

## AUDITOR OF PREBLE READY TO RE-ASSESS REAL ESTATE IN 1921

EATON, O., Dec. 8.—Tentative plans of County Auditor S. C. Hunt relative to a re-appraisal of realty and buildings in Preble county are to place four additional clerks in his office to assist in handling the work; three assessors in each of the 12 townships in the county; two each in the municipalities of Eaton, Camden, New Paris, Lewisburg and West Alexandria, and one each in West Manchester and Eldorado. The appraisers in Harrison township would appraise in the municipality of Verona, and the Gratiis township appraisers in the municipalities of Gratiis and West Elkton.

The appraisers in the townships would be selected from the northern, central and southern sections of each township. While formulation of plans for the work are left practically to the auditor, yet the plans must be approved by the state tax commission.

**Karl Brouse Appointed**  
Karl Brouse, residing temporarily in Cincinnati, has been appointed rural mail carrier on R. F. D. No. 4 out of Eaton, to succeed the late Barney Barnheiser, who had served on the route since the establishment of rural mail service out of Eaton. Brouse received the highest percentage in a civil service test some time ago. He was overseas two years with a machine gun company. He and his wife will move to Eaton.

**Tax Receipts, \$4,000**  
With the opening of the tax books for receipt of taxes in Preble county, County Treasurer C. E. Samuels received approximately \$4,000 over the counter in his office Monday. About the same amount was received Tuesday. Treasurer Samuels anticipates the December installment of taxes will net close to a half million dollars, as some of the larger taxpayers in the county pay in December, the December and June installments at the same time.

**Arranges His Office**  
County Prosecutor-elect Ralph G. Sever, of Lewisburg, is arranging to establish his office in the courthouse here and expects to have all furnishings and equipment in place when he takes his office the first of the year. Sever will succeed Phil Saylor, of West Alexandria, who will have served three consecutive terms. Prosecutor Saylor has maintained his office outside the courthouse, in conjunction with his law offices, although a suite of offices are provided for the prosecutor in the courthouse.

**Lyns Found Guilty**  
LeRoy Lyons, farmer Harrison township, was found guilty Tuesday of assault and battery, in common pleas court. The jury was out three and three-quarters hours. H. G. King and H. R. Gilmore, counsel for Lyons, gave notice of intention of filing a motion for a new trial. Pending argument and decision on the motion, Judge A. C. Risinger fixed bond at \$300, which was furnished. John Gangwer, of Harrison township was complainant in the case. The alleged assault took place in Gangwer's farm, which was tenanted by Lyons. Lyons was indicted in May, 1919, but later, when the case came to trial, it developed that the original indictment papers could not be found, and on this technicality the trial was "ditched." The May, 1920, grand jury re-indicted Lyons.

**Obtain 900 Members**  
Approximately 900 persons were secured in the county-wide membership drive of the Preble County Farm bureau, which has just been brought to a close. The bureau hoped to secure at least 1,000 to 1,200 memberships. Several localities in the county were not canvassed, but it is expected these will receive attention later on. Charles Ulrich, president of the local county bureau is this week attending the convention of the National Federated

## Better Than Whiskey for Colds and Flu

New Elixir, Called Aspironal, Medicated With Latest Scientific Remedies, Used and Endorsed by European and American Army Surgeons to Cut Short a Cold and Prevent Complications.

Every Druggist in U. S. Instructed to Refund Price While You Wait at Counter if Relief Does Not Come Within Two Minutes.

Delightful Taste, Immediate Relief, Quick Warm-Up.

The sensation of the year in the drug trade is Aspironal, the two-minute cold and cough reliever, authoritatively guaranteed by the laboratories, tested, approved and most enthusiastically endorsed by the highest authorities, and proclaimed by the common people as ten times as quick and effective as whiskey, rock and rye, or any other cold and cough remedy they have ever tried.

All drug stores are now supplied with the wonderful new elixir, so all you have to do to get rid of that cold is to step into the nearest drug store, hand the clerk half a dollar for a bottle of Aspironal and tell him to serve you two spoonfuls with four teaspoonfuls of water in a glass. With your watch in your hand, take the drink at one swallow and call for your money back in two minutes if you cannot feel your cold fading away like a dream within the time limit. Don't be bashful, for all druggists invite you and expect you to try it. Everybody's doing it.

