

## FINAL ARRANGEMENTS FOR MEMORIAL BOOK TO BE MADE FRIDAY

Final arrangements for the publication of the Memorial Gold Star volume, the state book commemorating Indiana men and women who died in the service during the World war will be made Friday at a meeting of the Indiana Historical commission of which Prof. Harlow Lindley, of this city, is a member.

Compilation of the material for the volume has been in progress for months under the supervision of J. W. Oliver, director of the commission, and is now virtually completed. The book will be the first purely gold star volume to be issued by any state and will be made a worthy tribute to the Indiana men and women who made the supreme sacrifice.

The book will contain a picture and brief biographical sketch of each of the 3,280 men, and 14 women nurses who died during the war. Pictures of more than 3,000 of the men and all the women have been secured by the commission and plates made ready for the publication.

Members of the commission are Governor Goodrich, president; Frank B. Wynn, Indianapolis, vice president; Harlow Lindley, Richmond, secretary; James A. Woodburn, Bloomington; Charles W. Moore, Indianapolis; Samuel M. Foster, Fort Wayne; Matthew J. Walsh, Notre Dame university; Charity Dye, Indianapolis and Lew M. O'Bannon, Corydon.

## CHRISTMAS SEAL SALE INDORSED BY LEGION

Unanimous endorsement of the Red Cross Christmas seal sale was given by members of the Harry Ray post of the American Legion at the regular meeting Wednesday night.

Commander Hunt said Thursday that the sale of these seals was becoming more and more closely related to the post, as many of the ex-service men who were gassed are now developing tuberculosis. He estimated that there had been 15 cases reported among the local boys in the past few months.

He also pointed out that 75 per cent of the money raised through the sale of seals would be used in the local community in an effort to combat tuberculosis. The social service bureau, Red Cross and Wayne County Tuberculosis society are working together in the work.

A number of Christmas baskets will be sent by the local post to boys in hospitals here. Dayton, Ohio, Fort Wayne, Ind., South Bend, Ind., Nashville, Tenn., and those receiving treatment for tuberculosis in Arizona and

## Representative Attacks Excess Profits Taxes

WASHINGTON, Dec. 10.—Secretary Houston's recommendation in his annual report, that excess profits taxes be repealed and that the higher brackets of income surtaxes be reduced were attacked today by Representative Kitchin, of North Carolina, ranking Democratic member of the house ways and means committee as "the most unwise, unjust, undemocratic and pro-Republican thing that ever emanated from any department of the government since its beginning."

## High School

The enthusiasm and generous spirit of Richmond high school students revealed itself Thursday when 1,900 Christmas seals were sold by noon today. This exceptionally large sale is only the beginning. Seals will be sold this afternoon and again in the auditorium Friday. Noyrac girls in the school spent much of their time getting more stickers from the headquarters, the dean's office.

It is expected that the example set by the students will add new incentive to the sale that is being conducted throughout the county and in the city. If all organizations and persons display such a willingness to support the sale it is believed that the "ten cents per capita" goal will be reached even before the Christmas holidays are over.
