

## KNIGHTSTOWN CLASH, SLATED FOR FRIDAY, TO TEST HIGH FIVE

Enthusiasm is overflowing at the high school in anticipation of the opening basketball game of the season at the Coliseum Friday night when the local high school and Knightstown get together for a 40-minute battle. Plans are being made by the Red and White rooters to back their team to the limit. With the following that Knightstown is expected to bring, it seems that considerable rivalry will be exhibited.

The high school band will be out to furnish plenty of "jazz" for the evening.

Coach Null announced the 12 men that would appear in uniform after last night's short signal practice. These are: Harkins, who will act as captain during tonight's game, Amick, Loeher, Lohman, Rost, Green, Brehm, Spaulding, Grafts, Walls and Kessler.

Strength Unknown.  
The strength of the local team is an unknown quantity and until after tonight's game it is a matter of conjecture just how successful the season will be. The Red and White five is the lightest representing the high school in recent years, but they seem to be fast and work well together. They probably will begin the game with Harkins and Amick at forward, Loeher, center, Rost and Green, guard.

Knightstown has won three out of five games played this season and are said to be going good. They are coached by Cecil Collins, who played halfback for the Earlham football team last year and second base on the baseball team.

The first game will be started at 7:45 p. m., between the Dentals and Earlham team. Reserved seats are on sale at the Westcott Pharmacy for 65 cents.

No records were broken in the regular Thursday night session of the City Bowling league. The leading Maher Meats were considerably off form and saved from defeat by the fact that they were bowling the cellar champions, I. H. C's.

Three men topped the maples for high score when they hit for 225 each. Meyers, Morarity and Smedinghoff all came in for this score.

Wilson Cleaners topped two games from the Hills Laddies. Feltman's Tramps staged a come-back and walloped the Lee Tires for the majority game and pulled into a tie for fourth place. The scores follow:

Lynn and Economy will lock horns on the Economy floor Friday night in what promises to be the best independent game in this part of the country. The Lynn team has been going at a dizzy pace and they say they will continue the work against Economy. The floor at Economy will handicap them a little but a fast contest is expected.

## BRINGING UP FATHER BY McMANUS

## GLADIATORS OF CIVIC CLUBS FIGHT MONDAY

Ghosts of the past will be seen stalking in all their grandeur and magnificence when the Kiwanis and Young Men's Business clubs send their powerful basketball gladiators into the arena at the Coliseum next Monday night to decide, by nimbleness of foot and truthfulness of eye, the basketball championship of all the world—and part of Richmond.

Aside from the headline attraction of the evening, which is announced as the basketball contest, a galaxy of entertainers will display their arts in variegated manner, insuring the on-lookers an "eye full" from the time of the opening act to the final whistle of the game.

The world will undoubtedly be indebted to the two clubs for their great additions to the art of entertainment at a basketball contest, and the performance to be given by the popular clubs of the city will bring out the wonderful dramatic possibilities of the game, which have remained dormant since its invention.

Secret practices are being held by the teams and the lineup or outfits will not be known until they appear on the floor. It is rumored, however, that the Young Men's team will depend upon weight altogether, with Joe Hill and Howard Horton at forward, Pote Lichtenfels at center, Howard Hitz, floor guard, and Charles Twigg, back guard.

The Kiwanis club mentor is trying out Oren Miller and Guild Copeland for forwards, Prof. Sam Garton, center, Harry Coleman, floor guard, and Ray Mowe, back guard. With these lineups from the two clubs it appears to be a ripping contest. However, charges of professionalism are liable to develop before the game and put a few out of the running.

All the proceeds go for Christmas baskets for the poor of the city.

## QUAKERS RECEIVE FOOTBALL LETTERS

Football letters were presented in the chapel exercises Thursday to the letter men of the 1920 Earlham football squad.

Coach Mowe in making the presentation praised highly the spirit shown by the men during the season and said that in his estimation it had been a highly successful year.

This year letters were won by 18 men. In order to qualify for a letter a player must participate 100 minutes of actual play or must have played in 60 per cent of the seasons total games. Awards were made to the following men: Hall, Beasley, Pierson, Johnson, Pennington, Chambers, Beck, Snyder, Bookout, Carter, Winban, Ivey, Russell, Emsley, Hinshaw, Gordon, Nicholson, and Gorton.

