

PEACE IS SETTLING OVER BASE BALL WAR; LANDIS PLEASES ALL

CHICAGO, Nov. 13.—Peace settled over professional baseball Friday when the opposing factions in the organization of the game reached an agreement on every point at issue and thus ended a war which for five days apparently had disrupted both major leagues.

Three hours of argument and verbal battles, which, while rather warm at times, never were bitter, found the magnates emerging from their council chamber arm in arm, calling each other by first names, and smilingly referring to the threats each side had made a few days ago.

The end of the fight came when the sixteen club owners voted to make Judge Kenesaw Mountain Landis "chairman of baseball," and a committee of one to act as a final court of appeal in all matters of dispute between the two major leagues and any minor leagues that may join the majors in reorganization of the game. It was stipulated that he might remain on the bench and handle both positions.

Each side in the battle made concessions before an agreement was reached, but the meeting unanimously approved "the principles of ethical control of baseball" included in the Lasker plan, which was fostered by the eight national and the Chicago, New York and Boston American league clubs, and which started the fight.

This plan originally was bitterly opposed by President Byron Bancroft Johnson of the American league, and the Philadelphia, Washington, Cleveland, St. Louis and Detroit clubs, which sided with him.

In other matters, however, the 11 clubs favoring the Lasker plan, conceded points to the five opposing it. Instead of a civilian tribunal as the governing body of baseball, Judge Landis probably will remain the final judge, although the club owners may decide later to appoint two civilian associates to act with Judge Landis.

Featured by erratic bowling the City Bowling League got a bunch of close games off its chest Friday night. Nearly every one in the teams got off on the wrong foot in the opening games but managed to come back later and chalk up some real good marks.

Walt Bennett was the big exception stepping out in his initial game and cracking the maples for a 245, which was high tally of the evening and enabled him to also carry off high average of 201. Stoncipher was camping on his trail for honors when he slipped over a 244, and Smedinghoff wasn't so far off with 235.

Maher Meats continued their hold on first place by getting three games from the L. H. C.'s. Getting in the correct word on winning. The first game went by 7 pins and the second by 2. Wilson Cleaners climbed a rung by winning a majority from Hill Laddies. The Feltman Tramps went into a tie for second place by coping two out of three from the Lee Tires.

BRINGING UP FATHER BY McMANUS

ELEVEN OF BIG TEN IN GOOD CONDITION FOR CONTESTS TODAY

CHICAGO, Nov. 13.—Illinois today faces Wisconsin at Madison, Wis., in the most important contest of the day's conference games, with Wisconsin's title chances at stake. The Illinois hopes for victory so that they may meet Ohio State next Saturday with their state still clean. Coaches of both teams stated today that their squads were in excellent physical condition and unless some of the regulars are injured early in the day the battle should be one of the hardest fought of the season in the west.

Chicago battles Michigan at Ann Arbor for the first time since 1904. Purdue plays Northwestern at Evanston, and Minnesota meets Iowa at Iowa City in other conference games.

Indiana goes out of the conference to play Notre Dame, while Ohio State is idle.

Ohio State and Illinois are undefeated with four victories, while Wisconsin has lost to Ohio State. A victory today for Wisconsin and again over Chicago a week later would give the Badger eleven a standing of four games won and one lost. Illinois, if defeated today, would go into the Ohio game with the same standing. As Illinois has a schedule of one more conference game than Ohio and Wisconsin, a defeat today would still leave open a chance for the conference title in the Ohio State game, since the Illinois team could gain a standing of five games won and one lost, to four and one for Ohio and Wisconsin.

Chicago can only be given an outside chance to beat Michigan, their homecoming spectators, but has no bearing on the championship. Notre Dame's battle with Indiana at Indianapolis will decide the championship of the Hoosier state.

Minnesota was at Iowa City, where the homecoming crowd hoped to see Iowa repeat its feat of the last two seasons of defeating the Gophers.

Equal Battle

The Northwestern-Purdue game is expected to be an equal battle for the homecoming spectators, but has no bearing on the championship. Notre Dame's battle with Indiana at Indianapolis will decide the championship of the Hoosier state.

RED AND WHITE BOYS
SCRAP AT DECATUR

After a short caper on the playgrounds Friday evening, Coach Null allowed his football proteges to call it a day's work and get rested up for their next to the last contest of the year with Decatur high school at Decatur Saturday afternoon. Signal practice and the usual final instructions featured the evening's workout.

Saturday morning at 6:50 18 boys and Coach Null boarded the G. R. and I. for Decatur with high hopes of breaking into the winning column of the football season. It is known that they are not going up against any easy proposition when the stack up against the Adams county representatives, and if they win the game it will be considerable credit to the boys.

Clark has been shifted from end to left halfback to fill the vacancy made when Schumaker sustained a broken rib in last Friday's game. Jennings has been shifted from tackle to tackle of the end job. Clark has the speed to make a good backfield man and should bolster up the locals' attack, which has been rather weak during the season. He has a fearless manner of hitting a line, and will prove good on the secondary defense.

