tournament at Cincinnati and battled Crawfordville in the finals of a national tournament in Chicago. This year they have been reinstated and will have their usual fast team.

Several Veterans. This winter several men who have been on the squad before will turn out and make the team have a veteran appearance. Among the men who are expected to fight for regular berths on the five are Loehr, Reid, Harkins, Graftis, Mattox, Rost, Brehm, Brown, Green, Lehman, Gaylor, Livingstone, Hyde, Davis, Sanford and Lovin.

The schedule as announced by Mr. Cline Friday is as follows:
Dec. 17—Knightstown at Richmond.
Dec. 23—Shelbyville at Shelbyville.
Jan. 7—Muncie at Muncie.
Jan. 14—Connersville at Connersville.
Jan. 21—Elkhart at Elkhart.
Jan. 28—Wabash at Richmond.
Feb. 4—Huntington at Huntington.
Feb. 11—Spiceville at Spiceland.
Feb. 18—Wingate at Richmond.
Feb. 25—Rushville at Richmond.

Basket Ball Sched de For Fountain City Announced

FOUNTAIN CITY, Ind., Oct. 30.—The Fountain City high school basketball schedule has just been announced. The local team has always been respected in the basketball field and with the material available there is no reason why they should not hold their own during the coming season.

Miami Students Accompany Team to Dayton Clash

OXFORD, O., Oct. 30.—Five hundred Miami university students and a Miami band left this morning on a special train for Dayton, where Miami plays Denison university.

Since Miami's defeat by Wittenberg college Saturday by a 17 to 0 score, Miami's stock has been low. Word reached here this morning that betting in Dayton was 2 to 1 against Miami.

RICHARDS-CALLAHAN GO SCHEDULED FOR NOV. 8

DAYTON, O., Oct. 30.—"Blockie" Richards, the Jack Dempsey of the light-weights, local favorite, is training faithfully for his 12-round bout with Frankie Callahan of Columbus, Tom Jones' championship aspirant, scheduled for the night of Nov. 8, 1920. The Miami A. C. have arranged to stage this show in the Lakeside Park dancing hall, which can hold a crowd of 5,000, but according to the advance sale of tickets, will be packed to capacity.

It will be recalled that about six weeks ago, Callahan succeeded in gaining a referee's decision over Blockie in the ninth round of a hotly contested bout in Columbus, the referee claiming Blockie fouled the Columbus scrapper and there now exists much feeling between these two corners and their scrap to settle this grudge should be worth going miles to see.

Much Callahan money is making its appearance, but is being gobbled up by local fans on even money bets. The "Blockie" Richards-Frankie Callahan bout will top an all star card in which Young Webb and Tommy Carter will battle 10 rounds for the city welter-weight championship and Keefe Maley and Young Rodway will battle six rounds for the city middle-weight championship.

QUAKER BASKET MEN HOLD FIRST MEETING PROSPECTS ARE GOOD

Quaker basket tossers had their first meeting of the year Friday afternoon in the association room of Bundy hall. About 25 men turned out for the preliminary lining up and from a glance over the candidates, prospects for a fairly fast quintet. First practice will be held Monday afternoon in the gymnasium. Captain Fournier will have charge of them until the close of the football season when they will be taken in charge by Coach Mowe.

The opening game of the Quaker schedule will be with Kalamazoo at the coliseum on Dec. 12. This is the same college that the Quakers meet in football next Saturday. The Michigan school is rated as high in basket circles as in football, being among the leaders of the Wolverine state.

Games with Wabash, Butler, Rose Poly and Franklin have been arranged tentatively. Notre Dame has promised the Quakers a place on their schedule and Coach Mowe is not closing up his other dates until the Catholic school is heard from. Efforts are being made to land Indiana and Purdue. If these are arranged the local college schedule will probably be the hardest ever undertaken.

Wealth of Material. A wealth of veteran material is on hand for the Quaker mentor. Cyril Pitts, floor guard, was the only man lost by graduation last year. Lawler and Hall, regular forwards, and Goar, substitute, are back in school, as is Carey, center and Johnson, back guard. Several men who are out for football look good for the basket court also.

