Thousand Delegates Attend Rivers Congress

(By Associated Press)
WASHINGTON, Dec. 8.—More than a thousand delegates were here today for the opening session of the sixteenth annual convention of the national rivers and harbors congress. After an address of welcome by district commissioner Mabel Boardman, the program for the opening session called for speeches by Secretary of War Baker and Secretary of Commerce Alexander.

Among the questions to come before the congress that of the plan for deepening the New York barge canal was expected to receive the most extended discussion. Endorsement of the project by the last congress failed on objections raised by certain western delegations who favored the great lakes-St. Lawrence waterway as an alternative.

A SAFE TEST

For those who are in need of a remedy for kidney troubles and backache, it is a good plan to try Doan's Kidney Pills. They are strongly recommended by Richmond people.

Mrs. Sarah Platt, 454 S. Thirtieth street, Richmond, gave the following statement: "My experience with Doan's Kidney Pills has been very satisfactory and I advise anyone to use them who is troubled with weak kidneys. My back was hurting me and was weak, lame and aching. My kidneys acted irregularly, too. I had read a lot about Doan's Kidney Pills, so I got some at Thistlethwaite's Drug Store. They did me of the trouble, and I haven't been bothered since."

OVER TWO YEARS LATER, Mrs. Platt said: "I gladly confirm all I have said about Doan's Kidney Pills before. I know there is nothing better for kidney complaint."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Platt had. Foster-Milburn Co., mfrs., Buffalo, N. Y.—Advertisement.
