

## OUT ON PROBATION, FLORY, GREENVILLE, MUST SUPPORT SONS

GREENVILLE, March 7.—A suspended sentence of one year in the Darke county jail was given Edward Ellis Flory Saturday afternoon in common pleas court, after his indictment last October by the grand jury and his plea of guilty to the charge of non-support of his two minor sons. Flory has been an inmate of the county jail since his indictment last October. He was released on probation for two years, and John W. Garber, of Greenville, was named as probation officer. In addition to the suspension of the jail sentence, the conditions of Flory's probation are that he pay \$15 by April 1, to the clerk of courts for the support of his two minor sons, and that the last of every month thereafter for a period of two years he pay to the clerk the sum of \$25, to be used for their support. A plea for leniency was made on Flory's behalf before Judge Teegarden by Edwin C. Wright, his attorney.

**Greenville Loses Out.**  
Greenville high school basketball fans were disappointed Saturday when they learned of the elimination of the Green and White team from the state tournament at Delaware. Greenville was victorious in the first round, defeating the neighboring village of Bradford by the score of 19 to 12, but in the second frame they were decisively beaten by the Delaware high school team, the score being 19 to 5.

**Albert Coombs Dies.**  
Albert Coombs, 49, long a resident of Greenville, passed away at his home, 115 East Third street, Saturday, death being caused by tuberculosis. Mr. Coombs was survived by three brothers, Will, Charles and John, all of whom reside in this city, and by two sisters, both living in Los Angeles. He was unmarried. Funeral services were held Monday from the residence, with Rev. C. W. Hoefler officiating. Interment in Greenville cemetery.

**Historical Society Meets.**  
An interesting meeting of the Greenville Historical Society was held here Friday night, which was well attended by the members. One of the chief events of the evening was a talk by W. D. Brumbaugh, recently returned from a tour of the European battlefields, and other points of interest on the other side. Miss Lottie Leas, Mrs. Rebecca Leas, C. M. Davenport, Smith O'Brien, Walter Pohlman, and L. C. Aukerman were elected to membership in the society. A committee consisting of Colonel George Gunkel, Major Charles Slade and Attorney W. D. Brumbaugh was appointed to consider ways and means of securing an appropriation for a suitable monument or memorial to be erected on the site of the signing of Wayne's treaty with the Indians.

Here are facts that  
interest the mother  
and father of every  
child in America

Do your children get sufficient energy food  
—so necessary for growing youngsters?

**FOOD EXPERTS** have been finding out many new things about how we are nourished. One of the most important is about **Dextrose**, the great energy food—the sugar that is absorbed right into the blood to build up your strength and energy.

You could not live long without **Dextrose**. Most of the food you eat—such as bread, starchy vegetables, and all forms of sugar—has to be changed into **Dextrose** before your system can use it as energy food.

This interests millions of women who have **Karo** on their table almost every meal—in some form. **Karo** contains a very large percentage of **Dextrose**.

### Karo—A Predigested Food

So **Karo** may almost be said to be a **predigested food**. These are scientific facts, supported by the very highest medical authorities. This undoubtedly explains the wonderful popularity of **Karo** as a national syrup—used by everybody. Send for the free booklet mentioned below and read all the facts.

Every mother wants her boys and girls to be rugged and sturdy. Give the youngsters plenty of **Karo**—on cakes and spread on bread.

**Karo** is a great energy food—pure, wholesome, and economical. It can be used so many ways—for cooking, baking, candy making. Or as a spread on bread, pancakes or biscuits. Many use it instead of preserves; or to stew prunes and dried fruit with it.

**FREE** A booklet every parent should read. Tell all about the wonderful food value of **Karo**; explains the meaning of **Dextrose** and why children thrive on it. Sent free with the beautifully illustrated **Corn Products Cook Book** of 64 pages. Write **Corn Products Refining Co., Argo, Ill.**

### Your Protection

Do not be deceived by cans containing syrup that might look like **Karo**. The name "**Karo**" is on every can of original **Karo**—look for it and be assured of full weight and highest quality.

### BLUE Karo

The standard table syrup. Also for cooking, baking and candy making. Light brown color, delicious flavor—a heavy-bodied syrup.

### RED Karo

The Ideal Syrup for every use—for cooking, baking, candy making and preserving. Because of its honey-like appearance many prefer it as a spread for cakes, biscuits, breads.

### GREEN Karo

Flavored with highest grade real maple sugar. Very moderate in price—absolutely pure. The makers of **Karo** are the world's largest users of the highest grade maple sugar—over a thousand tons used annually.
