

AERIAL ARMADA TO COMPETE IN TROPHY RACE THANKSGIVING

(By Associated Press)
NEW YORK, Nov. 10.—An aerial armada, greater than any ever before assembled for a race will compete for the Pulitzer Trophy Thanksgiving day, starting and ending at Mitchell Field, Mineola, New York. Forty or more airplanes with speeds exceeding 100 miles an hour are to participate in the 160-mile flight over a closed triangular course.

Eighteen army airplane and eight representing the navy already have been entered, according to the Aero Club of America, which will conduct the race. Sadi Lecoq, winner of the recent Gordon-Bennett trophy contest at Paris may be a contestant, and each of the American airplanes entered in that international speed race is expected to be in the starting line-up at Mineola.

Aviation organizations of foreign countries have expressed interest in the coming contest and an inquiry from the French Aero club indicated its desire to enter one or more "ships." The Pulitzer Trophy, donated by Ralph Pulitzer to the Aero Club of America, is to be competed for annually, the coming race being the first. Gold, silver and bronze plaques have been hung up for winners of first, second and third places, and in addition, nearly \$4,000 in Liberty bonds is to be awarded pilots of craft which perform best in machines of various classes.

Free-for-all is the type of race it will be, but each plane must have an air speed greater than 100 miles an hour as loaded for the start of the race, and the factors of safety, visibility and maneuverability are to be considered by the judges before entrants can start.

Four 40-mile laps will be embraced in the 160-mile triangular course with the turns at Wantage and Babylon, Long Island.

WASHINGTON.

Who that is at all familiar with motion pictures has not heard of Roscoe Arbuckle. Who has not enjoyed his good natured comedy, his likable personality, his familiar look of astonishment, his slow but compelling smile?

Now the public is to see a new Arbuckle. Just as good natured, just as human, just as likable—but this time in a really legitimate role, one combining comedy with serious acting—the stellar role of George Melford's production of "The Round Up," that of the fat sheriff named by invention, "Slim" Hoover. It will be shown at the Washington Theatre next four days, beginning today.

By arrangement with Joseph Schenck, Roscoe Arbuckle was specially engaged to play the star part in the big Paramount picture of the famous stage drama of the West by Edmund Day, the scenario of which was written by Tom Forman. Mabel Julienne Scott plays opposite the star.

The Easiest Way To End Dandruff

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub in gently with the finger tips.

By morning, most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.—Advertisement.

Costa Rico Fails to Send Delegates to Conference

SAN SALVADOR, Republic of Salvador, Nov. 10.—Costa Rica has not as yet sent delegates to the congress of municipalities now in session at Antigua, Guatemala. A proposition by the Honduras delegation that the seats provided for the Costa Rican representatives would remain unoccupied until that country sent delegates, was approved today, and it was moved that the Costa Rican representatives would be given a cordial welcome when they appeared.

At these group marriages, the officiating clerk reads off in five minutes the marriage formula, all the couples listening in, chorusing "yes" at the proper time, and then all file in and sign the book. Then they are married.
