

RECORD GATHERING OF CLUB DELEGATES MEET HERE IN MAY

What promises to be the largest gathering of club women ever held in Richmond is expected when the Women's Federated clubs of the Sixth district convene here May 11 and 12 for their 14th annual convention. One hundred and sixty delegates from the 80 clubs comprising the sixth district of the federation besides a number of members from the clubs in addition to the delegates are expected to attend. Nearly 500 local women are members of the federation and it is expected a majority of them will attend the conference.

Entertainment and lodging for the visiting delegates is to be furnished by the local federation clubs who will not act as hostesses for the convention. The district officers, Mrs. Harry F. Dalbey of this city, chairman; Mrs. C. F. Baxter, Knightstown, vice-chairman; and Miss Marie Gard, Liberty, secretary-treasurer, composed the executive committee on arrangements. County chairmen of the federation, who it is expected will attend the convention are: Mrs. Chester Roberts, Union; Mrs. Frank Masters, Franklin; Mrs. Walter S. Saxon, Fayette; Mrs. Harry Porter, Hancock; Mrs. Eric Morgan, Henry; Mrs. Charles L. Simons, Rush; Mrs. L. S. Major, Shelby; Mrs. Gar E. Elson, Wayne; Mrs. Elizabeth Claypool, Earl Parham; and Mrs. Willard Petro, timekeeper.

Register delegates. Delegates' names and the time of their arrival is to be in the hands of Miss Alice Moorman by May 7 and upon their arrival they will be met at the train. Registration and assignment of delegates will take place at 3 o'clock Wednesday afternoon at Grace M. E. church. An informal reception will be held in the Public Art gallery at 4 o'clock for visiting delegates at which Mrs. Melville F. Johnston will speak on the Guy Wiggins' one-man exhibit.

A banquet will be held at Grace church Wednesday evening at 6 o'clock which promises to be one of the affairs of the convention. Following the dinner an organ recital will be held in the Grace church auditorium from 7:30 to 8 o'clock. The program for the evening will then include: Invocation, the Rev. A. H. Backus; vocal solo, Mrs. L. E. Harter; greetings from entertaining clubs, Mrs. Paul Comstock; greetings from Richmond, the Rev. J. J. Rae; response, Mrs. Elmer E. Smith; Knightsbridge, Mrs. J. J. Smith; Jones, violin; Miss Katherine Gates; cello; and Miss Mildred Schalk piano. The main event of the evening will be an address by Stuart Walker, of Indianapolis and New York, celebrated playwright, producer, and actor, on "Some Phase of Modern Theatre."

Thursday morning's session will be given over to business, opening at 9 o'clock with the singing of "America" followed by a prayer by the Rev. A. H. Backus, appointing of committees, five minute reports from the county chairmen, a vocal duet by Mrs. Mary Bartel and Ernest Renk, three-minute reports from committee chairmen, an address by Mrs. E. C. Rumpel of Indianapolis, State Federation president, and an address by Mrs. Jesse W. Riddle, vice-president of the State Federation on "Importance of County Federation." Both the district executive vice-president are said to be intensely interesting speakers and are two of the most prominent and active women of the state identified with clubs.

"The Dune Country of Indiana" a lecture illustrated with color slides, will be given by Mrs. Frank J. Sheehan of Gary at the Thursday afternoon assembly which opens at 1:30 o'clock. Other events on the program are: Vocal solo, Mrs. F. W. Krueger, reports of secretary-treasurer, committees, and election of officers.

Lodging and breakfast will be given visiting delegates free. Lunch Thursday will be 20 cents and the banquet Wednesday evening will be \$1 a plate. Tickets for the meals must be engaged not later than May 7, of Mrs. W. A. Ellis, 361 West Main street.

EARLHAM ENJOYS SONG RECITAL FRIDAY

At a song recital Friday night in Lindley Hall, Earlham college, Prof. Samuel Garton, dean of the music department, presented his pupil and assistant, Cyril Pitts, as a lyric tenor.

The program consisted of four groups of songs, including besides folk songs, a recital of difficult vocal solos. The first group opened with an old Italian song, followed by two exciting arias by Handel, French and German songs in the vernacular formed the second group. American music was represented by negro spiritual selections, lighter in nature than the other numbers, and rendered with good tonal quality, made one of the most enjoyable parts of the program. "Songs My Mother Taught Me," given in mezzo voice; "A Little Dutch Garden," by Harvey Worthington Loomis, lighter in quality and with a tricky accompaniment, and a finale, "The Years at the Spring," by Mrs. H. A. Beach, an American, composed the last group of songs. The final song, broad in style, revealed dramatic qualities in the voice of the singer, although he is classed as a lyric tenor.

