HARDING INVITED TO SWIMMING POOL BALL

(By Associated Press)
WASHINGTON, April 15.—Boyhood days of President Harding, when he used to slip off to the old swimming hole in the creek near Caledonia, Ohio, were recalled by boys today in a letter in lead pencil from 12-year-old John D. Wackerman, of this city. The President's letter was in answer to an appeal from John that he attend a ball given by the ladies of the community house for the benefit of a swimming pool for boys. In explaining that he had been asked by his playmates to write the president, John said: "Mr. President, we want a swimming pool just like you would if you were a boy, so please come. I told the boys that I did not believe any president would let us know without a swimming pool, which would let us have it by paying 50 or 75 cents for a ticket for a ball. If you come, everybody will come, and we can have our swimming pool, so please come."

In a postscript, John said: "Please write me a letter and let us know. The fellows are so discouraged to think we can't have a pool."

Harding Replies.
In his reply the president wrote: "My dear John: I received your letter this morning saying that the boys were much disappointed because they had heard I could not attend the ball in the interest of your swimming pool fund. I am exceedingly glad you wrote to me about this John, because I do not want the boys to think I am not interested in their getting a swimming pool. I have used swimming pools myself, in my time, and there are one or two swimming pools in the creek, out near Caledonia, O., that I would like to get into again right now, if it were possible."

"You tell the boys that I hope the ball will raise all the money that is needed to provide the pool and that if some of you will come around to the White House with some tickets I will buy some, whether I can attend or not."

"Yours for the swimming pool."
"WARREN G. HARDING."
