Campbell, schibe; Henry Holland, captain of host; Edward McClellan, principal sojourner; Albert Harris, royal arch captain; C. C. Spring, third veil; Stanley Neal, second veil; W. R. Stimple, first veil; Clifford Stroh, secretary; C. J. Hunter, treasurer; Ross Foch, guard. Installation of the officers will take place December 14.

### Rabbit Hunting.

Members of the Brotherhood society of the Presbyterian church are planning a rabbit hunting expedition soon after opening of the hunting season. The hunt will be followed by a rabbit supper.

### Teacher Resigns.

In order to again take up college work, Miss Mary Rapp has resigned as teacher in the fourth grade of the public schools. The vacancy is being filled temporarily by Mrs. J. W. Carman.

### Pastor Returns.

After several weeks' travel and work in the interest of the Defiance college fund, the Rev. Hiley Baker, pastor of the Christian church, expects to return home next week.

### Return to Eaton.

Dr. and Mrs. L. V. Reynolds and daughter, Miss Marie, who left Eaton last spring to locate in Los Angeles, Calif., will return to Eaton to reside before the first of next year, according to a address received here by friends. Dr. Reynolds will again establish himself in the practice of dentistry, which he had followed here 20 years before going to California.

### Telephone Hearing.

County Prosecutor Phil Saylor has been advised by the state public utilities commission that the Bell Telephone company has applied to the commission for authority to purchase the Ohio Central Telephone company, which operates toll circuits in Preble county.

Mr. Saylor has been advised that hearing on the application will be held Dec. 7 in Columbus. He invites Preble county residents interested in the matter to confer with him before the hearing date.

### Emrick Funeral.

Funeral services for Everett Emrick, 16, who met instant death Tuesday in a cave-in of earth at a gravel pit of the Eaton Cement Tile company, where he was employed, were held Thursday afternoon in the Universalist church and were in charge of the Rev. Mr. Murray, pastor.

**Richmond Citizen So Proud of the Change in His Condition, Desires All to Know What Brought It About.**

## Declares His Constipation, Indigestion, Gastritis, Sluggish Liver and Weak Kidneys Greatly Helped by Dreco.

Constipation is one of the worst of modern ailments. Can you imagine a sewer pipe being stopped up for days at a time? You have probably seen what happen and you know the consequences. Then just think of the foul gases kept in the system and the poison being absorbed by the blood and carried to every organ of the body. Do you wonder that the breath is foul, that there is always a bad taste in the mouth, that there are splitting headaches, that the appetite vanishes, that the weight falls away and never go all to pieces, the rest being broken at night? Do you wonder that the liver and kidney become affected? Go the limit and get rid of constipation as soon as possible if you want to again enjoy good health.

"I want every person suffering like myself to know that right in the city there is a medicine that will give splendid relief, just as it did for me; that medicine is Dreco," said Mr. Charles A. McLain, a well known employee of the American Seeding Co. who lives at 423 North Sixteenth street, Richmond, Ind.

"I have suffered years from constipation and never hit the right thing to overcome it till I found Dreco. My stomach was also deranged and failed to digest my food completely, for it fermented and caused nausea and gastritis and gave me no strength. My liver got lazy so that I often had headaches and dizzy spells and soon my back and right over my kidneys ached, but these troubles are all gone since I took a treatment of Dreco, and I give all the credit to this medicine for my greatly improved condition; really it is a great medicine."

Dreco is a vegetable compound containing no oil, acid, iron, mercury nor potash, but is the pure juice of twelve herbal plants which act on the vital organs to restore them to healthy activity.

All good druggists now sell Dreco and it is highly recommended in Richmond by Thistlethwaite's Seven Drug Stores.—Advertisement.

wa. The medals and letters awarded had been forwarded to commanding officers in all parts of the world and upon signal by radio and telegraph today from Secretary Daniels' office here, the honors were distributed with appropriate ceremonies.

## Special Program, Holiday Mark Armistice Day at Miami University

OXFORD, O., Nov. 12.—Armistice Day was celebrated at Miami university Thursday, and following the chapel exercises classes were dismissed. The service was commemorative for the Miami men who lost their lives in the war. Addresses were delivered by Dr. Edgar E. Brandon, vice-president; Prof. John S. Beckley, of the faculty; Ralph McGinnis, Roie Walter, Robert Hale and Robert Cummins, of the student body.

This afternoon a dance was given in the gymnasium, and an inter-fraternity greased pig contest was held on athletic field. Each fraternity entered two men in the race with the pig.

## Overseas Play Rehearsals.

Dr. Edgar Stillman Koyle, composer, of the Western College for Women, is in Chicago supervising rehearsals of his musical miracle play, "Pilgrim's Progress," which is shortly to be elaborately produced in that city.

## Federation Meets.

The Oxford Federation of Women's Clubs will hold an open meeting tomorrow afternoon in the public schools assembly room. H. A. Matheson, of Hamilton, will address the members on "Community Work."

## Auto Club Grows.

The Oxford Automobile club, at its regular meeting last evening, took in fifty-six new members. This makes the total membership 111. A. E. Schultz, in charge of the membership campaign, expects the membership to go to 500 before the first of the year.

## Earlham

Walter Woodward, editor of the American Friend, delivered the Armistice Day address at the chapel exercises Thursday morning. Mr. Woodward spoke of the significance of the day and the danger of its true meaning being forgotten. In his opinion the danger of another war is growing steadily as a result of the armament policies followed by the different nations.

"A better world should come through broader and finer Christian culture," said Mr. Woodward in his address. "It is a new Pilgrim's duty to go forth to proclaim good will to the people of all lands."

E. Gurney Hill, nationally known florist, gave an illustrated talk following Mr. Woodward's address. He had a specially prepared collection of

## Only 4% of the Hard Wheat Crop Was Good Enough for Enterprise

THIS year's hard winter wheat crop was a ninety-six per cent failure as far as quality was concerned. Only four per cent of it had strength enough to make it fit for Valier's Enterprise Flour.

There was lots of wheat in the fields, but most of it grew too fast. It filled out with starch and water before solid, strength-giving gluten could form.

Four per cent of the crop developed more slowly. Grown on the few scattered spots where the soil was drier, it matured into thinner, harder wheat, strong and full of gluten.

Enterprise Flour must be milled from such grain to produce the fine results you expect of it. So we got that kind of grain even tho every bushel, because of its scarcity, commanded the highest premium we ever paid. At least you, who use Enterprise Flour, can count on the continued high quality of your baking.

As you'd expect, Enterprise costs more than ordinary flour. It's worth more, for it produces better baking. It eliminates needless, costly failures, and a sack goes much further. The economy and wisdom of paying for quality in flour will be more apparent this year than it ever has been before.
