RECOMMENDED TO SCHOOL CHILDREN

This is the season when children are subject to croup, colds and coughs. Rena C. Marchand, 36 Lawrence St., Salem, Mass., writes: "I used Foley's Kidney and Throat with good results. I had a very bad cold and it gave me relief at once, so I recommended it to every child that goes to school." This standard, low priced medicine loosens and clears mucus and phlegm, checks strangling coughing, makes easy breathing, softens and heals raw, inflamed membranes, and stops tickling in throat. A.
