

COAL MEN, FIGHTING QUESTIONING, CAUSE UPROAR IN HEARING

INDIANAPOLIS, Nov. 19.—Determined efforts by counsel for coal mining companies to prevent witnesses from answering questions concerning the alleged use in coal price—fixing of cost sheets submitted to the Indiana coal trade bureau, marked a hearing before the fuel and food commission Thursday. The Ogle Coal Company, Indianapolis, and the Vigo Mining Company and the Vigo Coal Products Company, both of Terre Haute, appeared before the commission to show cause why their licenses should not be revoked in Indiana should not be revoked for alleged violations of orders of the commission.

When an accountant of one of the companies was on the witness stand, he admitted that the company made regular reports to the bureau. When asked by James W. Noel, special counsel for the commission, if these reports were used by the operators in fixing prices, a storm of objections arose from the company attorneys.

One of the attorneys leaped to his feet and shouted: "I advise the witness not to answer that question!"

Eschbach Restores Order. When Jesse E. Eschbach, chairman of the commission, restored order among the attorneys the witness said that he had nothing to do with the policies of the company and could not

IF KIDNEYS ACT BAD, TAKE SALTS

Says Backache is sign you have been eating too much meat.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and lazy. When your kidneys get sluggish and clog you must relieve them. Like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to cleanse and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.—Advertisement.

answer concerning the use of the reports made to the bureau.

Attempts of company attorneys to block the examination of witnesses continued throughout the hearing. When Homer A. Wilson, auditor of the Vigo Mining Company, was summoned to the witness stand, the coal company lawyers frequently attempted to answer questions put to the witness by Mr. Noel.

Mr. Wilson submitted in evidence a vast number of cost sheets showing the costs of the mines of the company. Among the items entering into the total cost of coal, as set out by the exhibit, Mr. Noel discovered allowances for interest on bonds of the company and interest on bonds and funds for the sinking fund of the Monon Coal Company.

THERE is a big difference between Calumet and all other Baking Powders.

First—you see it in the cost. Calumet is sold at a moderate price.

Then—you observe it in use. Calumet has more than the usual leavening strength, therefore less is required.

Next—you notice it in raising quality—in the evenness—lightness and texture of your bakings. They look better—finer grained.

CALUMET BAKING POWDER

Finally—what a difference in the taste. There is a deliciousness, a goodness that can be had in no other manner. Biscuits, pies, cakes, muffins, doughnuts—never were so tasty—so all satisfying.

And then there is the satisfaction of knowing that Calumet is made in the World's largest, best equipped and cleanest Baking Powder Factories.

A pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. cans instead of 16 oz. cans. Be sure you get a pound when you want it.

The Housewives Burden

When a woman is almost distracted from overwork, her home is in disorder, crying children, and on top of all is suffering from backache, bearing down pains, or some other form of feminine ills, then she should remember that hundreds of women in just her condition have been restored to health and regained their youthful strength by taking Lydia E. Pinkham's Vegetable Compound and not rest until she has given it a fair trial.

Proof that it Restored the Health of These Two Women

Cairo, Ill.—"Some time ago I got so bad with female trouble that I thought I would have to be operated on. I had a bad displacement. My right side would pain me and I was so nervous I could not hold a glass of water. Many times I would have to stop my work and sit down or I would fall on the floor in a faint. I consulted several doctors and every one told me the same but I kept fighting to keep from having the operation. I had read so many times of Lydia E. Pinkham's Vegetable Compound and it helped my sister so I began taking it. I have never felt better than I have since then and I keep house and am able to do all my work. The Vegetable Compound is certainly one grand medicine."—Mrs. J. R. MATTHEWS, 3311 Sycamore Street, Cairo, Ill.

Chattanooga, Tenn.—"I used Lydia E. Pinkham's Vegetable Compound before my baby came when I could no longer keep up. It strengthened my back and relieved me of the ill effect which so often develops at such times. That was my first experience with the Vegetable Compound. Years afterwards I took it during the Change of Life and got along so well I scarcely ever had to lie down during the day and seldom had dizzy, fainting spells. I am now well and strong, can do all my housework with perfect ease and it is a comfort to me to be able to say to other suffering women 'take Lydia E. Pinkham's medicine and be strong.' I will be glad to have you use my name if it will be the means of helping any one."—Mrs. R. A. FAIRBURN, 606 Orchard Knob Ave., Chattanooga, Tenn.
