Mr. Friedman Says, Let 'er Go! I'm Through!!!

Mr. J. Friedman, general manager and owner of the Grand Leader, is going out of business forever, on account of ill health. Mr. Friedman has been in ill health for the past 12 months, and has been advised by his physicians to quit business and cease activities. Mr. Friedman regrets very much to part with the good people, friends and acquaintances that he has made in his location in Richmond and thanks the people of this community for the kind patronage that has been bestowed upon him while he has been in business here. As a fitting climax to his successful career the Grand Leader is closing out the entire stock that has made such an enviable reputation for this store, at the most amazing prices for a quick clean-up. The prices will speak for themselves. Read every item and compare the prices with their real worth. The entire stock must be sold in a limited time, therefore these ridiculously low prices. Time is short and we must dispose of our stocks in a limited time.
