

FRENCH BLUEBEARD POSTPONES TRIAL TO STUDY 7000 PAPERS

(By Associated Press)
PARIS, Feb. 8.—Henri Desire Landru, under indictment charged with the murder of 11 women to whom at various times he had promised marriage, and whose trial before the French Assises had been set for March 1, has succeeded in obtaining another postponement of his trial. Landru has been in jail for two years and recently was sentenced to five years in jail and subsequent deportation for swindling.

Under French law, a man accused of crime has to take cognizance of the dossier in his case before facing the jury. He may make a fight upon the legality of any of the documents being submitted to the jury.

The dossier in Landru's case includes 7,000 documents, all of which have to be copied, as the public prosecutor does not trust the originals in the hands of the accused. The work of copying the documents will occupy more than a month.

Will Challenge Documents.
Landru has informed the court that he will require several weeks in which to study the documents as he intends to challenge all of them as irrelevant.

Landru caused considerable delay and annoyance to Judge Bonte while the latter was investigating the case and now that it has been turned over to the prosecutor of the republic he has adopted the same tactics.

To one of the assistants of the prosecutor who reproached him with procrastination saying that French justice has other things to look after than the Landru case, the alleged Gambais Bluebeard replied:

"Then why don't you let me go, I am perfectly willing." Then he added: "How I miss Judge Bonte. At least, he was a gentleman."

Shoplifters Secure Over \$300,000 in Cleveland

(By Associated Press)
CLEVELAND, Feb. 8.—More than \$300,000 were secured from Cleveland department stores by shoplifters last year, according to a report of a survey made by Frank J. Merriek, former assistant county prosecutor, for the retail merchants board of the Chamber of Commerce.

As a result of the disclosures made by Mr. Merriek, the merchants are preparing to inaugurate a bureau of their own for their prosecution of cases against persons charged with shoplifting and similar crimes.

A school for the training of store detectives and department managers is planned. The plan also contemplates enactment of legislation which would make shoplifting a felony.

PICTURESQUE

(Continued from Page One)

which he took Governor Goodrich to task because the latter had gone to Turkey Run to attend a political meeting at a time when the tax bill was pending.

Neid's it is understood will stand to the finish against amendment of the primary law. It is no secret that he has congressional ambitions and he is said to have told some of his friends that it was by means of the primary that he was able to come to the legislature. Neid's friends believe that he regards the retention of the primary and a new tenth congressional district as essential to his political future.

Change Unlikely.

The opinion was expressed today that a provision that congressional nominations shall be made by direct primary might lessen Neid's opposition to the amendment of the primary law. Friends of Neid said this theory overlooked the fact that he was sincerely for the primary law as it stands now and also they said even if he desired to do so Neid could hardly change his position.

It is realized by the pro-primary men that their opponents made a wise move when they decided to provide for the compulsory use of the primary in making city and county nominations. This plan would leave the people to vote directly on the nomination of most of their officers. In the Beardsley bill the method of making local nominations was left optional.

Local Senate.

It was realized that this was a bad feature because it left the bill lacking in positive character. But as has been said the fight for the Beardsley bill was made largely within the senate and did not have the advantage of the master minds that are now working on the question.

Some of the senators were saying today that if the primary question reaches the senate again Senator Neid will have a better opportunity to talk about outside pressure than he did when he was fighting the Beardsley bill.

Probe School Finances.

A joint resolution introduced by Senator Hartzell Monday afternoon and looking to a careful investigation of the finances of Purdue university, Indiana university and the State Normal School was the subject of considerable comment today.

It was significant that Senator Hartzell after some difficulty had the resolution sent to the judiciary A committee of which Senator Kiper is chairman.

Sensor Kiper is said to be one of the senators who is not satisfied with the information that has been supplied for the legislature on which they must reach a conclusion as to the amount of money that shall be devoted to the higher educational institutions.

It was the opinion today that the investigation proposed by Hartzell will "get somewhere" because a definite time has been fixed for a public hearing. If the terms of the resolution are carried out a joint committee of twelve will hold a hearing at 10 o'clock in the morning of Feb. 14, and heads and other representatives of the higher institutions as well as representatives of private normal schools of the state will be called.

The fact that aside from the state institutions, the resolution was directed to the higher educational institutions.

WANTS TO HELP OTHER MOTHERS.
Mrs. Wm. Sager, 901 N. 10th St., Elletts, N. Y., is glad to write anything that helps a mother with her children. My little girl had whooping cough and I was afraid she would die. I gave her Foley's Honey and Tar and it helped her wonderfully. The child is now almost all right and coughing. This cough syrup checks colds, stops coughing, cuts phlegm and cures raw, inflamed membranes with a healing coating. A. G. Luken & Co., 626-628 Main St., Richmond, Ind.

HUNGARY NOW HAS "FUEL LINE" AS WELL AS BREAD LINE

Scene showing people of Budapest standing in line to receive a small bundle of brush for fuel.

The need of fuel is so great in Hungary that the government has gathered what available brush wood can be obtained and is doing it out in small bundles on the banks of the Danube. The people stands hours in line to receive enough wood to cook a warm meal. The great forests of Hungary were in that district, but were cut off by the diplomats at Versailles.

son were at the Masonic social gathering Friday night.

HOW TO REDUCE VARICOSE VEINS
Many people have become despondent because they have been led to believe that there is no remedy that will reduce swollen veins and bunches. If you will get a two-ounce original bottle of Moore's Emerald Oil (full strength) at an first class drug store and apply it at home as directed you will quickly notice an improvement which will continue until the veins and bunches are reduced to normal.

Moore's Emerald Oil is very concentrated and a bottle lasts a long time—that's why it is a most inexpensive treatment. It has brought much comfort to worried people all over the country and is one of the wonderful discoveries of recent years and always bear in mind that anyone who is disappointed with its use can have their money refunded. Generous sample on receipt of 15 cents, silver or stamps. International Laboratories, Rochester, N. Y. Your druggist or A. G. Luken & Company or Dafer Drug Co. can supply you.—Advertisement.

Have You Piles?
Thousands who have piles have not learned that quick and permanent relief can only be accomplished with internal medicine. Neither cutting nor any amount of treatment with ointments and suppositories will remove the cause.

Bad circulation causes piles. There is a complete stagnation of blood in the lower bowel and a weakening of the parts. Dr. J. S. Leonhart was first to find the remedy. His prescription is HEM-ROID from Quigley's drug stores internally, that is now sold by druggists generally. Dr. Leonhart tried it in 1000 cases with the marvelous record of success in 98 per cent, and then decided it should be sold under a rigid money-back guarantee.

Don't waste any more time with outside applications. Get a package of HEM-ROID from Quigley's Drug Stores today. It has given safe and lasting relief to thousands of people, and should do the same for you—it seldom fails.—Advertisement.
