

## FRANKLIN SCHEDULED BY EARLHAM FOR THANKSGIVING GAME

For the first time in the history of Earlham, the big football game of the year will be played on Thanksgiving day, according to an announcement made by Coach Mowe, of Earlham. Franklin college has been booked as the opponents of the Quakers, the game to be played on Reid field.

The scheduling of the old-time rivals of Earlham for Thanksgiving day comes after Coach Mowe had worked on the proposition for the past year. It has been his idea that the big game of the year would prove a special drawing attraction if played on the holiday and with the best rival of the locals.

**Old Enemies.**  
The Baptists and Quakers have always been intense rivals and when they invade Reid field a championship scrap is always to be looked for. Mowe favors one team to an overwhelming measure, but the outcome may be in direct opposition to this when the last whistle blows. The two schools have about an equal number of victories to their credit and the wins generally alternate from year to year. Coach Mowe is working on the remainder of his grid schedule and the prospects are that the local college will tackle some worthy competition throughout the season. The regular annual games are being booked with Butler, Rose Poly and Franklin. Kalamazoo will be given a return game on their field. Early season games may be booked with Wilmington and Wittenbergs.

## QUAKER BASKETEERS TUNE UP FOR PURDUE

Practice was resumed by the Earlham basketball squad at the coliseum Friday afternoon in preparation for the tussle with the Purdue aggregation Monday night. Coach Mowe did not anticipate much trouble in rounding his basket shooters into shape as they have been keeping in trim during the vacation by taking daily workouts.

Mowe ordered his entire squad of fifteen men to report for practice Friday so that it would be possible to hold a good scrimmage. The team will also be given a hard workout Saturday afternoon. The men all came through the Wabash and Em Re games in good shape and it is expected that they will have plenty of ginger after their short rest.

It was announced Friday that because of the large ticket sale for the game and the demand for reserved seats that there was a possibility of erecting bleachers at the west end of the coliseum in order to take care of the crowd. It is estimated that two or three hundred more people could be accommodated in this manner.

Reports from the Purdue camp indicate that Coach Lambert's men are looking for a hard battle and are training accordingly. Earlham has developed a defense that few teams are able to fathom with any degree of success and the Bollermakers realize this fact. In Miller they claim to have the best back guard in the conference and the Quakers will experience difficulty in penetrating his defense.

## FOUNTAIN CITY FALLS BEFORE BOSTON FIVE

BOSTON, Ind., Dec. 31.—Boston Suburban League team defeated the Fountain City team on the local floor Thursday night by a 16 to 13 score. The game was a good net game, although the locals had the better of the argument from the start. Samuels, Boston center, was the star of the contest, dropping shots through from all angles. Harrison was the big man for Fountain City.

Boston has now won three out of four games in the Suburban League and looks good to carry off the honors of the season. They have a strong lineup and a bunch of likely reserves. In Kitchel and Davis the locals have a defense that is hard for any team to penetrate. They have kept the score in every game of the season. Next Tuesday night Boston will play the Williamsburg Independents at Boston. This is expected to bring out the best the local team can show in basketball, and a lively tussle is predicted. Thursday's score follows: Boston (16) Fountain City (13).  
Ballinger ..... Mercer  
Fouts ..... Beall  
Samuels ..... Buckhoffer  
Kitchel ..... Lacey  
Davis ..... Hampton  
Substitutions—Harrison for Buckhoffer.

## Lynn and Campbellstown To Mix Things Friday

LYNN, Ind., Dec. 31.—Lynn and Campbellstown will mix things up on the floor at Lynn Friday night in a Suburban league game that promises to be one of the best staged thus far. Both of these towns have a team that is playing high class ball, and the one that hangs up a victory will be counted the strongest in the league.

Campbellstown is coming with their regular lineup with one exception, Harris, star forward, being laid out because of injuries. Lynn will have its regular team on the floor.

## CONSPIRACY IS CHARGE AGAINST SOX PLAYERS

(By Associated Press)

CHICAGO, Dec. 31.—The charge under which it is hoped to extradite White Sox baseball players on charges of throwing games in the 1919 world's series is conspiracy, according to an announcement today from the state attorney's office. Conspiracy is a felony and an extraditable offense.

Chief Justice McDonald, it was announced, has drawn the assignment of the indicted White Sox players and others connected with the baseball expose.

It has been intimated that attorneys representing the defense, will

ask a change of venue in event there is no change made in the assignment of the cases before they are brought to trial.  
Judge McDonald's activity during the grand jury investigation which resulted in the indictment of the ball players, is responsible for this attitude of the defendants attorneys, it is said.

## Gain From Fumble Wrong, Says Zuppke

(By Associated Press)

CHICAGO, Dec. 31.—Coach Robert C. Zuppke of Illinois, attending the convention here of the national intercollegiate association advanced a new idea for a football rule today, asserting that a gain or score made by a man who recovers a fumbled ball should not be counted. The man who usually makes such a gain or touchdown is one who might be termed a "loafer" on the team, who lags behind waiting for such an opportunity, he said.

The man responsible for the fumble and the possible subsequent touchdown is punished enough by the loss of the ball in his opinion.

# Resolved

## Mrs. HOUSEWIFE

### Make this New Year's Resolution

That drudgery need not be a part of your housework. Mothers make it possible to have closer companionship with your children. Be their playmate as well as taking care of them. This you cannot do if tied down to the drudgery of weekly washing.

In justice to yourself and family you should make a resolution to take advantage of the family service offer by the modern laundry, which has the facilities to assume the burden of your family washing.

The modern methods have been so perfected that even the most competent laundress cannot equal the work the modern laundry does.

Again we say make this resolution that you will pack your washing in the laundry bag and call 2766, and the wash trouble of the week will be over.

Ours is this kind of a modern laundry, ready at the ring of the phone to start on our way to relieve you of wash day troubles and at a definite time have the washing back clean and finished perfectly.