When your cold or cough is relieved, take the remainder of the bottle home to your wife and babies, for Aspironal is by far the safest and most effective, the easiest to take and the most agreeable cold and cough remedy for infants and children.—Advertisement

## SEEK PAID SECRETARY FOR NEW CIVIC CLUB

Officers of the Chamber of Commerce, elected at a board of director's meeting at 4 p. m. Tuesday, include the following:

Walker Land, president; Walter Fulghum, first vice-president; Mrs. Paul Comstock, second vice-president; John J. Harrington, Jr., treasurer and Ed. N. Wilson, secretary.

Each of these officers will serve until the regular election in January, with a possible exception of Mr. Wilson, who may be replaced by a full time salaried secretary before the January election.

Several important matters were discussed following the election. The proposed membership campaign was one of the main issues. Definite action toward securing a secretary has been taken.

A vote was taken to hold future business meetings at 4 p. m. on the day selected. President Land laid much stress upon punctuality in attending the meetings. He said Wednesday that he would insist on having committee members present at the time set.

## ECONOMY AND MERIT

Combined in Hood's Sarsaparilla, the Blood Medicine.

In spite of the increased costs and great scarcity of important roots, herbs, etc., the standard of quality and the quantity of Hood's Sarsaparilla have been faithfully maintained, and are today the same as when this medicine was first perfected and offered to the public.

A bottle of Hood's Sarsaparilla will average to last three or four weeks, while others last but a week or two, and some even less time.

Hood's Sarsaparilla is effective as a blood purifying and tonic medicine and also after the Flu, Grip, fevers, and other debilitating, blood-poisoning diseases. It purifies the blood, creates an appetite, and makes food taste good.—Advertisement.

# Motor Truck Lowers Farm Costs

THE farmer of the Middle West is a business man who utilizes every labor or time-saving device to increase his profits. That's why the farmer is coming to be the heaviest buyer of motor trucks.

At seeding time he hauls his seed to the field, thus economizing hand labor; at harvest time he hauls his grain, potatoes, and other produce, to market, and distance being a less prohibitive factor, is able to secure better prices; and all through the year he hauls his live-stock and chickens to market, and is able to deliver them in better condition, and with a minimum of shrinkage.

These are a few reasons why the farmer finds the motor truck profitable.

It must be apparent, then, that in no other part of the nation is rural distribution of petroleum products quite so important as in the states served by the Standard Oil Company (Indiana). These are the farming states which supply not only the Middle West but the entire nation with food. The ten states served by this Company are well termed the bread-basket of the nation.

To be of economic service to the farmer, the Standard Oil Company (Indiana) maintains throughout the territory it serves a complete chain of bulk stations, with tank wagons for delivery throughout the rural districts. The farmer has come to know that he can depend upon this service even under most trying conditions. That busy, dark green tank wagon serves the farmer with all the faithfulness with which the milk wagon and the ice wagon serve the flat-dweller in the city.

The comprehensive distribution system of the Standard Oil Company (Indiana) is geared to service at the lowest possible cost. The money thus saved through large scale operation is passed on to the consumer by reasonable tank wagon prices throughout the territory served.

That this complete and highly efficient system of distribution maintained by the Standard Oil Company (Indiana) is indispensable to the new type of business farmer, no one acquainted with the facts can doubt.

## Funeral of Dr. Heckert Held at Springfield Thursday

The funeral of Dr. Charles G. Heckert, president emeritus of Wittenburg college, Springfield, Ohio, will be conducted at 2 p. m. Thursday at the Fourth Lutheran church of that city, says an announcement received here today.

His death was caused by heart disease. His last public appearance was when he presided at a dinner of the Springfield workers in the Wittenburg campaign a few weeks ago. He suffered an attack of heart disease a few hours later. He retired from the presidency of Wittenburg last June after 17 years of service.

## MONUMENT TO POLE CAST OF GUN METAL

(By Associated Press)  
WARSAW, Dec. 8.—The Poles are using some of the gun metal taken by their army from the Bolsheviks, to cast a monument to be erected in this city to Father Skorupka, the heroic young army chaplain called "The Savior of Warsaw."

It was Father Skorupka who led the first successful charge that turned the tide when the Red army was at the gates of Warsaw, on August 15. He fell before Bolshevik bullets, but his regiment advanced. From that moment the Red retreat began.

Father Skorupka, who was only 27 years of age, was a former boy scout and scoutmaster, and was an active Red Cross worker before going to the front. He took particular interest in the organization of the Junior Red Cross in Poland, recently introduced here by the American Red Cross.