Beck, who has been making a name for himself in the backfield of the Quaker football team, will make a strong fight for the floor guard position. Russell Hadley, a sophomore who looked sure of a place last year but was put out for the season by an injury before the first game, will be very likely to land a regular place on the squad. Several freshmen have turned up who have good high school reputations. Chew, of Spiceland, Girton, of Camden, O., and Wenban, of Cleveland, all will scrap for positions.

Games Wanted

NEW MADISON CHALLENGES ALL. New Madison's basketball team has issued a challenge to any independent team in this vicinity. Special mention is made of Richmond, Y. M. C. A., Fountain City, Hagerstown, Winchester, Economy, Centerville and Connersville. Teams wishing dates write E. L. Thomas, New Madison, Ohio.

Special space on the sport page of the Palladium will be given to publish notices of "games wanted" by basketball teams. Managers will know where to look for games if they have an open date. Challenges also will come under this heading. Managers desiring to have their notices published, phone or send them to the sport editor before 11 a. m. of the day to be published.

Hold Hydroplane Races For Carl Fisher Trophy In Florida and New York

(By Associated Press.) NEW YORK, Oct. 30.—The second and third hydroplane races for the Carl Fisher trophy will be held this winter and next summer at Miami, Fla., and Buffalo, N. Y., respectively. It was decided by the American power boat association which ended its annual meeting here last night. The first race was held in Detroit last summer, when it was won by a boat developed from 51 to 75 miles.

In order to encourage racing contests among members an additional \$5,000 gold cup has been offered by Mr. Fisher and Gar Wood, the latter of whom won the Harmsworth race in England last summer with his "Miss America."

Other officers elected for the ensuing year include George O. Cruzen, of Philadelphia, secretary; A. J. Utz of Buffalo, treasurer; Fred R. Still of Detroit, measurer; Harry Sampson of New York timer; F. W. Horenburger, of New York, surveyor.

Y. K. WIPPIES ORGANIZE. Lightweights of the Y. M. C. A. have reorganized their basketball team for the coming season. The "Wippies," a 110-pound club of junior members of the association, held their first practice in the Y. Friday afternoon. Virtually the same boys who entered the junior state tournament last year are trying out for places. Those reporting to the first practice were Keith King, John Fitzpatrick, Rex Sauter, Ralph Bentley, Howard Thompson, Robert Powell, Walter Hiatt, Howard Klute and Harry Caulkins.

Richmond Football Squad Meets Louisville Saturday; Lineup Remains Unchanged

Coach Null and the members of the high school football squad boarded the train for Louisville Saturday morning with high hopes of holding the strong Louisville team to a close and hard-fought game. The lineup of the Red and White is to be the same that has faced the starter in the past two contests.

Captain Zuttermeister at quarterback, Clark, right end, Davis, right tackle, Jennings, right guard, Mattox, center, McMahan, right guard, Grover, left tackle, Mulligan, left end, Lowman, right half, Schumaker, left half, Loehr, fullback.

The team has worked hard during the past week putting in the hardest lick of the season in preparation for this game. They will undoubtedly put up the greatest battle of their career. Next Friday afternoon the long-looked-for game of the season for the high school gridlers will be forthcoming when Newcastle invades the local camp. This game is always bitterly contested and although defeated by the star Rose City team last year, the locals are hopeful and determined to take the scalp of the visitors next Friday.

Crushing Maroons Meet Warriors From Ohio State

(By Associated Press.) CHICAGO, Oct. 30.—For the first football contest between Ohio State and Chicago University, the weather man presented ideal football weather today. Approximately 2,000 Columbus students accompanied their team here. Before the game Ohio was a strong favorite, but neither team was in perfect condition. Hanisch and Williams, the rival fullbacks, were both out of condition, and neither expected to take part.

The Maroons have worked all week to perfect a defense to stop the end runs and off tackle drives of Pete Stinecomb, fleet Buckeye runner, and to Harry Workman, the brilliant sophomore quarter back, who has been throwing forward passes from thirty to fifty yards all season.

