

COMPLETE SCHEDULE ANNOUNCED BY MOWE HEAVY BASKET CARD

The complete schedule for the Earlham basketball season as announced by Coach Ray B. Mowe is without a doubt one of the heaviest ever attempted by the local team. Counting the game with Antioch it includes a total of 17 games, 10 of which are to be played here and seven on foreign floors.

What probably will be one of the biggest games of the season will be the Purdue scrap scheduled Jan. 3, at the coliseum. Coming as it does at the close of the holiday season, a record breaking crowd is anticipated. Arrangements for the game were completed by Mowe late Monday afternoon.

The strong Wabash five has been scheduled for two contests, one at Wabash on Dec. 22, and a return game here on Feb. 18. Following Wabash on the list comes the Em-Roe quintet from Indianapolis. Three games have been arranged with this outfit, the first to be played at Thornstown, the second at Indianapolis, and the third here.

May Play Manchester.
All of the I. C. A. L. five has been booked with the exception of State Normal and Rose Poly. It is understood that games with these two colleges were impracticable because of the distances involved. A new combination may be seen on the local floor in the shape of the Manchester aggregation. These are only tentative dates, however.

As their next game the Quakers will meet the Indianapolis Dentals at the coliseum. Little is known of the strength of the tooth-pullers. The Earlham game will be played before the high school game scheduled for the same night and will start at 7:30. A section of about a hundred seats will be reserved. Reservations may be made at the Westcott pharmacy beginning Wednesday.

Practice at Coliseum.
The Quaker squad practiced Monday night at the coliseum. Mowe was well pleased with the showing made by the team Friday night, but was able to detect several wrinkles which will have to be ironed out before the dental contest.

The schedule:
Dec. 17—Indiana Dentals, here.
Dec. 22—Wabash, at Crawfordsville.
Dec. 27—Em-Roe, at Thornstown.
Jan. 3—Purdue, here.
Jan. 7—Butler, here.
Jan. 14—DePauw, Greencastle.
Jan. 24—Manchester College, here (tentative).
Jan. 25—Em-Roe, at Indianapolis.
Feb. 4—Em-Roe, here.
Feb. 15—Franklin, Franklin, (tentative).
Feb. 18—Wabash, here.
Feb. 22—DePauw, here.
Feb. 25—Butler, Indianapolis.
Feb. 26—Indiana Dentals, Indianapolis.
March 3—Franklin, here.

Whirlwind finishes and spectacular slaughtering of the maples featured the bowling of the I. H. C. league at the Twiga alleys Monday night. The Jumbos continued their lead by taking two games from the Kentuckys, although they were forced to do some hot bowling to accomplish this feat.

The Easy Pulls came into a tie for second place by jumping on the tail end Hoosiers for a majority of games. The Empires were put on the skids by the Light Drafts who ooped two games.

High game for the season was chalked up by the Kentuckys in the second game of the evening, when they battered the maples for a 937. They were unable to stand prosperity and lost out in their two other games.

Billy Sample held high game with 227, and Gene Miller, 222. Eugene Miller, of the Light Drafts, held an average of 181, and Muhl was a close second with 178. The scores follow:

RECOMMENDED TO SCHOOL CHILDREN
This is the season when children are subject to croup, colds and coughs. Rena C. Marchand, 36 Lawrence St., Salem, Mass., writes: "I used Foley's Hooey and Tar with good results. I had a very bad cold and it gave me relief at once, so I recommended it to every child that goes to school." This standard, low priced medicine loosens and clears mucus and phlegm, checks straining coughing, makes easy breathing, soothes and heals raw, inflamed membranes, and stops tickling in throat. A. G. Dempsey Will Defend Title Against Bill Brennan Tonight

(By Associated Press.)
NEW YORK, Dec. 14.—For the first time since Jack Dempsey won the heavyweight championship, New York patrons of the fistie sport will have an opportunity of seeing the big fellow in action at the Madison Square Garden tonight.

Bill Brennan, formerly of Chicago, but now residing here, is the challenger for the title. These two met at Milwaukee nearly three years ago and on that occasion Dempsey scored a technical knock-out in the sixth round. That was long before Dempsey defeated Willard for the title. Brennan still believes that he has a chance to redeem himself in this bout.

