

## APPLICATION BLANKS FOR TRAINING CAMP AT LEGION OFFICE

Harry Ray Post of the American Legion is in receipt of a communication from national headquarters at Indianapolis, regarding the citizens' military training camp to be established at Camp Knox this summer. Application blanks are available at the local office. The text of the message follows:

To Post Commander—Plans are now being formulated by the national government for the military training camp for the summer of 1921 for the training of the ages of 16 and 35 years without expense to them.

The camp for this the Fifth Corps Area will be held at Camp Knox, Kentucky, between the dates of July 21 and August 21.

The primary purpose of this camp is to bring together young men of all types, both native and foreign born, to develop closer national and social unity, to teach the privilege and obligations of American citizenship; to stimulate the interest of American youth in the importance of military training both a benefit to the individual and an asset in the problem of national defense. Since these activities are in accord with the purpose of the legion it is requested that legion posts throughout the state co-operate in disseminating information concerning these camps.

Please, therefore, inform the members of your post of the dates of this camp and that application blanks and full information may be secured by request to the Fifth Corps Area Commander, Fort Benjamin Harrison, Indiana, who will naturally feel pride in making the very best showing possible in their camps both in the numbers and quality of its applicants.

It is felt that ex-service men knowing the physical and other benefits derived from their own training camp experience can render especially valuable assistance in interesting in the civilian training camp some of the red blooded younger men in the communities who have not previously had military training.

L. R. GIGNILLIAT,  
Department Commander

### Suburban

HOLLANSBURG, O.—Frank Trellan and family, of Dayton, spent Saturday night and Sunday with Dr. and Mrs. Meek. Ivan Richards and family, of Greenville, were the guests of Mrs. Viola Richards. Mrs. Addie Trellan, of Dayton, O., spent Saturday night and Sunday with Mr. and Mrs. Eugene Whitman. Mr. and Mrs. Earl Wiggs, Mr. and Mrs. R. L. Nichols and Mrs. Lida Nichols, of Richmond, were Sunday visitors of Phoebe Platt and family, Sunday. Mrs. Addie Trellan and daughter, Mrs. Grace Whitman called in the evening. David Byers and family, of Greenville, Mr. and Mrs. Jake Pentz, of Weaver Station were guests of Mr. and Mrs. Doreen Roberts, Sunday. Mr. and Mrs. Earl Mitchell, of Richmond; Mr. and Mrs. Will Snook, of Arba; Mr. and Mrs. Roberts and sister, Miss Ella, were afternoon callers. Denver Peden and family spent Sunday with Mr. Theodore Platt and family. Mr. Bert Moore spent Sunday with Guy and Ralph Platt. Miss Shelly, of Richmond, spent the week-end with Miss Virena Slick.

GRATIS, O.—The members of the M. E. church have purchased the Carr property near the church and are rebuilding it for a parsonage for their minister. The work which will be partly donated is now under way. Mr. and Mrs. Raymond Mullender and family visited relatives in town Sunday. Romand Apple visited Mr. and Mrs. Clem Apple, Sunday. Mr. and Mrs. Hazel Wellbaum is spending the week in town with her sister, Mrs. Treva Sunar. Miss Ruth Barklow leaves soon for Oxford, where she will take a course of study in teacher's training. Miss Barklow taught the sixth and seventh grades in the school the past winter. Mrs. Mollie Armstrong, of Dublin, spent the past week visiting Mr. and Mrs. Mont Fort and other relatives. Mrs. Harley Andrews of Dayton visited relatives in town last week. Mrs. Kate Focht spent Saturday.

## Big Ulcer All Healed

"NOW I CAN WALK," SAYS MRS. SOUTHCOTT, OF MEDINA.

Here is another letter that makes me happy," says Peterson, of Buffalo. "One that I would rather have than a thousand dollars. "Money isn't everything in this world. There is many a big-hearted rich man who would give all he has on earth to be able to produce a remedy with such mighty healing power as Peterson's Ointment, to sell at all druggists for 35 cents a large box."

Read this letter, written February 14, 1918, by Mrs. Albert Southcott, of Medina, N. Y. It seems like a miracle, but it is true every word of it.

I know it because I get similar letters almost every day from people who have used my ointment for old sores, eczema and piles.

Is it any wonder I am happy?

Peterson Ointment Co., Inc., Buffalo, N. Y.

