

EATON ISSUES FIRST MARRIAGE LICENSE SINCE FEBRUARY 24

EATON, O., March 16—Lethargy in was broken Tuesday when a marriage license was issued to Clinton Locke, 41, tinner, Gordon, O., and Lillie L. Hamiel, 39, merchant, Verona. It was the first license issued in Probate Judge Landis' office in three weeks.

Hack Suit Ended

Two common pleas court actions have been compromised and dismissed. Hazel R. Collier and the board of education of Eaton school district compromised a suit in which she sought to recover \$206.50 for services as driver of a school hack. The case was to have been tried Tuesday. Ida Neal and Washington Vance compromised a suit in which she sought to recover on a \$300 note.

Candidates Initiated

Twenty-five candidates received the third and fourth degrees at the hands of Eaton grange in a meeting Tuesday night. Eats were served after the work and the meeting closed with a social session.

The burial of Leroy Hickman, 52, native of Preble county, who died at his home in Anderson, Ind., were held here Wednesday morning in Mound Hill cemetery, after brief services at the grave. Funeral services proper were held in Anderson.

Mr. Hickman was born in Dixon township and lived in Preble county until about 30 years ago, when he removed to Anderson. He was a son of Mr. and Mrs. John Hickman, who now reside in Anderson. His wife died a few years ago.

Fair List Revised.

Revision of the premium list for the 1921 Preble county fair has been completed by the county fair board, and bids for printing the list will be received here Saturday in a board meeting.

The board executive committee has under consideration a proposition submitted by the federated women's clubs of the county for establishment of a rest room on the fair grounds, for convenience of women during the week of the fair.

Suburban

BACKACHE OF WOMEN

The back is often called the main-spring of a woman's life. What can she do, where can she go, so long as that deadly backache saps every particle of her strength and ambition? She cannot walk, she cannot stand, her housework is a burden, or the long hours behind that counter, in the office or factory are crushing. She is miserable. The cause is many times some derangement of her system, and backache is a common symptom. Lydia E. Pinkham's Vegetable Compound is a reliable remedy for backache, as for more than forty years it has been relieving women of America from the aches which often cause it.

BEATS GASOLINE AT 15 CENTS A GALLON

New invention makes Fords Run 34 Miles on Gallon of Gasoline and Start Easy in Coldest Weather. Other Cars Show Proportionate Savings.

A new carburetor which cuts down gasoline consumption of any motor, including the Ford, and reduces gasoline bills from one-third to one-half is the proud achievement of the Air-Friction Carburetor Co., 395 Madison St., Dayton, Ohio. This remarkable invention not only increases the power of all motors from 30 percent to 50 percent, but enables everyone to run slow on high gear. It also makes it easy to start a Ford or any other car in the coldest weather without previously warming the motor. With it you can use the very cheapest grade of gasoline or half gasoline and half kerosene and still get the power and mileage that you now get from the highest grade gasoline. Many Ford owners say they now get as high as 45 to 50 miles to a gallon of gasoline. So sure are the manufacturers of this invention that their new carburetor will make that offer to send it on 30 days' trial even if you can't believe it can be done. If you are interested in it, anyone, all readers who want to try it should send their name, address and telephone number to the manufacturers at once. They also want to know whom they offer exceptionally large profits. Write them today.—Advertisement

No matter how perfect you make pancakes and waffles—what you like best is the syrup

Did you ever stop to think that what you taste most, and what you like best on your pancakes or hot biscuits or waffles—is the syrup?

In millions of households every morning Karo starts the day off for everybody. It gives just that finishing touch to the crisp brown cakes or the hot biscuits that make the meal a delight.

Karo is equally delicious for cooking, baking, candy making, or preserving. Many cooks use it to stew dried-fruit or prunes; or for candied sweet potatoes, brown breads, muffins, coffee cake or puddings.

Do you know why Dextrose is very important food?

You cannot live very long without Dextrose, the great energy food. Most of the food you eat—such as bread, starchy vegetables and all forms of sugar—has to be changed into Dextrose before your system can use it as energy food.
