

UNIFORM RULE TAXES HAVE FEW BACKERS IN OHIO LEGISLATURE

COLUMBUS, O., March 2.—"There have never been so few proponents of the uniform rule taxation feature as are in this legislature," says an observer of agricultural legislation here, in discussing agriculture's stand on the new tax laws.

It is fully expected, by those who have been watching taxation developments, that the Silver resolution or something like it, will be adopted. This contemplates an income tax, breaks the uniform rule, limits the rate on real estate to one and one-half percent and provides that real estate shall pay only one tax, either direct or income. John H. Chester, president of the Cornstalk club, is the leader of the uniform-rule legislators. A majority of the club, however, are on the other side. Chester has been giving out statements attacking O. E. Bradute, president of the Ohio Farm bureau; L. J. Taber, master of the State Grange and C. A. Dyer, secretary of the Ohio Home Protective league, charging they are misrepresenting the wishes of the rank and file of their organizations. The three are for something in the nature of the Silver resolution, primarily for an income tax. They assert they have the backing of their executive committees in their positions. Taber and Secretary Lincoln of the Farm Bureau have been announced they will call a meeting of representatives of granges and farm bureaus from every county for a discussion of tax problems.

Chief Argument. The chief argument against the uniform rule is that it has been in the constitution for 70 years and never has been enforced, although penitentiary penalty is possible for failure to list all property. The only way to get intangibles to help pay revenue is to impose an income tax, it is contended by those who formerly favored the uniform rule but now are opposed to it. They still oppose classification, they assert, adding there is no danger of a classification law passing the assembly. In order to protect real estate from double taxation under an income-tax system, it is asserted, the words "uniform rule" will have to come out of the constitution. When the legislature reconvenes March 7, it expects to have submitted to it the tax proposal of Governor Davis citizens' committee of nine members, which has been studying the problem. If the proposal, which likely will be a constitutional amendment, is adopted by the legislature and approved by the people in November, there is to be a special taxation session of the assembly next January.

KEEP LOOKING YOUNG
It's Easy—If You Know Dr. Edwards' Olive Tablets
The secret of keeping young is to feel young—to do this you must watch your liver and bowels. There's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver. Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities. Dr. Edwards' Olive Tablets are known by their olive color. 15c and 30c. GRANDMOTHER KNEW
There Was Nothing So Good for Congestion and Colds as Mustard

But the old-fashioned mustard-plaster burned and blistered while it acted. Get the relief and help that mustard plasters gave, without the plaster and without the blister. Mustardole does it. It is a clean, white ointment, made with oil of mustard. It is scientifically prepared, so that it works wonders, and yet does not blister the tenderest skin.

Gently massage Mustardole in with the finger-tips. See how quickly it brings relief—how speedily the pain disappears. Use Mustardole for sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bite, colds of the chest. It often prevents pneumonia. 5c and 10c jars; hospital size \$3.00.

The Young Mother

Youth with its vitality makes for the young mother's health and happiness. But later maternal experiences bring a different result. The care of a family, multiplied household duties, and very often the weakness caused by womanly disease, tend to prolong the suffering and to make convalescence a slow and weary process. Many women—perhaps your own neighbors—have had beneficial experience with Dr. Pierce's Favorite Prescription which prepares the prospective mother. It promotes the appetite, ends nervousness and sleeplessness, and gives a consciousness of buoyant health. It is unexcelled as a strength-giving tonic for mothers during the period of convalescence. This Favorite Prescription was used by Dr. Pierce with great success over 50 years ago. It's still good today. Ask your neighbor!

South Bend, Ind.—"At one time I commenced to go down in health until I was where I hadn't strength enough to do my housework and take care of my baby. I took several different medicines recommended to me but it was not until I took Dr. Pierce's Favorite Prescription that I felt any improvement. I took five or six bottles and felt better and stronger than I had in years. This medicine strengthens and builds up the entire womanly organism better than any other medicine I know of."—MRS. BERT DORMAN, 922 N. Stanfield.
