Stay of Execution

Granted to Negro

(By Associated Press)
INDIANAPOLIS, Nov. 10.—Governor Goodrich today granted a stay of execution to Dec. 10, for William Thornton, a negro of Lake City, now in the Michigan City prison. Thornton was sentenced to die in the electric chair next Friday for killing a foreigner. In a statement to Warren Fogarty, the prisoner denied the shooting, accusing Fred Horn of Lake county, now in the Jeffersonville Reformatory, of firing the shot. The stay was granted so that Thornton's statement might be investigated.

Prospective Mothers who prepare carefully with Mother's Friend make Child-birth easier.

It is recorded of the primitive American Indian women that child-birth with them was entirely painless.

Modern dress was unknown!

Exact social duties that wreck so many women of today were a minus quantity in their lives; and so it is small wonder that the weaker sex becomes a prey to misgivings when approaching maternity nears the crisis.

But this should not be—because

—the prospective mother can find comfort in MOTHER'S FRIEND. An external lubricant that spreads its influence over the skin; penetrates to the broad, flat abdominal muscles, and prepares the way for an easier, quicker and practical delivery.

Many doctors and nurses recommend MOTHER'S FRIEND. Get a bottle from your druggist today.

Three Weeks' Revival Opens at Grace M. E.

C. Fenwick Reed, who is in charge of the revival services at Grace M. E. church, began a three weeks' campaign Tuesday night, with a large crowd in attendance. Prof. Lawrence Taylor opened the services with a half hour of music, assisted by a big chorus choir. Mr. Taylor has a pleasing, strong baritone voice which he uses to good effect in gospel numbers. He is appealing to all young to join the chorus, and it is expected the choir list will be filled.

Mr. Reed preached on "Prayer" at the meeting Tuesday night. He appealed to church members to pray for a successful revival, and stated that no meeting could be successful without earnest prayer and that the services would be fruitful only so much as the people of a church prayed for it.

"No preacher, no singer, no one can win people to God without the power of prayer. One does not need to assume a prayerful position of bended knee. God will hear you just the same if you mutter a prayer on the street, providing it comes from your heart. When people can talk about God and to God as easily as they can about their fellow creatures, then and only then will we have a God-like people."

A goal of 1,000 members for Grace church is set for this year. It is expected that Mr. Reed will do much toward attaining this mark. The public is invited to attend the services.