Zuttermaster Quarter.
Zuttermaster will hold down his regular position as quarterback. Loe and Lohman making up the rest of the backfield. Mattox will be at center; McMahon and Green, guards; Davis and Walls, tackles; Mulligan and Jennings, ends.

Saturday's contest is the last out-of-town game for the Red and White team, the football season being ended on Red field next Saturday, when the locals stack up against the state honor contenders, Greenfield.

LIBERTY, Ind., Nov. 13.—Milroy high school defeated Liberty in a fast, clean contest.

LIBERTY, Ind., Nov. 13.—Milroy high school defeated Liberty in a fast, clean game of basketball here Friday night, 22 to 14. Liberty outplayed the visitors in the last half, but was unable to get together in the opening session. The first half ended 12 to 4 in favor of Milroy.

Burt, substitute forward for Liberty, played a fine game, being exceptionally good on defense. Osterling, center for Milroy, was the star of the game, making four difficult shots. Milroy has an exceptionally tall team, three men being over six feet. The score: Liberty.....Milroy

Thompson.....Stewart
Burt.....F.....Root
McCasland.....F.....Osterling
Campbell.....G.....D. Jones
Brown.....G.....M. Jones

Substitutions—Liberty: Dubois for McCasland, Roderfer for Burt. Milroy: McKee for Root, Cowan for McKee, Harcourt for Jones.

Goals—Burt, 2; Roderfer, Dubois, Campbell, Osterling, 4; Cowan, 3; Stewart, 2.

Fouls—Thompson, 4; Stewart, 2. Referee—Parker, of Richmond.

FOOTBALL INTEREST IN EAST CENTERS ON PRINCETON-YALE

NEW YORK, Nov. 13.—The annual clash between Yale and Princeton was the outstanding contest of today's eastern football program, although several other battles of more than passing interest were scheduled. Dartmouth plays Pennsylvania at Philadelphia; Columbus meets Cornell at Ithaca; Washington and Jefferson invades Pittsburgh for its yearly battle with the Panthers; Harvard opposes Brown at Cambridge, while the Army and Navy eleven's face Bowdoin and South Carolina respectively on the academy fields.

Princeton was favored in the wagering to win from Yale while Dartmouth and Cornell were generally selected as victors over Pennsylvania and Columbia. Harvard planned to play its second string team against Brown to allow varsity players and coaches an opportunity to witness the Yale and Princeton contest in order to be familiar with Yale's style of play when the Crimson faces the Blue at New Haven next Saturday. Pittsburgh and Washington and Jefferson anticipated a hard, close conflict, with the odds favoring the Panthers.

Draws Great Crowd.
The Princeton-Yale classic drew more than 50,000 spectators to the Palmer memorial stadium.

Capt. Mike of Princeton and Captain Tim of Yale, met in their last Yale-Princeton game, each determined to go down in college history as the leader of a winning eleven. One hundred thousand eyes had greater interest than ever before the pre-game handshake and toss of the coin by the captains—a strapping blond in orange and black and a slightly older and huskier and darker athlete in blue wishing each other the best of everything except success in this game.

Leading Games.
The leading games in the east this afternoon aside from Yale and Princeton are as follows:

Columbia at Cornell, Brown at Harvard, Dartmouth at Pennsylvania, Washington and Jefferson at Pittsburgh.

Bowdoin at West Point.
South Carolina at Annapolis.
Rutgers at West Virginia.

Tufts at Boston college, Norwich at Boston University, Gettysburg at Bucknell, Holy Cross at Colby, St. Bonaventure at Colgate, Rochester at Hamilton, Penn State at Lehigh, New Hampshire State at Maine, Middlebury at Vermont, Bates at New York University, Exeter at Andover, Worcester Poly at Rhode Island State, Delaware at Swarthmore, Maryland at Syracuse, Amherst at Trinity, Harvard at Union, Franklin and Marshall at Uraimus, Wesleyan at Williams.

SOUTHERN ELEVEN
PRIMED FOR CLASHES

ATLANTA, Ga., Nov. 13.—Football games in the south today include clashes between Tulane and Mississippi A. and M. at New Orleans; Georgia Tech and Georgetown here; Vanderbilt and Virginia at Nashville; Auburn and Washington and Lee at Birmingham, and Georgia and Florida, at Athens, Ga.

Neither Tulane nor Mississippi A. and M. has lost to a Dixie eleven this season, and both are primed for a hard tussle.

Smarting under the 21 to 6 defeat received at the hands of the Navy last Saturday, the Georgetown team, loaded with players determined to avenge the loss, which won last year's game between the two schools, 27 to 0. The game at Lexington, Ky., between Centre college and Kentucky State has attracted considerable interest throughout the South as has the contest at Annapolis between South Carolina and Navy.

Catholic university and Virginia military institute met at Lexington, Va. today. The V. M. I. eleven has shown a phenomenal scoring record this season and was expected to increase its total today.

Clear, cold weather was forecast for the south today and football fans looked forward to ideal playing conditions.