Dear Sirs:

"I was an untold sufferer from an old running sore and ulcers. I had tried most everything without any relief from pain. A friend told me of your wonderful ointment and the first box took away the pain that had not left me before in years, and after using just nine dollars worth of the salve I am cured. The ulcer was 9 inches by 6 1/2 inches, is all healed, and I can walk. Never, never, will I be without Peterson's again."

"You may use this to recommend your ointment if you wish. I cannot say enough to praise it." Yours truly, Mrs. Albert Southcott, Medina, N. Y. Mail orders filled by Peterson Ointment Co., Inc., Buffalo, N. Y.

## WIFE SAYS STAR STOLE LOVE OF PLAYS' AUTHOR

Frances White.

Mrs. Dorothy Stothart, wife of Herbert Stothart who wrote "Jimmy," has sued Frances White, who starred in the play, for \$100,000 damages for the alleged alienation of Stothart's affections. Mrs. Stothart says the alleged alienation occurred while Frances was in the play. She denies the charge.

Monday and Sunday at Farmersville with her son Jesse Focht and family. Mrs. John Scott of Hamilton, O., visited the past week with Mr. and Mrs. William Nicodemus. Mr. and Mrs. Ernest McCohee called on Mr. and Mrs. Perry Grimes Sunday afternoon.

Mead Bookwalter and friends of Dayton, called on Mr. and Mrs. William Nicodemus Sunday. Dr. and Mrs. Crume visited relatives at Somerville Sunday. The Mother's club and the girls' canning club gave a strawberry social on the school campus Saturday evening. The proceeds will go to the canning club. The first practice for the season was that put on by the Gratts band Saturday. Music was furnished for the Decoration day exercises at Pershing Sunday by the band.

HANNA'S CREEK, Ind.—The annual June meeting will be held Sunday at the Hanna's Creek church. The Rev. Max Schaffer, of Muncie, assisted by the Rev. Gibson will conduct service at 10:30 o'clock in the morning and at 2:30 o'clock in the afternoon. Dinner will be served in the base.

## Reduce Those Dangerous Swollen Veins

Physicians are prescribing and hospitals are using a new and harmless, yet very powerful germicide that not only causes enlarged or varicose veins and bunched to become normal, but also reduces goiter, enlarged glands and wens.

Ask any first-class druggist for an original two-ounce bottle of Moore's Emerald Oil (full strength) and refuse to accept anything in its place. It is such a highly concentrated preparation that two ounces lasts a long time and furthermore if this wonderful discovery does not produce the results anticipated, you can have the price refunded.

It is not wise for anyone to allow swollen veins to keep enlarging, then they burst and cause weeks of pain, suffering and loss of employment. Start the Emerald Oil treatment as directions advise and improvement will begin at once. Generous sample on receipt of 15 cents, silver or stamps. International Laboratories, Rochester, New York. Your druggist or A. G. Lukens & Co., and Daffler Drug Co. can supply you.

—Advertisement.

ment of the church. Saturday afternoon preceding these meetings a baptismal service at the creek will be administered to a number of persons. Quite a number of Hanna's Creek people attended "Children's Day" exercises at Four Mile Sunday evening. Mr. and Mrs. Everett La Fuzze entertained Mrs. Carrie Toler and Mr. and Mrs. David Mase last Sunday. Mort Swafford and family entertained George and Alpha Mae Swafford, of Quakertown, and Mrs. Vola Guise and daughter Thelma, of Connersville, at dinner Sunday. Charles Swafford and family entertained James Swafford and family at dinner Sunday. Misses Elizabeth Creek and Iva Kitchel will attend the Sunday school conference at La Fayette, June 14, 15, and 16th.

### American Legion

Voting to put on a minstrel show some time next fall, to be known as the "Aviation Minstrels" was the chief feature of the regular business session of the American Legion held in the K. of P. Temple, Wednesday evening. Dr. George E. Hunt was appointed chairman of a committee to take care of the executive end of the project.

C. M. Rummel, representative of the C. F. Turner Production company, appeared at the meeting and explained the project. About 50 persons will be required to stage the show, he said. Other members of the committee in charge are: Horatio Land, F. E. Ashinger, Paul Miller, William S. Phillips. Subcommittees will be appointed by Dr. Hunt.

Tentative arrangements for a military funeral for Frank Genn, whose body has been returned to the states and is expected to be brought here soon were discussed. Attention was called to the conference of Legion officials of Indiana, to be held at Culver, June 11 and 12.

Ray Mather and Ray Umpleby will represent the local post at the conference.

