

Lenine is Quoted on**Investment Policy**

(By Associated Press.)
COPENHAGEN, Dec. 10.—A dispatch to the Politken from Riga today quotes Nikolai Lenine, the Russian soviet premier, as declaring in reply to attacks on the soviet government because of its concessions to foreign

capitalists, that in the event of war against the bourgeois, all the capital invested in those concessions would be taken by the soviet.

If the concessions interfered with the development of soviet Russia, Lenine is represented as adding, the extraordinary commission for fighting counter revolution would take action. Two investment proposals were under consideration, according to the dis-

patch, the first, the Kamchatka concession, to be given to Americans (the reported Washington D. Vanderlip concession evidently is means); and the second, an investment of several million acres of forest lands.

It is proposed to adopt the airplane to promote discoveries in darkest Africa.

AFTER a baking falls — becomes tough or soggy, you can't make it tender and tempting. It can't be "fixed." It is like spilled milk—"wasted."

But, there is a way to prevent this waste — and every woman should use it—because a bake day loss these days is a real loss. When just an ordinary cake turns out bad—you are out the biggest part of a dollar.

Calumet Baking Powder positively prevents failure. It has been doing it for millions of housewives for a third of a century.

CALUMET BAKING POWDER

BEST BY TEST

Makes most palatable and sweetest of foods

The biggest selling Baking Powder in the world. Produced in the largest, most modern, sanitary baking powder factories.

Possesses only such ingredients as have been officially approved by United States Food Authorities.

Highest awards, World's Pure Food Exposition, Chicago—Paris Exposition, Paris, France.

Full weight—fair price. Most economical in cost and use. You save when you buy it. You save when you use it.

A pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. cans instead of 16 oz. cans. Be sure you get a pound when you want it.

Calumet Jelly Roll Recipe

—3 eggs beaten separately, 1 cup sugar, 1½ cups pastry flour, 2 level teaspoons Calumet Baking Powder, ¼ cup warm water—flavor. Then mix in the regular way.
