

2 TAKE CASE FROM PREBLE COUNTY TO COURT OF APPEALS

EATON, O., Dec. 16.—Bill of exceptions, original papers, transcript docket and journal entries, along with exhibits, were filed today with the court of appeals, now sitting in Dayton, in the case of R. E. Estis and William Mills, who in October were convicted of stealing an automobile by a jury in common pleas court. The papers and records in the case were filed with the court of appeals by Attorney Harry Risinger, of Eaton, and Attorney B. H. Tivenen, of Mattoon, Ill., counsel for Estis and Mills.

After their conviction, motion for a new trial was filed and argued and retrial of the case was refused by Judge G. W. Mannix, of Greenville, the trial judge. Appeal was then taken to the higher court on error, following which Estis was released under \$2,500 bond and Mills was given temporary liberty under \$2,000, pending action of the court of appeals upon the case. Both men were sentenced after being declared guilty, a sentence of from one to seven years in the penitentiary being imposed upon Estis, while Mills was sentenced to from one to seven years in the state reformatory.

Estis and Mills were convicted of stealing an automobile from S. C. Richie, banker, of New Paris, in January, 1919. They were indicted the following May, after which their trial was postponed six or eight times. Richie's car was recovered in Indianapolis a few days after it was stolen and Estis and Mills had it in their possession at the time and they were arrested.

Estis claims Mattoon, Ill., as his home, while Mills claims St. James, Mo., as his home.

SUES FOR \$25,000

Lurton E. Bishop, farmer, a few days ago was acquitted of a charge of petit larceny by a jury in common pleas court and now he has filed suit in common pleas court against Richard White, farmer, for \$25,000 damages, alleging false arrest and prosecution. Bishop also seeks an extra \$100, which he claims he paid an attorney for defending the charge against him. Bishop avers White caused his arrest and subsequent indictment for stealing a hog, all of which injured his reputation and credit to the extent of the amount sued for. Attorneys Harry Risinger and Harry King prepared and filed Bishop's petition for him.

SEEK \$1,050 DAMAGES.

An automobile belonging to Hiram Jaskulek and Julius Fryer of Camden, tobacco warehouse operators, was struck and wrecked on a crossing by a Pennsylvania train a few months ago and as a result they have entered suit for \$1,050 damages against the company in common pleas court. They aver the car was driven by an agent of theirs and that the alleged fact that the train did not sound a warning signal as it approached the crossing was responsible for the accident. This, they aver, constitutes carelessness and negligence upon the part of the company's employees. H. R. Gilmore is attorney for the plaintiffs.

ARRANGE PARTY.

Invitations were issued today by the Unity club to the children of Eaton for the club's annual Christmas party, which will occur Thursday afternoon of next week in the opera house. Gifts of candy, fruit and toys will be bestowed upon the little guests and an appropriate program of exercises will be observed. The Unity club is reorganized as Eaton's foremost charitable organization.

TO SING FOR SICK.

Singing of Christmas carols is being practiced by members of the Ladies' Glee club that participated in the late political campaign. It is planned to present a program of carols on Christmas morning. Homes of the sick and shut-ins will be visited.

WILL HAVE XMAS TREE.

Arrangements are going forward satisfactorily for Eaton's first community Christmas tree, which will be placed on the courthouse lawn. The tree, decorated and illuminated, is expected to be in place by Thursday of next week and will be maintained for 10 days. The Council of Mothers is promoting the project and much encouragement, financial and otherwise, is being met with. An appropriate program of Christmas carols is being arranged and practice singing of them will be taken up the first of next week.

CALLED DESERTER, HE TELLS STORY OF GERMAN PLOT

(By Associated Press) TEUCIGALPA, Honduras, Dec. 16.—Some curt and not very cordial notes have been exchanged between representatives of the British and Costa Rican governments over a law recently passed by Costa Rica annulling all international transactions by the previous administration of President Tinoco.

The British government filed a strong protest with the government of Costa Rica, refusing to abide by the law. To which Costa Rica replied that it would not allow a foreign power to interfere with its internal legislation.

Great Britain then sent its minister to Panama to Costa Rica personally to settle the dispute.

As a consequence, the Costa Rican press is bitter against the British claims and much anxiety exists there at the probable outcome.

BRITAIN, COSTA RICA PASS CURT NOTES

(By Associated Press) TEUCIGALPA, Honduras, Dec. 16.—Some curt and not very cordial notes have been exchanged between representatives of the British and Costa Rican governments over a law recently passed by Costa Rica annulling all international transactions by the previous administration of President Tinoco.

This law rescinds an oil concession given to British interests, affecting certain arrangements between the Tinoco government and the Costa Rican branch of the Royal Bank of Can-

ada, and affects some American interests, including the Sinclair syndicate which had obtained certain oil rights under the Tinoco administration.
