

PLAYERS SWITCHED IN BIG TRADES BY BASEBALL MANAGERS

NEW YORK, Dec. 16.—Walter Ruethe for "Rube" Marquard, of the champion Brooklyn, was the deal pulled off by Manager Moran for the Reds Wednesday. It is believed that it will help both clubs, for Ruethe was about through in Cincinnati, but may come back for "Robbie," while Marquard is glad to play with a Western club.

Previous to the making of the trade the National league at its session had absolved Marquard of any serious blame for the ticket scalping incident, in which he was miked up in Cleveland last October.

The New York and Boston clubs of the American league pulled off the biggest deal of the meeting to date Wednesday when Managers Huggins and Duffy got together and engineered a trade involving four players, on each side. New York gave Catcher Ruel, Pitcher Thormahlen, Infielder E. F. and Outfielder Vick in exchange for Catcher Schang, Pitcher Hoyt and Harper and Infielder McNally.

Wants Schang.
Manager Huggins, of the Yanks, stated that he made this trade in order to secure Schang and Hoyt. He needs a fast catcher like Schang, and he believes that Hoyt is going to become one of the best right-hand pitchers in the American league. It is likely that he will trade Harper and McNally to Philadelphia for Infielder Joe Dugan, whom he will use as a utility man, as he expects Fawcett to play second base for him next year.

The deal for Marquard was made after two other offers for Ruethe had been turned down by Manager Moran. Wednesday morning John McGraw offered \$25,000 in cash for the Red southpaw and later Manager Rich, of the Cardinals, offered either Outfielder McHenry or Infielder Janvrin for him. Moran considered all three of the propositions carefully.

Pat was willing to take either McHenry or Janvrin for Ruethe, but preferred a pitcher, and so decided to deal with Brooklyn and thus secure a wise and experienced left-hand hurler to take Ruethe's place in the Red box.

Bids for Maranville
The Cincinnati club made a very large cash offer for Rabbit Maranville, of the Braves, which George Grant, manager of the Cincinnati Reds, would prefer players and is looking round to see if he can secure what he wants, but Moran is right on his heels and may secure "the Rabbit."

If Pat cannot get Maranville or Terry he is ready to make an offer for Arthur Fletcher, of the Phillies, who has played such great ball for the Giants for so many years. "Fletcher has a couple of good years left in him," said Pat, "and he is a winning player of just the stamp I like to have on my club. I will make an offer for him as soon as I can find Bill Donovan."

Owner Frank Navin, of the Detroit, expects Ty Cobb here by Friday to sign up as manager of the Tigers for the coming year. "The job has been open to Cobb ever since Jennings decided to leave us," said Mr. Navin.

Last night Charley Herzog announced that he probably will go to Rochester with George Stallings, who has just leased the club there with privilege of purchase. Herzog realizes that he is through with the big league, as all clubs have waived claim on him. He will play either shortstop or second base for Rochester, and will be field captain of the team.

GREENSFORK WALLOPS CENTERVILLE FIVE

Greensfork high school defeated Centerville in the curtain raiser to the American Legion contest at the coliseum Wednesday night, 26 to 21. The chief feature of the contest seemed to be the closeness of the score, which kept the spectators on the edge of their seats. However, the contest was not a hair-raiser, as both teams seemed lost on the coliseum floor.

Both teams were short on pass work and the contest consisted of a man getting the ball and dribbling to shoot, the other side following suit. Plenty of good material was in evidence but it was not developed.

The game was close throughout. Greensfork maintaining a slight lead most of the way and forcing ahead in the final minutes. Fisher and Lindley scored the greatest number of points for their teams with eight and nine respectively. The lineup: Centerville (21) Greensfork (25)

Plenty of Games Offered Notre Dame Football Team

SOUTH BEND, Ind., Dec. 16.—Notre Dame's football team next year will not lack opponents, the fame of the Hoosier team having brought scores of offers for games next fall to Coach Knute Rockne. The most serious consideration is being given to a proposal for a game with Georgia Tech at Atlanta, Ga. This college won the southern title this year, winning from both Centre and Georgetown, the two other strongest contenders.

