

WIN FOR QUAKER FIVE HOPE OF EARLHAMITES IN TEAM'S LAST GAME

Earlham meets Franklin tonight in the last game on the Quakers' basketball card. The locals will make every attempt to end the season with a mark in the winning column although the Thurberites are known to have a strong quintet and are expected to put up some stiff opposition. The game will start at 7:45 with a preliminary encounter scheduled between two teams from the Bundy dormitory men.

The Maroon and White warriors have one victory over the Baptists to their credit this year and should make it two wins over the down-state outfit. Franklin, however, has been hitting a fast pace for the last few weeks and have added some new material to their roster which may upset the predictions. Tuesday night they defeated the fast Butler five on the Franklin floor by the score of 31-27.

Coach Mow of Earlham who witnessed the fracas, stated that the Butler aggregation obviously had an off night, although Thurber's men put up a fast game of ball. The main cog in the Franklin machine, according to the Quaker mentor was the center who has been added to the Franklin squad since the holidays.

Probable Line-up.
Mow will probably start the game tonight with the following line-up: Lawler and Townsend, forwards; Carey, center; Goar and Hall, guards. Hall's advent into the contest is a matter of speculation but Mow believes that his physical condition will permit him to get into the fray. The above line-up should bother the Franklinites as any man on the team may be counted on for some points.

Before the main contest a farcial game will be put on by the men of the college. The collegians have spent much time in preparation for the production and guarantee that it will be a sure gloom chaser.

Contract Jumped is Refused Job This Year

(By Associated Press)
PHILADELPHIA, March 3.—Walter Kinney, a left-handed pitcher, who jumped his contract last year with the Philadelphia American League baseball team to play with the Franklin, Pa., club, yesterday asked Manager Mack at the spring training camp in Lake Charles, La., for reinstatement. He was told, according to a dispatch from Lake Charles today, that his action automatically barred him from organized baseball for five years and that in order to obtain reinstatement he would have to apply to Judge Landis. Kinney said he would get in touch with Judge Landis at once.

Tourney Favorites

Richmond High School

Front row, left to right: Loehr, center; Rost, forward; Harkins, forward; Lohman, guard; Green, guard. Back row: Null, coach; Spaulding, guard; Brehm, forward; Graffis, guard.

Richmond high school basketball team is the favorite for the district basketball tournament to be held here Friday and Saturday, March 4 and 5, in the Coliseum, in what promises to be the most hotly contested tourney ever held in Richmond.

Although the wearers of the red and white have not won all their games, they are thought to have the best team in this district, and it is predicted that Connersville will be the only obstacle in their way for the championship.

Richmond has a victory over the Fayette county lads which gives them a slight edge. The dope bucket has

been kicked over so many times that it can be little depended upon.

Coach Null has been sending his men through stiff practices this last week in preparation for the coming two day fest. The red and white warriors, although light, are exceptionally fast and will depend upon their speed to carry them through the championship.

After trying many combinations, Coach Null has picked what he thinks will be a winning combination in Harkins, and Rost at forward, Loehr at center, Lohman and Green at guard. He thinks that with this lineup he can bring the lost laurels of last year back to Richmond.

EVERYTHING IS IN READINESS FOR TOURNEY; PERSONNEL OF COMPETING FIVES ANNOUNCED

Everything is in readiness for the annual Indiana high school basketball classic to be held at the Coliseum Friday and Saturday, according to the announcements made by the management at the local high school, Thursday. Everybody is on edge for the opening game between Brownsville and Fairview which will start the ball rolling at 9 o'clock, Friday morning.

The high school students will assemble at the high school at the regular hour Friday morning in the auditorium where a few instructions will be given the students followed by a short parade over the business district of the city to start the tournament off right.

Require Entry List.
Every team is required to send in an entry list of 10 men to the Permanent Secretary Trester. This list was forwarded to the manager of the district where they are to compete. Only eight of these players will be allowed to compete and they will be announced on their arrival here Thursday or Friday. Following is the list of entries:

THE TRUTH ABOUT ECZEMA AND PILES

Thousands and thousands of people, says Peterson of Buffalo, are learning every week that one 35 cent box of Peterson's Ointment will abolish eczema and banish piles, and the grateful letters I receive every day are worth more to me than money.

"I had eczema for many years on my head and could not get anything to stop the agony. I saw your ad and got one box and I owe you many thanks for the good it has done me. There isn't a blotch on my head now and I couldn't help but thank Peterson for the cure is great."—Miss Mary Hill, 420 Third Avenue, Pittsburgh, Pa.

