EATON, O., June 9.—Although she is 90 years old, Mrs. Sarah Martin, pioneer of Eaton, is a regular book-worm. She reached her ninetieth birthday Wednesday and celebrated the event by devoting the day to her favorite pastime—reading. She is a regular patron of the public library. She reads the newspapers too, and she is well informed on current events. Mrs. Martin has lived with her nieces, Misses Mame, Eva and Sarah Campbell, for a number of years. Not to be confused with suction sweeping is the APEX principle of cleaning entirely by suction. APEX suction needs no help from a power driven brush to beat and pound the delicate nap of rugs and carpets. Its rushing river of harmless air is alone sufficient to draw out every particle of deeply imbedded dust and dirt.

The APEX bristle brush does not revolve but is stationary. It gently combs the surface of the carpet, picking up all threads, lint, hair and litter without the slightest wear or injury.

## DARLING BABY BRIGHTENS HOME

Children's Laughter a Pleasing Sound

Altoona, Pa.—"I am writing to tell you what Lydia E. Pinkham's Vegetable Compound has done for me. We had six children die almost at birth. From one hour to nineteen days is all they have lived. Before my next one was born I took a dozen bottles of your Vegetable Compound, and I can say that it is the greatest medicine on earth, for this baby is now four months old, and a healthier baby you would not want. I am sending you a picture of her. Everybody says 'That is a very healthy looking baby.' You have my consent to show these few lines to anybody."—Mrs. C. W. BENZ, 131 3rd Avenue, Altoona, Pa.

Mrs. Janssen's experience of interest to childless wives.  
Millston, Wis.—"I want to give you a word of praise for your wonderful medicine. We are fond of children, and for a considerable time after we were married I feared I would not have any. I began taking Lydia E. Pinkham's Vegetable Compound, and it strengthened me so I now have a nice, strong, healthy baby girl. I suffered very little at childbirth, and I give all the credit to your medicine, and shall always recommend it highly."—Mrs. H. H. JANSSEN, Millston, Wis.

Mrs. Held of Marinette, Wis., adds her testimonial for Lydia E. Pinkham's Vegetable Compound. She says:

Marinette, Wis.—"I was in a nervous condition and very irregular. My doctor advised an operation. My husband brought me one of your booklets and asked me to try Lydia E. Pinkham's Vegetable Compound. It overcame my weakness so that I now have a healthy baby girl after having been married nine years. I am glad to recommend your medicine, and you may use my letter as a testimonial."—Mrs. H. B. HELD, 330 Jefferson St., Marinette, Wis.

There are many, many such children that were once childless, and are now blessed with healthy, happy children because Lydia E. Pinkham's Vegetable Compound has restored the mother to a strong and healthy condition, as it acts as a natural restorative for ailments as indicated by backache, irregularities, displacements, weakness and nervousness.

Women everywhere should remember that most of the commoner ailments of women are not the surgical ones—they are not caused by serious displacements or growths, although the symptoms may be the same, and that is why so many apparently serious ailments readily yield to Lydia E. Pinkham's Vegetable Compound, as it acts as a natural restorative. It can be taken with perfect safety and often prevents serious troubles.

Therefore if you know of any woman who is suffering and has been unable to secure relief and is regretfully looking forward to a childless old age, ask her to try Lydia E. Pinkham's Vegetable Compound, as it has brought health and happiness into so many homes once darkened by illness and despair.

Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent to you free upon request. Write to The Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information. —Advertisement.