HITCH IN GAME.

(By Associated Press)
ANNAPOLIS, Md., Dec. 16.—It is possible that the Navy and Marine football team will not meet next year. Navy is willing to schedule a game but it is understood Georgetown is inclined to hold out for the arrangement of a series on the "home and home basis." This could not be done next season since Navy, which is permitted to play but one game away from Annapolis besides the match with Army, has already engaged to meet Pennsylvania State at Philadelphia.

EARLHAM CLASH WITH BOILERMAKER FIVE WILL BE CITY'S GREATEST NET CLASSIC

Undoubtedly the biggest basketball classic ever staged in Richmond will be the Purdue-Earlham contest at the Coliseum, scheduled for Monday night, Jan. 3. Coach Ray B. Mowe states that he has been very lucky in securing Purdue, as several schools had been negotiating for the same date. The game here will form a part of the regular trip of the Lafayette squad as they play in Cincinnati on Saturday night, spend Sunday in Richmond, playing here Monday night and proceed to Indianapolis Tuesday where they meet the Butler aggregation the same evening.

In seeing a conference team in action local fans will get a rare treat. The Boiler-makers are being watched with interest this year as they have a strong combination and are booked for a stiff schedule. They have a team composed of three veterans and an abundance of new material.

White, who holds down the floor guide position, is rated as one of the best guards in the middle west. Last year he was selected as a member of the All Conference five. During his high school days he was a member of the championship Lebanon quintet and was twice mentioned as all-state floor guard.

Coffin, last year's captain, and Miller of Rochester, alternate in the back guard position. Miller is one of the best all round athletes in school and

is hailed by his schoolmates as a second class star. One of his specialties is the javelin throw in which event he holds several records.

Former High School
Local interest in the game will center in the hope of seeing George Eversman, former R. H. S. star, in action again. It has been reported that Eversman is included in the varsity squad but whether or not he will be given a chance in the game is a matter of conjecture. In his high school days he played the floor guard position and two years ago was a member of the team that went to the state tournament and won its first two games.

Last season Eversman was a member of the freshman team at Purdue. He played also in the freshman nine and on the whole made an enviable record during his first year.

Expect Large Crowd
Coach Mowe is anticipating a large crowd at the game and has announced that all seats except the second balcony will be reserved. Reservations may be made by mail order when accompanied by checks. Reserved seats will be 75 cents and general admission 50 cents. It is estimated that about 1,000 seats will be reserved. Mowe reports that he has already received inquiries regarding the game from surrounding towns. Tickets may be purchased at the Starr Piano Sales rooms after Dec. 27.

Although the game takes place before the opening of Earlham after the Christmas vacation, it is thought that some students will return early in order to witness the contest. The basketball squad will return to school and resume practice on the Friday preceding the game. They will also keep in trim as much as possible during vacation.

May 16 Opens Busiest Week for Butler College

(By Associated Press)
INDIANAPOLIS, Dec. 16.—The week of May 16 will be a busy one at Butler college. Beginning on Monday, May 16, and continuing May 17 and 18, the second annual intercollegiate tennis tournament will be held under the auspices of Butler. Twelve or more teams are expected to compete for the second leg on the Dyer bowl.

On Saturday, May 1, the I. C. A. L. track and field meet will be held on Irwin Field, at Butler, and the I. C. A. L. tennis tournament will be played off the same day on the New Butler varsity courts, which are being constructed on the campus.

The locals are tuning down for their opener next Friday night with Knightstown on the Coliseum floor. The high school has been working hard to get in shape for this game after the close of the football season. The large squad, which reported after the first call is still out and the high mentor has plenty of substitutes.

The tentative lineup for the game would appear to be Amick and Harkins, forwards; Loehr, center; Lovin and Green, guards. Virtually all the first string subs will be given a chance to show their worth if the original team picked to play, is not able to connect with the loop or hold the visiting team.

Coach Null will put the boys through a short workout Thursday evening to get his men in the best possible condition for Friday night's game. The high school game will be played after the Earlham-Dental mix-up.