Accompaniment was given by Miss Mary Carman, who also played an instrumental solo number.

WOMEN WILL ENJOY T. P. A. STUNTS TONIGHT

Group singing, vocal numbers, a whistling solo and many games will entertain those planning to attend the "Ladies' Night" celebration of Post C of the T. P. A. Saturday night.

C. B. Root, head of the community service organization here, is to be in charge of the games. It is going to be a time where all can enter into the frolic with pleasure and abandon, according to announcements.

There is to be but one more booster meeting for John P. Higley, local state T. P. A. presidential candidate. The election will take place at the state convention to be held in West Baden, May 13 and 14. With the able support given Mr. Higley by T. P. A. members in other cities of the state, as well as the united support of the Richmond post, it is thought he will carry away the honors.

New German Timepiece Records 'Bout Everything

(By Associated Press) WASHINGTON, April 30.—A new German clock that records all kinds of things besides time aroused the interest of Consul Bred at Prague to such an extent that he wrote the commerce department all about it. He saw it at a fair and said it would tell the second of the minute, minute of the hour, hour of the day, day of the week, week of the month, month of the year, season of the year, position of the stars, and the exact position of the earth in its orbit, all for the trifling cost of 5,000 Austrian crowns, or about \$1,000 in money.

MRS. ROACH NAMES TOWNSHIP CHAIRMEN FOR RELIEF DRIVES

Township chairmen for Wayne county have been named by Mrs. A. W. Roach, chairman of the county Armenian and China reliefs. It will be the duty of these township chairmen to promote relief activities in churches, clubs, lodges and other organizations in the district. Names of those appointed follow:

Mrs. Ed Jones, Milton; Mrs. Charles Ferguson, Cambridge City; Mrs. Minnie Wright, Centerville; Mrs. Charles Teeter, Hagerstown; Mrs. Marian Meyers, Greens Fork; Mrs. O. N. Huff, Fountain City; Mrs. Thurnburg, Dalton; Mrs. Annie Morrison, Economy; Mrs. J. C. Pyle, east side Boston township; Mrs. Charles Williams, west side of Boston township; and Mrs. William Curtis, Whitewater.

Every pastor in Richmond and Wayne county has been requested to speak briefly on the relief question, during the church services Sunday. But one more week remains for the two week campaign and all persons again are urged by Mrs. Roach to send their contributions to the Chamber of Commerce headquarters at once. Checks should be made payable to Charles W. Jordan, treasurer of the Wayne county Armenian and China relief committee.

Warming Males Plea. A. C. Wainwright of Earlham, has made another earnest appeal for his country, expressing the gratitude of China for what America has already done, but forced by circumstances to plea for more assistance. He writes:

"There is a terrible situation in China which as you know, is the great famine. If the Chinese in the famine area could be brought over, there would be one hapless victim at intervals of 250 feet on every public road in this country. Regarding the suffering of the famine-stricken people, all sorts of tragic stories have been reported from the famine area by those who actually saw the conditions as they were. They were such as 'the suicides of individuals or even whole families in cases of extreme despair, old women gleaning patches of weeds, children being sold by their parents, and deaths from cholera resulting from underfeeding and lowered resistance, etc.'"

In the relief of the terrible famine conditions, the Chinese do their best. For example, the Shanghai women relief organization, one of the many relief organizations which have since been formed at Shanghai, has raised up to date contributions amounting to \$15,174.

"Co-operation from America is badly needed. Notwithstanding the fact that the Chinese do all they can, and the fact that living in China is so cheap that \$1 will save a life for a month, and \$2 will save a mother and baby a month, and \$5 will save a family a month, China's calamity is so colossal that nothing is too much to give, and nothing is too small to help. The famine area covers about 329,200 miles. About 15,000,000 are starving (including more than 4,000,000 children under 14 years of age) as reported by the Chinese. About 25,000 children are starving. Furthermore, the famine stricken people cannot get their harvest until September or October of this year. So the need for food will continue for many months more. May I call your attention to the fact that giving help means sacrifice to you, but means 'life' to them."

