

DARKE COUNTY LETS BUILDING CONTRACT; WORK STARTS SOON

GREENVILLE, O., May 2.—At a meeting held by the Darke county commissioners Saturday, three bids were opened, for the construction of the new steps and walks leading to the court house, on the Broadway side. Three local concerns, Hunt Bros., Dwyer Bros., and Fred Grote put in bids on the improvement. Grote was the successful bidder, and the work was awarded him at \$1,499.90. Work will be started as soon as possible, and it is hoped it will be completed in the next five weeks, at which time the state encampment of the G. A. R. will convene in this city. Work for the construction and improvement of three ditches was also let by the commissioners at their meeting, as follows: Dice ditch, Twin township, to Ora Vance for \$3,073; Goens ditch in Liberty township, to Claude Harp for \$215, and the Rose ditch in Richland township, to Irvin Sugundt for \$2,499.19. The last two named ditches were sold conditional to a supreme court decision regarding the constitutionality of the law.

Swine Breeders to Meet.
The May meeting of the Darke county Duroc Jersey Swine Breeders association has been postponed until Thursday, May 12, owing to the inability of one of the speakers to appear on the original date, May 5. The meeting will be held in the common pleas court room here, and a large attendance is anticipated. A good program has been prepared, with Messrs. John H. Clark and E. B. Fidler, both of Marion, Ohio, as the principal speakers. Mr. Fidler is a director of the American Duroc Record association.

New Bank Officials.
At a meeting of the directors of the Farmers' National Bank, of this city, two new directors were chosen in the persons of B. W. Johns and E. T. Wagner. The former is president of the Henry St. Clair whole sale grocery house, while Mr. Wagner is a prominent man in grange and farm bureau work. Frank Holman, another new director, was chosen at a meeting held by the board recently.

Smith Wants Divorce.
Roscoe Smith, of Bradford, has filed suit for divorce in common pleas court here against his wife, Alice Smith. The plaintiff states that they have been married since December, 1919, and since that time he has discovered that his wife is possessed of a violent and ungovernable temper, and has cursed and abused him. She has several times threatened to kill him, and last March left for Waukegan, Ill., and has not been home since. He asks for absolute divorce and all other relief to which he may be entitled.

Truck in Collision.
A Standard Oil truck was struck and badly smashed up by an Ohio Electric traction car Saturday at the Martz avenue crossing. The truck had barely gotten on the tracks when struck by the car, the radiator being badly damaged, one of the front wheels knocked off, running board demolished, and otherwise badly damaged. The driver, Elmer Rutan, was not injured.

Lampy Found Guilty.
John Lampy, Van Wert county farmer, who has been on trial in the Van Wert county common pleas court for the past two weeks on a charge of shooting George DeCamp, former Greenville man, was found guilty of manslaughter yesterday afternoon, after the jury had deliberated for two hours.

The shooting affray and murder, of which Lampy was found guilty, arose over some corn on a Van Wert county farm. Many witnesses were summoned during the trial, many of whom were from this city. The verdict carries with it a sentence of from one to 20 years in the penitentiary.

YOUNGSTOWN.—A movement is under way here to obtain signatures to a petition asking for a pardon for Bruce Campbell, former manager of the Struthers Savings and Banking company, who is serving a sentence in the Ohio penitentiary for having made a false statement to the State Banking department.

The League of Women Voters is now organized in every state of the Union.

Indiana Brevities

VINCENNES.—Marjorie Carnahan, 16-months old daughter of Mr. and Mrs. Carnahan, of Aliceville, was drowned in an eight gallon par containing one gallon of water. The child, it is believed, toppled into the jar while playing.

EVANSVILLE.—Union job printers of the city decided that they would not return to their places Monday until a new wage scale had been adjusted. They are demanding a 44-hour week contract. About 150 job printers will be affected in this city. Pressmen and binders have voted to continue work.

BLOOMINGTON.—Every stone mill in the Bloomington and Bedford district will be tied up by a strike of planer men and stone cutters. The crafts voted to reject the proposition of the operators to reduce wages of stone cutters 12½ cents an hour, making their wages \$1 an hour. Planermen refused a reduction of 7½ cents an hour, which would make their wages 82 cents an hour.

Announcement

Having completed a diligent survey of the motor car industry, undertaken to enable us to select a genuinely dependable, economical and properly priced light car, we are pleased now to announce that we have become

REPRESENTATIVES IN THIS TERRITORY
for the

OAKLAND MOTOR CAR

That the motor car industry has, since its beginning, undergone many changes is not unknown, nor is it asserted here that future changes are unlikely, but as we are not concerned in the affairs of yesterday, or last week, or last year, but interested only and sincerely in the affairs of today and the future, we deemed it essential to make a very careful analysis of the industry before becoming responsible for the distribution of any car.

Our canvass, which included a wide variety of cars of many prices and which was governed by the thought that our patrons must be forever safeguarded, has brought us to believe that the six-cylinder Oakland meets every requirement in its class. We believe in the utter goodness of the car—in the materials used—in the methods of construction—in the sales policies adopted—and equally in the integrity and responsibility of the organization behind it—a unit of the General Motors Corporation.

We unhesitatingly recommend this car and, without reservation, place our mark of approval upon it, as the most scientifically constructed, most economically operated and most properly priced car in the popular-price group of motor cars manufactured today.

Let us show you this really dependable automobile and explain to you why we believe in it so earnestly and enthusiastically and why we believe our choice is of mutual advantage to you and us.
