The Tell Tale of Gray Hair

To be judged ten years older than you actually are, is the tell-tale of gray, streaked hair, which detracts from a youthful appearance as much as a wrinkled face does.

Women, everywhere, prefer the easy, harmless "Brownstone" method that tints gray, streaked, faded or bleached hair, instantly, to any shade of brown or black.

Without injury to hair or scalp, "Brownstone" imparts natural, lasting colors that defy detection. Does not rub or wash off, and requires just a few moments to apply.

Guaranteed absolutely harmless. Druggists everywhere sell it, and recommend "Brownstone." Two sizes—\$2 and \$1.50 with easy, complete directions. Two colors—shading from "Golden to Medium Brown" and "Dark Brown to Black."

Special Free Trial Offer. For a free trial bottle of "Brownstone" send to The Kanton Pharmacy Co., 600 Coppin Eide, Covington, Ky. Enclose no money, we pay postage, packing and war tax.

Home-made Remedy Stops Coughs Quickly

The best cough medicine you ever used. A family supply easily made. Quickly made. Saves about \$2.

You might be surprised to know that the best thing you can use for a severe cough, is a remedy which is easily prepared at home in just a few moments. It's cheap, but for prompt results it beats anything else you ever tried. Usually stops the ordinary cough or chest cold in 24 hours. Tastes pleasant, too—children like it—and it is pure and good.

Pour 2½ ounces of Pinex in a pint bottle; then fill it up with plain granulated sugar syrup. Or use clarified molasses, honey, or corn syrup instead of sugar syrup, if desired. Thus you make a full pint—a family supply—but costing no more than a small bottle of ready-made cough syrup.

And as a cough medicine, there is really nothing better to be had at any price. It goes right to the spot and gives quick, lasting relief. It promptly heals the inflamed membranes that line the throat and air passages, stops the annoying throat tickle, loosens the phlegm, and soon your cough stops entirely. Splendid for bronchitis, croup, hoarseness and bronchial asthma.

Pinex is a highly concentrated compound of Norway pine extract, famous for its healing effect on the membranes. To avoid disappointment, ask your druggist for "2½ ounces of Pinex" with directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Wayne, Ind.

Many Apply to Class in Dress Form Making

Applicants for instruction in the home dress form making course conducted by the night school are swamping the department, says an announcement. This, however, is not curtailing the work, for an effort will be made to take care of every applicant.

Night schools class became so large that beginning Friday a class will be taught each Monday and Friday at 1:30 o'clock at the Baxter school under Miss Bertha Larsh. Twenty-five members have been enrolled to start Friday. Following the instruction in Baxter school, classes will be taught in Starr school.

Miami Fraternities Choose Feb. 12 for Invitation Day

OXFORD, O., Feb. 3.—Saturday, February 12, has been chosen as the day for fraternity invitations at Miami university. Many graduates and former students are expected back for the ceremonies. In the early part of the evening Miami will play basketball with the University of Cincinnati; later banquets will be held at all the fraternity houses.

TURN HAIR DARK WITH SAGE TEA

If Mixed With Sulphur It Darkens So Naturally Nobody Can Tell.

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's recipe, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy fixing it at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound." It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive—Advertisement.

Chiropractic

—for the Restoration of Health

So remarkable for the restoration of health has the science of Chiropractic been, and so little is known by the public in general as to what Chiropractic is and to what extent it will overcome both acute and chronic disease and sickness, that we feel it is a duty we owe the citizens of this community to inform them how they can be successfully relieved from the many ailments to which the body is subject. Chiropractic is comparatively a new science. Today there are over 10,000 Chiropractors in the country, many of whom were medical doctors prior to their acquaintance with Chiropractic. The progress of the science has been rapid, but the advancement has been made only so fast as the public was educated as to what Chiropractic is and what it will accomplish.

We invite investigation.
