

CHICKEN BREEDERS OPEN THIRD SHOW AT EATON TUESDAY

EATON, O., Dec. 7.—Third annual show of the Western Ohio Poultry Fanciers' club, made up largely of chicken breeders of Eaton and one or two other points in Preble county, opened here today in the state armory, East Main street, and will continue until Tuesday of next week. The show will be open next Sunday, it is announced.

Officials and managers of the show state that a heavy list of entries have been received and filed. Some of the entries from a distance were received today. It is expected upward of one thousand birds will be exhibited. The show carries an attractive prize list.

Len Rawnsley, of St. Matthews, Ky., a judge of national and international prominence, will judge the entries and make the awards, which will be made under the comparison system. The local organization is a member of the national poultry breeders' association.

Charles Rule, of Eaton, is president of the club, and Harry W. Deem is secretary. H. C. Duvall of Eaton, is superintendent of the show.

Bread Prices Drop.

Bread prices in Eaton show a decline. Product of a Cincinnati baking concern has been reduced 2 and 3 cents, retail, in the local market. A loaf weighing one pound and eight ounces that retailed at 18 cents has been reduced to 15 cents, the old price, while a one-pound loaf that retailed at 12 cents has been reduced to 10 cents, the old price.

Two local bakeries have been offering a "Saturday special" of three regular 10-cent loaves for 25 cents. Cakes, cookies and the like in local bakeries have declined little if any in price.

Despite the fact that Eaton has three bakeries, much shipped in bread is brought here daily from Dayton, Cincinnati, Hamilton and Richmond, Ind., and some from West Alexandria.

Officials of seven county offices

have been allowed by the county commissioners an aggregate of \$12,592.52 with which to pay salaries of deputies, clerks and assistants for the year 1921.

Incoming Probate Judge, Byron Landis, was allowed the sum of \$1,075, while A. D. Davis, present judge, was allowed the sum of \$187.50 for the remainder of his term, after January 1.

The other allowances are: Auditor, S. C. Hunt, \$3,311.55; treasurer, C. E. Samuels, \$2,768.47; clerk, V. O. Rookstool, \$1,200; recorder, T. F. Ogden, \$1,150.01; Sheriff, George Jones, \$1,300, of which \$100 is for extra deputy hire; surveyor, C. A. Burns, \$1,600.

The amounts granted by the commissioners were based upon a certain per cent of the yearly fees of each office, which is fixed by law. In each instance the allowance represents the amount asked for by each official, it is said. The allowances had been under consideration of the commissioners for some time.

Under a new law it is possible for an official to appeal from the commissioners' action to common pleas court.

Try Lyons Case.

Presentation of evidence and testimony in trial of an assault and battery case against Le Roy Lyons was completed at the close of common

court Monday evening, after occupying the hall all day. Arguments of the state and defense counsel were to be presented this forenoon, after which the case was to go to the jury.

Forfeit Game.

Refusal of the Saxon football team of Dayton, to play after appearing upon the field resulted in its forfeiture of a game Sunday, at West Alexandria, to the Eaton Juniors, an independent team made up largely of students of the Eaton high school. The preceding Sunday the Saxons defeated the Eaton Juniors at West Alexandria by a score of 44 to 4.

Plummer Funeral.

Funeral services for Roddie J. Plummer, 48, manager of the local

offices of the Jantha Light & Fuel company, and a former auditor and deputy auditor of Preble county, who died here Saturday at his home, were conducted this afternoon at his late home and were in charge of the local Pythian lodge, assisted by the Rev. A. J. Bussard, of the Methodist church. Burial was in Mound Hill cemetery. The widow, son, daughter, parents and one brother survive him.

Clears the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's no sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with a "dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Olive Tablets are a easily vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 15c and 30c
