

NEW BATTING SPREE BY CARDS DEFEATS RED TAIL ENDERS

CINCINNATI, June 2.—The slugging Cards went on another batting spree at Redland Field, Wednesday afternoon and defeated the tail-enders in a most noble fashion to the tune of 10 to 4. Rixey was hit hard from the start and finally had to retire in the sixth in favor of Napier.

Rixey's finish came when five straight hits drove him to the showers. Haines pitched good ball for the Cards and the Reds could do little with his delivery until the ninth when they started a rally that scored three runs for them but came far from being a game winning rally.

Haines received wonderful support in the field from his teammates, especially from Lavan, who cavorted around the short field with much speed and skill. He cut off many hits and handed the ball around to the other infielders like a rifle shot. Kopf ran him a close second making several pretty plays, but his chances were only half as many as the opposing shortfielder.

The Score.

CINCINNATI	AB.	R.	H.	P.O.	A.	E.
Bohne, 3b.	4	0	0	0	0	0

IDLENESS PROVING IRKSOME FOR CHAMP; EVADES ADMIRERS

ATLANTIC CITY, N. J., June 2.—Jack Dempsey today began to show indications of cracking under the spell of his enforced four days of idleness. The heavyweight champion is becoming more fretful because of the inactivity at his camp and is eager to resume his conditioning grind on Saturday, which will be continued without further interruption until he finishes training for the defense of his title against Georges Carpentier at Jersey City, July 2.

Despite the fact that Jack Kearns, manager of the champion, placed his training paraphernalia under lock and key before he departed for New York, Dempsey could not resist the temptation to go on the road yesterday. It became known today. The champion left camp secretly and alone, returning 40 minutes later dripping wet with perspiration. He had covered between five and six miles.

Dempsey is showing a marked aversion towards the numerous visitors that appear at his camp daily. Yesterday he was called on the telephone by some theatrical friends, who said they were coming out to entertain him. As soon as he hung up the receiver, Dempsey jumped in his automobile and drove away from camp. He did not return for several hours.

The titleholder broke his silence on the possible outcome of his fight July 2, when a friend asked him point blank if he would knock out Carpentier.

"I have a hunch that I will," laughingly he replied, "and if I'm feeling good that day, the fight will be over inside of four rounds."

Later on Dempsey was asked what he would do if Carpentier landed flush on his jaw like he did against Joe Beckett, in England. "I guess I'd have to resign, too," smiled Dempsey. "But he has not hit me on the chin yet."

RICHMOND KIWANIANS DEFEAT INDIANAPOLIS

INDIANAPOLIS, Ind., June 2.—The Richmond Kiwanis club proved to be too much for the Indianapolis Kiwanis club on the baseball field and they dropped the game to the visitors by the score of 7 to 0, Wednesday afternoon at the Riverside diamond.

The visitors hit the offerings of Avery to all corners of the lot including two home runs. The Richmond batters collected 16 hits during the contest but could not bunch them to any great extent getting only seven runs.

Mowe, on the hill for the visitors, pitched wonderful ball, keeping the six hits that the locals connected for well scattered and allowed only one man to reach third where he died when the next batter popped up a fly.

Hitting honors were divided between Mowe, Himes and Mills. Mills was the real slugger of the contest, connecting for a homer, triple and a single out of five trips to bat. Bone also connected for a home run.

The score:

R. H. E.	
Richmond	211 000 300—7 16 0
Indianapolis	000 000—0 6 0

Batteries—Mowe and Vigran; Avery and Brown.

CARPENTIER HAS HAD INTERESTING CAREER; MANY KNOCKOUTS

Georges Carpentier has had an interesting career since he started fighting at the age of twelve—fifteen years ago. He rose from bantamweight to middleweight in three years. He fought and beat England's best fighters in different classes. He served during the World war with distinction. Then he re-entered the fight

game and starred again by beating the English champ, Joe

Beckett. Now he is training to meet Dempsey.

GOOD MATCHES AHEAD FOR GOLFERS AT COUNTRY CLUB

Golfers at the Richmond Country club are rapidly getting into action. Extensive plans and programs have been outlined for the season.

Thomas Chisholm, a native of Scotland, has been engaged as instructor. He will be available for lessons at the club at all times.

Several handicap matches are being planned. The California system will be used. This means that the player with the larger handicap starts out from the first tee half as many holes up as the difference between his handicap and that of his opponent.

The schedule for the season is as follows:

Saturday, June 18—Red and Blue team match without handicap. Team captains—Red, Charles A. McGuire; Blue, Omer G. Murray. The winning team dines at the expense of the losers.

July 2, 3 and 4—Selected composite score for nine holes. Trophy offered by Robert E. Heun.

Monday, July 4—Nine-hole play under handicap. Players to make their first matches. The sixteens will be made up according to the time of arrivals at the first tee.

First Sixteen—Trophy offered by T. B. Jenkins.

Second Sixteen—Trophy offered by A. C. Watson.

Third Sixteen—Trophy offered by J. E. Moyer.

Saturday, August 20—Red and Blue teams match without handicap. Team captains—Red, John A. Brookbank; Blue, J. W. Conner. The winning team dines at the losers' expense.