20 DOG OWNERS FINED FOR FAILURE TO PAY TAX. LAPORTE, Ind., June 9.—Twenty owners of dogs were haled into city court Wednesday for failure to pay their dog taxes. Each was fined \$5 and costs, amounting to \$16.50 which, with the tax of \$3, made a total of \$19.50.

## RHEUMATISM LEAVES YOU FOREVER

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poisons Start to Leave the System Within Twenty-four Hours.

Every Druggist in this county is authorized to say to every rheumatic sufferer that if two bottles of Allenru, the sure conquerer of rheumatism, does not stop all agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenru has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and pitiful, and where the patient was helpless.

Mr. James H. Allen, the discoverer of Allenru, who for many years suffered the torments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless Allenru decisively conquers this worst of all diseases, and he has instructed A. G. Lukens & Co., 3 Quilley's Drug Stores, 3, Yes & No Drug Co., Daffler Drug Co., to guarantee it in every instance.—Advertisement.

An Alternative Tonic  
Dr. A. B. Simpson's Vegetable Compound. An old and reliable medicine. Rheumatism, catarrh, scrofula, and the blood. A system purifier. At all drug stores.

## CHOOSE COMMITTEES TO BLAZE PATHWAY SUNDAY CAMPAIGN

Appointment of committees to serve preliminary to the coming of "Billy" Sunday and to co-operate with Mr. Sunday when he is here to conduct his evangelistic campaign next spring, was the business of the general "Billy" Sunday evangelistic committee, which met Wednesday night. The meeting was held in the Reid Memorial United Presbyterian church.

The Rev. R. W. Stokes, chairman of the general committee, announced the appointment of Dr. C. S. Bond, Warren Weaver, Mr. Ewan, Walter Doan and M. L. Rowe, as members of the finance committee. It was later moved and adopted to enlarge the finance committee to include as representatives from each of the local 14 co-operating churches in the coming campaign.

Executive Committee. Officers of the general committee, chairman of the various committees and the president-elect of the Ministerial association shall constitute the executive committee, according to the decision. R. W. Stokes is president of the general committee; John H. Johnson, vice president; J. W. Ferguson, secretary, and A. L. Smith, treasurer. The Rev. C. M. Woodman is president-elect of the Ministerial association.

Richard Sedgwick, George Mansfield and Thomas Tankleson were

## Kidney and Bladder Troubles Conquered or Money Back

For 40 years, said Dr. Carey I have been prescribing Marshroot for kidney and bladder sickness and now that I have retired from active practice, I have made arrangements with leading druggists to dispense this wonderful prescription at a moderate price, on the money back if dissatisfied plan.

Beware of kidney disease—thousands die of it every year who ought to be enjoying the blessings of life and health. Watch the symptoms. If you have specks flowing before the eyes, puffy eyes, clammy feet or moist palms, backache, or sideache, you ought to get a bottle of Dr. Carey's Marshroot right away.

It has wonderfully benefited tens of thousands of cases of kidney and bladder troubles and it is the medicine you can always depend upon. Results are guaranteed.

NOTE—Dr. Daniel G. Carey was a practicing physician for many years and his great prescription, Marshroot, aided thousands of sufferers from kidney and bladder troubles. Hereafter, you can always get this effective prescription at all reliable pharmacists throughout the country. Keep in mind the name, Dr. Carey's Marshroot, prescription No. 177. No other medicine can take its place.—Advertisement.

named as three of a committee of five to select a site for the tabernacle and superintending construction. Two of the three named were not present at the meeting so the appointments could not be affirmed. It is the plan, however for the three members to select two others to work with them.

## Denies Report Harding Plays Golf on Sunday

(By Associated Press.)  
WASHINGTON, June 9.—President Harding is not going to play golf on Sunday with a golf cabinet of former associates in the senate. The White House today made such a report, originating at the capitol, the occasion to state that the president does not go golfing on Sunday.

"The president does not play Sunday golf," said Secretary Christian, "and he has no intention of doing so."

## TANKAGE CUTS COST OF PRODUCING PORK

That tankage pays big returns in reducing the cost of pork production was shown conclusively in a hog-feeding demonstration conducted recently by H. F. Bremer, a Pulaski county farmer, in cooperation with the farmers' association, County Agent J. Mathews and the agricultural extension department of Purdue university.

On March 29 a committee of 10 farmers met at Mr. Bremer's home, weighed up two lots of five pigs each. One bunch was to receive corn alone in a self-feeder and the other was to get corn and tankage in the self-feeder. This plan was followed throughout a forty-six-day feeding period.

