You feel sin in a few moments. Your cold in head or catarrh will be gone. Your clogged nostrils will open. The air passages of your head will clear and you can breathe freely. No more dullness, headache, no hawking, snuffling, mucous discharges or dryness; no struggling for breath at night. Tell your druggist you want a small bottle of Ely's Cream Balm. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, and relief comes instantly.

It is just what every cold and catarrh sufferer needs. Don't stay stuffed-up and miserable.—Advertisement.

Centerville Township Farmers Meet Monday

CENTERVILLE, Ind., March 4.—The regular monthly meeting of the Centerville township farmers' association will be held on Monday evening, at 7:30 o'clock in the school building. The first Monday of each month is the regular meeting night.

Careless Shampooing Spoils the Hair

Soap should be used very carefully. If you want to keep your hair looking its best. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and ruins it.

The best thing for steady use is Mulsified coconut oil shampoo (which is pure and greaseless), and is better than anything else you can use.

One or two teaspoonfuls of Mulsified will cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes an abundance of rich creamy lather, which rinses out easily, removing every particle of dust, dirt, dandruff and excessive oil. It leaves the scalp soft and the hair fine and silky, bright lustrous, fluffy and easy to manage.

You can get Mulsified coconut oil shampoo at any pharmacy, it's very cheap, and a few ounces will supply every member of the family for months. Be sure your druggist gives you Mulsified.—Advertisement.

DROPSY TREATED FREE

By Dr. Miles, the Great Specialist, Who Sends a \$3.75 Trial Treatment Free.

Many Report Cured After Doctors Failed.

At first no disease is apparently more harmless than dropsy; a little swelling of the eyelids, hands, feet, ankles or abdomen. Finally, shortness of breath, cough, faint spells, sometimes nausea and vomiting, and a lingering and wretched death if the dropsy is not cured.

Dr. Miles has been known as a leading specialist in these diseases for 30 years. His liberal offer of a \$3.75 Treatment free to all sufferers is certainly worthy of serious consideration. You may never have such an opportunity again.

The Grand Dropsy Treatment consists of four dropsy remedies in one—also Tonic Tablets and Pura-Laxa for removing the water. This treatment is specially prescribed for each patient and is three times as successful as that of most physicians. It usually relieves the first day, and removes swelling in six days in most cases. Delay is dangerous.

Send for Remarkable Reports of Cures. All afflicted readers may have Book Examination Chart, Opinion, Advice, and a Two-Pound Trial Treatment free. Write at once. Describe your case. Address, Dr. Franklin Miles, Dept. DA, 128 to 138 Franklin St., Elkhart, Ind.—Advertisement.

ACCOUNTING SCHOOL HELD FOR FARMERS

LIBERTY, Ind., March 4.—An accounting school for farmers is being conducted today under the supervision of Foster Campbell, Union county agricultural agent, and J. L. Dolan, agent for Wayne county.

These schools have proven so popular in Wayne county, where several have been held, and there has been so much demand for one in Union county, that it was decided to hold one; and County Agent Dolan was invited to assist in the instruction.

The procedure is to carry through a complete account for the whole year, making the proper entries in the book, and figure balances, costs and receipts at the end. This problem gives practice in use of the book, and "pupils" invariably take extra books with them to use in keeping accounts on their own farms. A valuable "by-product" of the school and the farm accounts is an ability to figure income tax without cheating himself.

ELLER LEFT AT POST ON NATIONALS' TRIP SOUTH (By Associated Press)

CINCINNATI, March 4.—Except for Hod Eller, who missed connection at St. Louis, Pat Moran's squad of Cincinnati National league players that left Cincinnati Wednesday arrived in tact at the Cisco, Tex., training camp last night. Eller is expected to reach there today. Catcher Bubbles Hargrave joined the party at Ft. Worth, coming from Kansas City.