Of this year's letter men, seven are lost by graduation, leaving Mowe a nucleus of 11 experienced men from which to form next year's team. Three captains are included in the list of letter men, Hall, this year's captain; Hinshaw, captain-elect, and Gordon, captain of the 1919 squad.

Two of the letter men, Emsley and Russell, are Richmond high school products. Emsley, although the lightest man on the Quaker squad, played the half-back position whenever called upon in a credible style and made consistent gains. Russell was sub-center. Both men show promise for next year.

Large Maroon V-necked sweaters were given to all men winning their letters for the first time this year. Sweaters also are given to men winning their third letter in the same branch of athletics.

## AMERICAN ASSOCIATION DUBIOUS ABOUT ENTRY

(By Associated Press)  
CHICAGO, Dec. 17.—The American Association is willing to enter into the new national baseball agreement with Judge K. M. Landis, as supreme commissioner, but does not feel as though it should go in for the provided 25 year period, according to President Tom Hickey on his return here from New York.

"Judge Landis' term is for seven years," he said. "We would have no say about the new commissioner at the termination of Judge Landis' term. This is what the American Association is debating about."

Hickey declares that he believes the movement of the class AA leagues to withdraw from the present National association for the purpose of forming a separate and distinct body to affiliate with both the major and smaller minors would result in the ironing out of a lot of wrinkles.

"Such an arrangement would result in benefit to all parties concerned and would tend to solve the problem of the draft," he said.

**GAME CALLED OFF**  
NEW YORK, Dec. 17.—Penn State's football team will not play Columbia during the 1921 season. It was announced today by the Columbia Athletic committee.

## Wittenberg Practices For Princeton Clash

SPRINGFIELD, O., Dec. 17.—Wittenberg players will practice next week with Ohio State players at Columbus, according to Coach Godfrey. Wittenberg will have the use of the gymnasium for practice in the day time and will stage regular games with the Buckeyes each night.

It was also announced that the Ohio State players will attend the Wittenberg-Princeton game here New Year's night in a body, as Ohio State meets Princeton two nights later at Columbus.

Coach Godfrey announced that two more conference games have been added to Wittenberg's schedule. They are with Hiram on January 7, and Oberlin on January 14, both at Springfield.

The Princeton game will be an unusual local attraction as Stanley Netts, captain of the Tigers, is a Springfield boy and a former Wittenberg basketball star. Already the seating capacity of Memorial Hall, where the game will be held, has been sold out.

## FOUNTAIN CITY K. P.'S DEFEAT CENTERVILLE

FOUNTAIN CITY, Ind., Dec. 17.—Fountain City's K. of P. basketball team defeated the Centerville Legion team here Thursday night by a 23-20 score. The game was extremely close throughout and saw-sawed back and forth continually, the final whistle coming in time to give the game to the locals.

Fountain City will play the Earlham Reserves here Saturday night, in what promises to be a fast contest. Thursday night's score was as follows: Fountain City (22) Centerville (20). Mercer.....F..... Mathews Beall.....F..... McManus Prentiss.....C..... Harris Hampton.....G..... Burris Lacey.....G..... Jordan Referee—Bertsch, of Centerville.

## Whitewater Will Play Spartansburg, Saturday

WHITEWATER, Ind., Dec. 17.—The Whitewater high school basketball team will journey to Spartansburg to play the high school five of that place, as the next big fray of the season. Brown, the stellar back guard on the Whitewater five recently became ill in school and is likely to be off the team for some time. With the lineup, as now presented, the game should be a thriller, as the two teams are very evenly matched. A good crowd of rooters will accompany the team.

Harding's hard job is not getting advice, but digesting it.

## LOCAL SHOOTERS WIN THURSDAY'S LAURELS

Local shooters romped away from the field Thursday with the honors attached to their belt in the Quaker City Gun club shoot held at Athletic park. Omer Jones slaughtered 95 birds out of 100 in the feature shoot of the day, and L. E. Harter finished high man in the 50-bird event.

A high wind made the gauging of the targets a little difficult. The competition was keen and the records hung up were among the best registered on the local traps.

Merchandise prizes were distributed as follows: Pumphrey, a fishing kit; Jones, a watch chain; Elwell, vacuum cleaner, and Harter, a basket of fruit. The remainder of the 40 prizes contributed by the merchants of the city were given to the men in the order of their scores.