INDIANA AND PURDUE MIX THINGS TONIGHT

BLOOMINGTON, Ind., March 3.—Indiana and Purdue—ancient rivals, both in line for the Western Conference title, and both with a certain prestige to maintain in state athletics—will meet here tonight in the basketball classic of the 1921 season. To night's contest will not settle the Big Ten title, but the winner will have a fighting chance to top the league. The University of Illinois is now in the lead, but the Suckers have two hard games ahead of them, and a defeat in either one would give the winner of tonight's game an excellent opportunity to finish out in front.

The conference standing previous to tonight's game follows:

Team	Won	Lost	Pct.
Illinois	7	3	.700
Indiana	6	3	.667
Purdue	6	4	.600
Michigan	6	4	.600
Wisconsin	6	4	.600
Minnesota	5	4	.555
Iowa	5	4	.555
Chicago	5	6	.455
Ohio State	6	6	.500
Northwestern	4	9	.300

Both the Crimson and the Boile Makers apparently are ready and in good shape for tonight's battle. Coach Lambert at Purdue says his men are ready and Coach Levis, at Indiana, reports his squad in condition.

The past record of games between the two universities shows Indiana leading the Boile Makers. Since 1903 basketball teams representing the institutions have met in thirty-four contests, twenty-nine of which have resulted in victories for Purdue and only five in wins for Indiana.

The first game this season, played at Lafayette, January 28, resulted in a victory for Purdue, 27 to 19. The Indiana team has braced since that defeat, however, and has been making a great record.

Wrestle Over Five Hours; Spectators Call It Off

BANGOR, Me., March 3.—After struggling five and a half hours for wrestling supremacy, Tom Davis, former captain of the University of Maine football team, and Ernest Abbott, a former Colby college athlete, were forced to quit last night from exhaustion. Spectators demanded the long contest be called off and the referee declared it a draw.

STOMACH ON A STRIKE

"Pape's Diapiesin" puts Sour, Gassy, Acid Stomachs in order at once!

Wonder what upset your stomach—which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sick, gassy and upset, and what you just ate has fermented and turned sour; head dizzy and aches; belch gases and acids and eructate undigested food—just eat a tablet or two of Pape's Diapiesin to help neutralize acidity and in five minutes you wonder what has become of the indigestion and distress.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless antacid is Pape's Diapiesin, which costs so little at drug stores.—Advertisement.

Roger Hornsby to Be Used at Third Base This Year

(By Associated Press)
ST. LOUIS, Mo., March 3.—Rogers Hornsby, National League batting champion, will be used at third base by the St. Louis Nationals when the series with the Philadelphia Americans starts in Houston Saturday, according to a dispatch from Orange, Tex., where the Cardinals are training.

Hornsby will fill the gap occasioned by the non-appearance of Milton Stock and second base will be taken care of by George Torporcar, of Syracuse, N. Y., who has attracted favorable comment in his early performances despite the fact that he wears spectacles while playing.

Advices from Bogalusa, La., where the St. Louis Americans are training, indicate the pitchers are having all the best of it as a result of an extra work week. In a game between the "regulars" and "yanigans" yesterday the former won 4-0.

BOBBY BYRNE, MANAGER.

(By Associated Press)
ST. LOUIS, Mo.—Bobby Byrne, former third baseman for Pittsburgh and St. Louis in the National league, has signed as manager of the Miami, Okla., team in the new Southwestern league, and also will act as captain. It was announced here today by Benny Myers, president of the club.

Myers has signed 31 players from St. Louis and nearby towns and will start them in training here March 23.

BABE TO BAT THIRD IN TENTATIVE LINEUP

(By Associated Press)
NEW YORK, March 3.—Tentative plans for the lineup and batting order of the New York Americans as announced by Manager Miller Huggins, at the Shreveport training camp place "Chick" Fewster in the lead off position, Roger Peckinpaugh next, and "Babe" Ruth third, and Frank Baker, fourth.

Baker, who was signed Tuesday, will play at third, while Aaron Ward will be shifted to second. Peckinpaugh will be at short and Willie Pipp at first. Bob Meusel, who has not yet signed, probably will alternate with Pipp. Wally Schauf will have the bulk of the backstop work. Fewster will be groomed for the left field; Bobby Roth is slated for right field and the "Babe" for center.

Manager McGraw was due to arrive in the New York Nationals camp at San Antonio today, along with a number of regulars. The rest of the squad, under the care of assistant manager, Hugh Jennings, have been prevented from engaging in actual workouts because of rain.