RECREATION VALUABLE ASSET OF OUR LIVES; PROMOTES HAPPINESS

Recreation instead of "Wreckreation" is a slogan that has been adopted by one of the great railroad systems of the west. It has spent large sums for club houses from Kansas City to Los Angeles. Each year it spends thousands of dollars for chaletaus and lyceum talent along the circuit of these clubs. One of the singers asked the man who is at the head of the recreation department of this railroad whether it was simply for amusement that the company spent so much money to occupy the unoccupied time of the workers. The railroad man replied: "No it is good business. It has paid. We do it to take the 'wreck' out of recreation, so we may take wrecks out of our railroad system. We have fewer wrecks as the result of these club houses." Richmond has been given the opportunity to secure a modern system of community service. The recreational advantages of it have been practically demonstrated for about a month, and thousands of people have joyfully welcomed and taken part in its benefits.

Expect Response. So far this service has cost the community practically nothing. If it is to be continued a moderate fund has to be raised for its support. "The causes of unrest are not economic, but spiritual; not physical, but moral. What we are witnessing is the revolt of men who see life passing away without ever having lived, who face the prospect of carrying their ideals and their aspirations unfulfilled and unspoken to the grave."

"Man under our industrial system—an artist given no opportunity for expression, an inventor employed as an automaton, a thinker tied to a fool-proof machine—is the victim of disappointed instinct, subject, accordingly, to all kinds of nervous and emotional disturbance. It is not personal indulgence, but spiritual ideals he is called upon to sacrifice; not his physical comfort, but his life."

How To Cure It. "The radical remedy for this condition, if it is ever found, will be in making industry once more expressive of man's constituting instincts, of the lines of life to which he is by nature irresistibly committed. Blessed be those prophets of the future who shall some day awaken us to the truth that it is chiefly in our work that we must live, and shall arouse us to acting upon that truth."

"Meantime, the great majority must live upon the margin left outside their work or die. All must so live to some extent because no work can quite convey the spiritual current of a man. It is to the cultivation of life upon this margin that community service is addressed."

Mr. and Mrs. Timothy Baldwin spent Monday in Richmond. Miss Dorothy Bullock of Knox, Pa., is the guest of her grandmother, Mrs. L. W. Byers, of East North street.

The Home Garden

Planting peas at various intervals will furnish a supply during the entire season. The soil should be well prepared as for any garden crop. Scatter a little fertilizer where the row is to be planted and rake it into the soil. Make a deep mark and have the bottom wide enough so that the peas can be somewhat spread out. Do not crowd so closely together. Plant 15 or 20 seeds to the foot; cover well and firm the soil a little over the row. Three or four plantings should be made at intervals of two weeks in order to have a continuous supply. The United States department of agriculture recommends the Alaska for the first planting, Gradus or Thomas for the second, Excelsior for

KNOX PEACE MEASURE TO BE ADOPTED, AGREE LEADERS; FIGHT IS HOT

(By Associated Press) WASHINGTON, April 30.—Vigorous support for the Knox peace resolution by Senator Lodge, of Massachusetts, the Republican leader, and a continuation of attack from the Democratic side, marked the final day's debate on that measure. A vote was expected before adjournment and leaders on both sides were agreed that the resolution would be adopted.

Senator Lodge insisted that the measure was in accord with the recommendations of President Harding, as made both in his address of acceptance and in his first message to congress, and that it was necessary to end the technical state of war so as to remove existing handicaps on American trade.

The Republican leader said the league of nations was a dead issue and would remain so for at least four years. It was time, he added, that the wreckage was cleared away and something being done to help Europe and the world.

Recall Statements. Replying to Mr. Lodge, Senator Harrison, Democrat, Mississippi, and Robinson, Democrat, Arkansas, recalled the campaign statements of President Harding, former President Taft, Secretary Hughes, Secretary Hoover, and other representatives. The Arkansas declared the Knox resolution would be an apology to Germany for having declared war.

Senator Walsh, Democrat, Montana, attacking the resolution, said that it gave no benefit to the United States and should be entitled as one "for the release of the German people." He declared it left open titles to German ships worth \$100,000,000 seized by this government and added that it would weaken Germany to stand against the allies in the present reparations discussion.

LEAGUE IS DISCUSSED BY WORLD LAWYERS

(By Associated Press) WASHINGTON, April 30.—The league of nations question entered into the discussion at the session last night of the American Society of International Law. Paul S. Reinsch, former minister to China; Oscar Strauss, former ambassador to Turkey, and Dr. George W. Kirchweg, former dean of Columbia university law school, participated. Dr. Reinsch had just completed reading a report from his subcommittee named to "consider the subjects not now adequately regulated by international law," when Dr. Kirchweg called attention to the absence of any sort of reference to "an association of nations or the league of nations" and "presumed" this omission was deliberate on the part of the committee. He expressed the belief that the people expect us to say something which is not now subject to international law. He further suggested that it was a question that required special treatment and therefore did not come within the restricted scope of his committee.