"I'm not afraid of Dempsey," said Brennan a few days ago at his training quarters here. "Jack knows I gave him a good battle when we met before and but for an injury to my ankle when I fell I could have gone along with him in good shape."

Most of those who had seen both men in action, however, are not quite so confident as Brennan on this point. So far as build and measurements go the men seem pretty evenly matched on paper, but when seen in ring costume at their respective training quarters, Brennan looked to be much the more robust of the pair. The champion's weight is more evenly distributed while Brennan is the rangy type of athlete who does not round out quite as pleasing to the critical eye but gives unmistakable indications of possessing two essentials, assurance and endurance.

Fans Anxious.
Since the Walker law permitting a revival of boxing in this state became operative nearly three months ago, local fans have been looking forward for a heavyweight bout to be put on by some of the promoters and Tex Rickard is furnishing the initial clash between big fellows under the new legal conditions.

Brennan has been seen here several times in bouts during the regime of the Frawley law and in nearly every instance the Chicago man acquitted himself creditably.

Some New York patrons of the ring only remember Dempsey as an unpre-

CINCINNATI U. COACH PEEVED AT SCHEDULE

(By Associated Press.)
CINCINNATI, O., Dec. 14.—Asserting that football teams in the Ohio conference which have been making enviable records, do not care to book "conference elevens" which they feel they could not defeat, Coach Boyd Chambers, of the University of Cincinnati today expressed indignation over the recent schedule-making meeting of the conference at Columbus.

"Southern Ohio elevens were given the cold shoulder," Chambers declared. "Representatives of the Northern colleges got into a corner by themselves and arranged their schedules. What few dates were left, they turned over to smaller colleges in their vicinity."

"It looked to me that the teams which have been making an enviable record in the conference, did not care to book elevens which they could not defeat. That is the wrong spirit. It seems to me the faculty representatives on the conference boards ought to take some action."

Chambers asserted that Coach George Little, of Miami, and Coach Joe Meyer of Xavier's College, of this city, share his views.

Cincinnati was able to obtain only four conference dates, and Miami only five.

BUTLER SCHEDULES GAME WITH JAP TEAM

(By Associated Press.)
INDIANAPOLIS, Dec. 14.—Definite announcement has been made by Butler college authorities of the scheduling of a baseball game between Butler and Waseda university of Tokio, Japan, to be played in Indianapolis, May 14.

Pat Page, who is now athletic director at Butler, was the father of the famous Japanese-Chicago university baseball series while at Chicago university. Butler will also play practically every university and college in Indiana in baseball next spring. The diamond sport was not supported in an intercollegiate way at Butler last year.

Baseball practice will begin at Butler college on Feb. 1. It has been announced by Coach Page. The reason for the unusually early start is the heavy intercollegiate schedule. The 1921 prospects are unknown, but it is believed there is good material in the freshman class. Harry Alexander, '22, of Indianapolis, is baseball captain.

Cornell Running Team to Meet English Athletes

(By Associated Press.)
NEW YORK, Dec. 14.—The first foreign invasion of an American college cross-country team started here today with the sailing of the Cornell University runners for England, where they will meet a combined team representing Oxford and Cambridge universities on December 27 in the first international intercollegiate contest of this type ever staged.

The run will be held over the seven and a half mile course of the Thames Hare and Hounds club at Roehampton near London and both Cornell and Oxford-Cambridge will start teams of seven runners. Of the 14 long-distance hill-and-dalers the first five of each team to finish will score and the team having the lower total after ten runners cross the line will be declared the winner of the race. Thus if five Cornell entrants were to finish in the lead of the pack, a most improbable occurrence, the total team score of the American university would be the minimum of 15 points.

Good Gasoline Mileage in Winter

NO one expects to get as great mileage in winter as in summer, for too much gasoline is wasted in warming up the motor. But you, Mr. Motorist, will get greatly increased mileage if you will switch to

Red Crown

The High-Grade Winter Gasoline

Red Crown is made to fit the modern automobile engine operating under conditions obtaining in the Middle West.

It has a perfect chain of boiling point fractions, a low initial, about 100 degrees Fahrenheit, the correct range for a quick get-away, smooth acceleration, and tremendous power. It is made to insure perfect combustion.

Perfect combustion means no waste and no waste means a maximum of mileage per gallon of gasoline.

Red Crown functions all the time. That's why we say it is the high-grade winter gasoline.
