

MAILING VESTIBULE, LARGER DRIVEWAY, POSTOFFICE PLANS

A mailing vestibule and larger driveway are among the improvements to be made at the Richmond post office in accord with plans and specifications received by Postmaster Beck from the supervising architect of the treasury department Wednesday morning.

The parcel post room of the local office will be moved to the basement, where a room will be equipped and furnished to take care of this increasing feature of the mail service. An elevator from the basement to the mailing room will be installed to facilitate the moving of the packages. Postmaster Beck has been trying to get these additions made to the office for over two years. He was anxious to have some larger additions made to the building but states that the proposed vestibule will take care of the immediate needs.

Built in Rear

As outlined in the plans the vestibule will be 30 by 11 feet and built out from the rear of the building where the mailing platform now stands. The driveway will be cemented all the way to the alley.

Complete instructions have not been received but it is thought by local officials that the improvements will be started immediately. Bids for the work will probably be advertised for soon.

Columbia, Venezuela, See Ring Understanding

(By Associated Press)

BOGOTA, Colombia, Nov. 24.—Colombia and Venezuela are taking steps to reach an understanding relative to controversies which have arisen along the border of the two countries. Venezuelan officials in cutting off river traffic west of the Lake of Maracibo, by which mercantile interests in the province of Santander, Colombia, were injured. A protest was made at Caracas and the Venezuelan government took steps to replace its frontier authorities and has given satisfactory explanation.

Recent reports to the effect that hostilities had broken out along the frontier are inexact.

AMERICAN WORKERS FIGHT TYPHUS; ARE REWARDED BY POLAND

(By Associated Press)

WARSAW, Nov. 24.—The American typhus fever relief expedition to Poland, the first organization of its kind in the history of the United States army, is preparing to leave soon for America, the work which the expedition organized to be carried on by the Polish health department. The expedition came to Poland intending to remain four months but its service was extended on two occasions, the work having been started in August, 1919.

In recognition of their services to Poland in the campaign against typhus fever the Polish government recently awarded the Commemorative Cross to the following members of the organization: Lieutenant Colonel Harry L. Gilchrist, of Cleveland, in command; Major Lee R. Dunbar, Gloversville, N. Y.; Major Frank Dixon, Franklin,

Ind.; Major Willis P. Baker, New York City; Captain Paul H. Streit, Marlin, Tex.; Lieutenant Robert C. Snider, Lexington, Va.; Lieutenant Arthur Fox, Philadelphia; Lieutenant Harold L. K. Albro, Waltham, Mass.; and Lieutenant Alfred N. Bergman, Omaha, Neb.

More than 40 commissioner officers and 500 enlisted men, all of them volunteers, have been affiliated with the expedition from time to time, the organization consisting of about 200 men when the work began. During the stay its members have been distributed in all parts of Poland where there was danger of the spread of typhus, the Americans being attached to the different Polish sanitary organizations.

COLLISION IN BERLIN KILLS FORTY PERSONS

CONSTITUTION GONE
SUFFERED 8 YEARS

Tried everything, but finally found right road to health. Gained 20 pounds.

"My wife has been troubled for eight years with constipation. She has tried almost everything on the market and has never received any benefit from any of them. In fact, they have done more harm than good."

"She overheard one lady telling another what Milk's Emulsion had done for her. She got a bottle and has continued its use since. She weighed 70 pounds at that time, and after taking five bottles she now weighs 117 pounds; gained 20 pounds on five large bottles; besides she is feeling fine."

"If all the people suffering from constipation knew what Milk's Emulsion would do for them, you would have to enlarge your plant."—Leonard McKee, 23 Eve St., N. E., Washington, D. C.

Hundreds have endured torture for years and then found that Milk's Emulsion gives blessed relief and real, lasting benefit. It costs nothing to try.

Milk's Emulsion is a pleasant, nutritive food and a corrective medicine. It restores healthy, natural bowel action, doing away with all need of pills and physics. It promotes appetite and quickly puts the digestive organs in shape to assimilate food. As a builder of flesh and strength, Milk's Emulsion is strongly recommended by those whom sickness has weakened, and is a powerful aid in restoring and repairing the effects of wasting diseases. Chronic stomach trouble and constipation are promptly relieved.

This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream.

No matter how severe your case, you are urged to try Milk's Emulsion under this guarantee—Take six bottles home with you, use it according to directions and if not satisfied with the results, your money will be promptly refunded.

Price 75c and \$1.50 per bottle. The Milk Emulsion Co., 100 St. Haute, Ind. Sold by druggists everywhere.—Advertisement.

Catarrh Will Go

Help Comes in Two Minutes—Complete Relief in a Few Weeks.

Don't go on hawking yourself sick every morning; it's cruel, it's harmful and it's unnecessary.

If after breathing Hyomel, the wonderworker, you are not rid of vile catarrh you can have your money back.

No stomach dosing—Just take the little hard rubber pocket inhaler that comes with each outfit, and pour into it a few drops of Hyomel. Breathe it according to directions. In two minutes it will relieve you of that stuffed feeling. Use it daily and in a few weeks you should be entirely free from catarrh.

Breathing Hyomel is a very pleasant and certain way to kill catarrh germs.

Get a Hyomel outfit to-day. It's sold by druggists everywhere with guarantee to quickly and safely end catarrh, croup, coughs, colds, sore throat and bronchitis or money back. It's inexpensive. D. & S. Drug Co., and A. G. Lukon & Co. can supply you.—Advertisement.

THE Country Grocery. The rustic melting pot where disciples of an older and less hurried generation settled loquaciously all questions of state, for once and forever; where budding Websters spouted their views, and spat with gusto at a sawdust target.

The old type of grocery is all the more picturesque because of the contrast it affords with the modern store, orderly, well designed, clean.

The contrast in bakeries is equally marked. The unsanitary "cellar bakery" is still with us, but it is fast dying out. In its place are coming such bakeries as that in which is baked BETSY ROSS BREAD. Sanitary, automatic machinery, white clad workers, white walls and white-tiled ovens—and, lastly, the wax-wrapped loaf—will identify for you the strictly modern bakery, whose product may be relied on to be high quality, clean and correctly baked. Try BETSY ROSS BREAD—the finest bread possible to bake.
