

## ITALIAN ART STUDY, WOMAN'S CLUB AIM

Italian art will be studied by the Art department of the Woman's club next season at its morning meetings. It was announced by Mrs. Paul Comstock, chairman of the department for next season, at the gallery talk held in the high school Tuesday afternoon. Plans are being made to make the

study unusually interesting. A sum of money has been voted by the department for buying prints of Italian paintings and other works of art. Mrs. M. F. Johnston, who will spend sometime traveling abroad this summer, will collect the prints while she is in Italy.

The Guy Wiggins one-man exhibit, known as the most distinguished of the season here, was the subject of a very interesting gallery talk given by Mrs. M. F. Johnston, director of exhibits before the Art department. The pictures were discussed from the

standpoint of color, theme, and purpose by the speaker. The artist's purpose, Mrs. Johnston pointed out, had not been so much to paint a picture as it had been to create an atmosphere or convey an impression. His pictures are beautiful not for the subject matter, but for the treatment and the coloring.

The Wiggins exhibit will remain in the Public Art gallery until some time in May. Anyone interested is invited to visit the galleries between the hours of 8 o'clock and 5 o'clock week

days, except Saturdays, and Sunday afternoon from 2 until 5 o'clock. A collection of colored prints of Louis Raemaekers cartoons are also hanging in the galleries.

## Earl Says

There is not a person but who appreciates a high-grade, stiff-bristle Hair Brush.

The Hygenol Hair Brush is made of the best bristles, which are wire-drawn and supported by an aluminum plate. The handle and back are of ebony. The Hygenol Hair Brush is easily cleaned.

The bristles are guaranteed not to loosen, therefore making it the most sanitary and serviceable brush that you might buy.
