

CAST OF "PINAFORE" REVISED; SHIP DECK BUILT IN AUDITORIUM

Changes in the cast of "Pinfore", the high school play to be presented matinee and night of Wednesday and Thursday, March 30 and 31, have been announced. Several students named in the cast given out last month have been substituted by others. The revised list of players include the following:

Admiral Sir Joseph Porter, K. C. B., Paul Quigley; Captain Corcoran of H. M. S. Pinfore, William Romeo; Josephine, his daughter, Rhea Crandall; Little Buttercup, a bumbleboat woman, Wilma Sudhoff; Dick Deadeye, a seaman, Norman Hoefer; Ralph Rackstraw, able seaman, Kiefer Calkins.

Members of the Crew.

Russel Brown, Laurie Brown, Leonard Knoll, Norman Shellenberger, Herbert McHahon, Gordon Gaylor, Harry Thomas Floyd Nusbaum, Thomas Shumacher, Marion Zuttermeister, Gurney Mann, Orville Clark, Howard Jennings, Robert Reid, Keith Crum, Wayne Reid and T. O. Cantwell.

Ladies of the Admiralty.

Marguerite Taggart, Maxine Noblett, Alberta Gossett, Helen Mashmeyer, Mary Jones, Katherine Reid, Martha Holcomb, Helen Bentlage, Doris Puckett, Louise Spaulding, Alice Eby, Louise Bentley, Juanita Detmer, Fays Eggelster, Lucile Thurman, Ethel Tillman and Martha Eggermeyer.

As the entire action of the play takes place upon the deck of the ship Pinfore, the high school auditorium will be closed for a week preceding the production, while the stage is transformed into a ship deck. This necessitates the building of a cabin and the setting of a new backdrop. The play is given under the auspices of the student council and the receipts will go to the general treasury fund.

Both matinee performances are to open at 2:30 o'clock, and will be for school children only. Evening performances will start at 8:15. The public is invited and may have seats reserved. Costumes for the chorus are being completed by high school sewing classes.

FRECKLES

Delightful New Vanishing Cream, containing True Buttermilk, Quickly Shows a Decided Improvement.

The old time application of Buttermilk and Cream to whiten and preserve the skin and remove harsh little wrinkles and ugly sallowness is grandmother's recipe, and women throughout the country are again using it to ensure a beautiful complexion and snow white hands and arms.

Buttermilk, however, is not always obtainable, but a specialist has at last perfected a method of concentrating buttermilk and combining it with a perfect cream, which you can buy in small quantities ready to use, at any first class drug store, by simply asking for "Howard's" Buttermilk Cream.

There is no secret about it, nor is there any doubt about the result—it's just a common ordinary buttermilk in the form of a wonderful cream, gently massaged with the finger tips around the corners of the eyes and mouth.

To get the best effect, be sure to follow the simple directions. Any first class drug or department store can supply you and it costs so little that any girl or woman can afford it. Yes, and Now Drug Co., and Quigley's can supply you.—Advertisement.

Goodbye Freshman Day.

Miami university freshmen will burn the green caps which they have been wearing as class insignia since last September tomorrow night. The cap-burning will take place on the campus, and will be accompanied by a parade, music and speech making.

Dedication Delayed.

Delay on the part of the contractors will prevent the congregation of St. Mary's Catholic church from worshiping in the new church on Easter Sunday. No attempt will now be made to get into the new building until the day set for the dedication, May 29.