Saturday and Sunday, Sept. 3 and 4—Eighteen hole qualifying round for Labor Day match, play without handicap.

First Sixteen—Trophy offered by Paul Comstock.

Second Sixteen—Trophy offered by Joseph Hill.

Third Sixteen—Trophy offered by Charles A. McGuire.

Monday, Sept. 5—Eighteen hole play for holiday trophies.

Saturday and Sunday, Sept. 10-11, first round for President's cup.

Eighteen holes, match play with handicaps, all players being eligible to enter, and pairings to be determined by draw. Three days will be allowed for the playing of each subsequent round, and any player who fails to appear within this time limit will forfeit.

Saturday, Sept. 24—Finals for president's cup, 36 holes.

Wonderful Flavor!

Slugging the ball to all corners of the lot, the Press baseball nine defeated the Maher Meats in a Commercial league game Wednesday afternoon at Exhibition park by the score of 18 to 7. All but two men on the Press team connected for at least one safety.

Garthwaite, on the mound for the Pressmen, buried good ball and several of the runs scored off him were due to infield errors that paved the way for the Meats. The Meats collected eight hits off his delivery, but they were kept well scattered.

The Meats started out strong, scoring two runs in the first half of the inning on two hits and an error, but did not hold the lead very long, as the Press came back strong in its half and scored six runs on a hit batsman, an error and four hits.

Score Two in Second

In the second the Meats scored two runs, but the Pressmen knocked Nick from the box in their turn at bat, getting four runs. Maher relieved him and was hit equally as hard, and retired in the fourth in

favor of Lee. Eight runs were made in this round.

The game was featured by the heavy clouting of both teams for extra base hits. Twenty-four hits were made during the contest, including two home runs, three triples and six doubles. Weaver, of the Press, was the heavy clouter of the contest, getting two homers and a double in four trips to the plate. Maher and Porter also connected for homers.

Thursday afternoon the Bakers and the Kiwanis club will play. The score:

Maher Meats 220 300—7 8 7

Press 640 800—18 16 3

Batteries—Nick, Maher, Lee and Maher; Nick, Garthwaite and Pimell, Campbell.

"TIGER'S" GRANDSON TAKES FRENCH DANCING HONORS

PARIS, June 2.—Dancing devotees, upon unfolding their newspapers today, experienced a severe shock when they read that the world's amateur dancing championship had been awarded to Georges Clemenceau and partner.

LEAGUE HEAD GIVES REASONS FOR BATTING RAMPAGE THIS YEAR

NEW YORK, June 2.—President John A. Heydler, of the National league, has set forth a number of possible reasons for the unusual amount of heavy hitting in the major leagues this season, but he does not claim that any of them is the right one.

"I doubt if any one can give a thorough, satisfactory explanation for the heavy hitting," he said recently.

"I have been asked that question a hundred times since the season opened and have listened to as many alleged explanations, but as yet have failed to find a concrete reason for the deluge of home runs and extra base hits.

Ruth Influences Play

"To begin with the attention turned to Ruth by his home run hitting last year set all ball players swinging with full power instead of chopping or trying to wait out the pitcher. The result is that when they connect, an extra base drive develops if the ball eludes the fielders.

"I think that the ball itself also enters into the problem, although the makers have stated repeatedly that its construction does not differ materially from that of 1920. I have noticed that the hide covering the ball appears to be stretched tighter and that the thread used in sewing the seams is drawn so tightly that it does not protrude over the cover.

"This makes for a more solid and harder ball, which, when hit cleanly, is certain to travel faster and to a greater distance than would be the

case with a more loosely packed sphere. It also gives the pitcher less opportunity to secure a satisfactory grip on the ball preliminary to throwing his curves.

New Balls a Factor

"Still another reason is probably the constant calling for new balls. The least sign of roughness or discoloration is usually cause for tossing out the ball and the injection of a new one.

"This results in the pitchers being obliged to constantly handle new balls with their smooth, glossy surface, which cannot be gripped or curved with the same effectiveness as a used and roughened ball. A clean ball is also easier to see as it comes up to the plate and, all in all, the batter is having the better of the breaks at the present time.

"I am inclined to think, however, that with the coming of real hot weather pitchers will work better and regain, to some extent, their mastery over the batters who have been on a rampage since the beginning of the season."

SAY CARPENTIER CARRIES HAYMAKER

MANHASSET, N. Y., June 2.—Sparing partners who have entered the ring for workouts with Georges Carpentier, declared today that Dempsey's chances of winning over the French boxing champion were extremely precarious.

Jack Goldberg, a welterweight from Panama, who received a bit of punishment in the stable arena yesterday, declared he had never seen such a powerful right hand.

"It will fool anybody," he said. "You

never know when it is coming, and if you do there is no escape. And as for speed, Carpentier has the twentieth century limited looking like a farm tractor."

Sam McVay, a negro heavyweight, who has known Georges since he began his ring career, bore out the statement concerning the strong right arm, and emphatically predicted that Dempsey would experience unconsciousness on July 2.