The corn alone lot weighed 620 pounds at the start and 780 at the finish. The corn-and-tankage lot weighed 630 pounds at the start and 1,025 at the finish. Their average daily gain was 1.76 pounds and that of the corn-alone lot was eight-tenths of one pound, not quite half as much.

Incidentally, figuring corn at 43 cents a bushel and tankage at \$70 a ton, it cost \$4.35 to produce 100 pounds of pork with the balanced ration and \$6.61 with the corn alone. Figuring the tankage worth just what it cost, it brought Mr. Bremer practically twice as much for his corn.

At the conclusion of the demonstration a meeting of farmers from throughout the county was held at the Bremer home, and J. W. Schwab of the animal husbandry extension staff of Purdue, spoke on the value of feeding proper rations. The higher condition and weight of the corn-tankage hogs was so outstanding that any man in the group who had not been feeding the combination was won over to it.

The demonstration and meeting was part of the educational program of the White Post Township Farmers' Association at Pulaski county.

## DO NOT NEGLECT FRUIT SPRAYING

The necessity of spraying fruit trees to take care of the remaining crop, especially of apples, and to assure healthy foliage and a good crop next year, is emphasized in a statement issued by the agricultural experiment station of Purdue university recently. The regular schedule should be observed with only slight modifications. The statement in part follows:

"Special care in a poor crop year will pay because of the greater value of the fruit produced, and many trees that now appear to be barren will show a comparatively large amount of fruit later.

A more important reason for careful spraying, even where a profitable crop is not in sight, is the effect that spraying will have on next year's crop. Only healthy

Omer G. Whelan  
The Feed Man  
31-33 S. 6th St. Phone 1679

foliage can produce a sufficient storage of food for a crop next year. Fruit buds for next year's crop will be formed this summer. In other words, the amount of food materials stored this season will determine the amount of bloom and the set of fruit for next season, and to a large extent whether or not the fruit will mature properly next year. Foliage can only be kept in a healthy condition by protecting it against insects and disease through proper spraying. Entire crops have been known to be destroyed by severe attacks of apple scab during the late summer of the previous season when spraying had been neglected. The trees were defoliated, making it impossible for them to produce strong healthy fruit buds. Such trees may bloom, but the fruit either does not set or falls during the June drop."

"If no spray has been applied since the bloom, the trees should be sprayed now and the regular fourth summer spray applied between June 25 and July 15. However, if the animal husbandry extension staff of Purdue, spoke on the value of feeding proper rations. The higher condition and weight of the corn-tankage hogs was so outstanding that any man in the group who had not been feeding the combination was won over to it.

"These diseases are carried over on the twigs and branches of the trees and protection of the foliage and twigs will materially assist in their control on the fruit next year."

## EGGS ARE CHEAP

Pack Them Now in Lippincott's Egg Preserver

Eggs put up this way will meet all requirements of fresh eggs, such as cooking and pastry; also for eating purposes.

One pound packs 10 dozen eggs. For sale by Omer G. Whelan, the feed man, 31-33 So. 6th St., Phone 1679.

## YOUNG DAIRY STOCK NEEDS GRAIN FEEDS

Young dairy calves and heifers must not only be well bred but they must be properly fed. If they are to maintain or increase the milk production of the state, this statement was made by E. A. Gannon, of the dairy extension staff of Purdue university who brought out the necessity of feeding a grain mixture to young stock while on pasture, in order to get the proper development.

The last census showed 946,401 dairy cattle in Indiana, including 608,200 mature cows, 118,500 heifers and 200,000 calves. To maintain the amount of milk now produced, from 100,000 to 125,000 heifer calves must be raised each year.

"A poorly developed, undersized calf can not grow into a big strong producing cow," said Mr. Gannon. "As it is now, too many heifer calves are small and undersized because of lack of a proper amount of feed. Much of this neglect comes during the summer when the calves are on pasture and a little more attention at feeding time would result in thrifter young stock and better producing and stronger cows later."

Mr. Gannon cautions the farmers against weaning late fall or early spring calves at this time without giving them a supplementary grain feed. Milk and grain would be much better for calves of this sort than a summer diet of grass. Between two and three pounds a day is needed for thrifty growth. Yearling heifers can be maintained on good grass alone, he says, until the pastures become short and flies bad, when a grain feed is desirable.

A grain mixture consisting of 200 pounds of cracked corn, 200 pounds of ground oats and 100 pounds of oil meal is recommended as a good combination for both calves and heifers on pasture.

Protein in feed is a muscle builder and milk producer.
