## KENTUCKY GIRL WRITES LETTER

How She Was Restored to Health by Lydia E. Pinkham's Vegetable Compound

Sunnyside, Ky. — "I suffered for more than two years with my back and nervousness, and was not able to help my mother to the housework. I took treatment from two doctors and they did not do me any good. Mother saw Lydia E. Pinkham's Vegetable Compound advertised in the paper and I took about ten bottles. It has done me a great deal of good. I weigh 135 pounds and am in good health. I recommend Vegetable Compound to anyone who suffers with the troubles which I had, and you are welcome to publish my testimonial." — VELMER HENDRICK, Route 1, Sunnyside, Ky.

To many American girls life is often a heavy drag in consequence of illness, and every mother should heed the first manifestations, such as cramps, backaches, headaches and nervousness as Mrs. Hendrick did for her daughter, and give Lydia E. Pinkham's Vegetable Compound a fair trial. For over forty years this old-fashioned root and herb medicine has been relieving women of just such troubles.

Write Lydia E. Pinkham Medicine Co., Lynn, Mass., about your health.