The Maroons had a little advantage in weight, for from tackle to tackle, Stagg's line averaged 267 pounds. On the other hand, Coach Wilcox had thirteen men on his squad who won letters on the Ohio State team which was beaten in the final game last fall by Illinois, for the championship.

OIL LEGION MACHINE FOR ARMISTICE GAME

All members of the American Legion football squad are asked to report at the Playgrounds on Twenty-third street at 8 a. m., Sunday morning in uniform and prepared for a scrimmage and hard practice. A picture of the squad will be taken before the workout is started.

The Legion team has a little over a week to get into condition for the game with the Greenwood post of Indianapolis on Armistice Day. Plans are to have the game played at Reid field beginning immediately after the parade.

The members of the team who were injured in the Anderson and previous games will virtually all be in condition for the closing game of the season. The Legion team has met three good teams this season. The score in all cases has been exceedingly close and the locals have put up a scrap that has made them known over the state as a team to be feared.

All games previous to the Armistice Day classic have been cancelled by Manager Sheridan because he wishes to put a strong and well conditioned eleven on the field Nov. 11, that will hold up the honors of the local post.

The Greenwood post team of Indianapolis is a strong eleven and has succeeded in rolling up some big scores. They will come prepared to put up a scrap against the local eleven, surpassing anything they have done this year.

Several workouts will be held during the next 10 days by the local post team and as a result they hope to put a team on the field that will present a stone-wall defense, and a ripping offense strong enough to bring victory.

Indiana to Meet Rival At Indianapolis Saturday

INDIANAPOLIS, Oct. 30.—Indiana and Northwestern, gridiron rivals of many years, will meet for the tenth time this afternoon at Washington Park in the first and only Western Conference contest which local fans can witness this season in their home city.

Nine games have been played in previous years by the two teams. Only three have resulted in victories for the Crimson, the other six being wins for Northwestern. The Evanson team also has the advantage in points scored, the standing being 35 for the Purple to 76 amassed by Indiana.

DECISIVE BATTLES ON GRID SATURDAY

CHICAGO, Oct. 30.—The "big ten" western football conference today offered, in a setting of brisk "football weather," two struggles in which three undefeated elevens were contestants.

Ohio State, runner up in the championship race last year was scheduled with Chicago on Stagg field here, Illinois, 1919 title holder, remained at Urbana to receive Minnesota. Of the four aggregations, the latter was the only one to have met defeat before the conference play commenced today.

Today marked the first appearance of the Buckeyes in a clash with one of Stagg's elevens. Ohio state was a strong favorite before the battle today but there was no doubt expressed in the followers of the maroon eleven that Chicago would fight all the way.

The maroons' decisive defeat of Iowa stamped the eleven as one of power, offensively and defensively. In addition the men have shown an uncanny cunning in the following of the ball. Ohio presers a well balanced eleven with Captain Hailman at tackle, Stuehomb at half back, Workman, the forward pass tosser and Nemecek, the 200-pound center as the mainstays of the squad. Taylor and Trot, flanking Nemecek, each weigh close to 200 pounds.

Minnesota Meets Illinois. At Urbana, Illinois yet to feel the sting of defeat, had to beat Minnesota, twice defeated this season, in order to remain in the championship race. The fact that Illinois is represented by such a powerful eleven also attracted many disinterested fans from different parts of the state. Minnesota was heartened by the tradition of an unbroken string of victories at Urbana.

Northwestern, and Indiana, clash today at Indianapolis in their annual battle. The Hoosiers were beaten by Iowa early in the season, but came back and won from Minnesota at Minneapolis. The purple took Minnesota into camp in an early season struggle, but in turn lost to Wisconsin.

Tulane meets Michigan at Ann Arbor. Michigan undoubtedly has recovered from the 7 to 6 defeat doled out by Illinois a week ago and was expected to play better football against the southern team today.

Purdue clashes with Wabash at Lafayette in a game which has a bearing on the Indiana state title. Western football followers today anticipated with much interest the result of the Army-Notre Dame game at West Point. The western eleven is one of the most formidable developed at the South Bend institution in years.

All but nine States in the Union have already surpassed the total number of motor vehicles for the entire year of 1919.