Prof. Eugene Wambaugh of the Harvard law school interposed the statement that "the league of nations is already in existence, equipped with very adequate machinery and does not come within the purview of this committee in any way."

Former Secretary of State Lansing had just left the meeting when the discussion began. The society is to conclude its meeting tonight.

FUNERAL SERVICES HELD FOR GORMON

Funeral services for Isaac A. Gormon were conducted from the home, 130 Ft. Wayne avenue, at 2 o'clock Saturday afternoon. Accompanied by a group of former associates as honorary pallbearers, eight members of the present police force as active pallbearers, a company from the fire department and a host of friends and relatives, the body was borne to Earlham cemetery where burial was made.

Rev. A. H. Backus officiated at the home. He spoke of the public life of Mr. Gormon and his service to society in his long service as an officer. The chief of police was laid to rest with all the honors of an active officer of the law. His recent retirement from office, by his own resignation, and his long connection with the office makes him honored by all the present force.

RECEIVE WORD FROM HAYWOOD IN RUSSIA

(By Associated Press) CHICAGO, April 30.—The first word that Big Bill Haywood, Industrial Worker of the World leader is now in Russia, reached Otto Christiansen, his attorney, today. A wireless message dated April 25, from Christiansen said that Haywood had arrived in Moscow and was attending a conference of trade industrial union and the Third Internationale. The message also added that Haywood would return to the United States after the conference and it was expected that he would immediately give himself up to serve his term at Leavenworth for violation of the espionage law.

SILENT AS TO STEP OF U. S. TO PROTEST OIL DISCRIMINATION

(By Associated Press) WASHINGTON, April 30.—The position of the United States in favor of an open door as applied to commercial opportunities was re-stated with particular reference to development of oil lands in a note transmitted to the Dutch government by William Phillips, American minister at The Hague, on April 19.

The text was made public last night by Secretary Hughes, but a short time before Associated Press dispatches were received from The Hague announcing that the second chamber of parliament had adopted the Dumbi oil field bill, thus barring the bid of the Standard Oil company for a concession in the Sumatra oil region.

The contention of the state department was understood to be that a concession in the oil fields of the Netherlands East Indies was about to be granted to a company largely financed by British capital.

Recognition Important. In this connection, Mr. Phillips said in his note that the United States attaches the highest importance to the recognition of the principle of reciprocity and equal opportunity in the solution of oil problems, as well as the extension to American capital or organized under Dutch laws of the same privileges and benefits which are granted to other foreign capital similarly organized under the laws of the Netherlands.

The text of the note was made public at the state department without comment and no intimation was given as to whether further steps in protest against the discrimination were contemplated.

ITALY IS WITH U. S. ON QUESTION OF YAP

(By Associated Press) WASHINGTON, April 30.—In the first complete reply received from any of the four great powers to the note of the American government in respect to the island of Yap and other former German overseas possessions, Italy has made known that she is in entire accord with the position of the United States. The communication was received at the state department late yesterday and immediately made public. France has made a preliminary answer in which she said that at the meeting of the supreme council next month she would broach the Yap question while Great Britain has merely acknowledged receipt of the note of April 5, and Japan has not as yet made answer.

In her reply Italy said she expects that the conference of ambassadors will pronounce itself on the question of Yap was equanimity in such a way as to eliminate every possibility of conflicting interests. Continuing the communication said the Italian government was glad to be able to co-operate with the United States toward the attainment of the common end, "realization of an era of serene peace and prosperity for the civilized world."

RECEIVED AT

RICHMOND, INDIANA

Detroit Mich., April 27 1921

Bethard Auto Company, Richmond Indiana;

Any statement that Dodge Brothers have reduced or intend reducing prices is absolutely false.

Dodge Brothers have always bought most advantageously and manufactured most economically and Today Their manufacturing stock is held at today's replacement values. Since Their first cars were marketed seven years ago their prices have increased less than any other manufacturer but one, and during that time many improvements have been added which alone offset the increased price. Dodge Brothers positively know that Honest Value is being given and therefore can see no sound business justification for any price reduction.
