

PLESSINGER, FARMER, GREENVILLE, INJURED, IN ACCIDENT FRIDAY

GREENVILLE, June 20.—Clifton Plessinger, young farmer, residing near Beamsville, met with what may prove to be a fatal accident last Friday while doctoring some cattle. Young Plessinger was doctoring a yearling heifer for hoof trouble and was using a steel syringe. The animal started to run and the young man was thrown to the ground, the point of the syringe entering his nose, and it is feared has penetrated his brain. A portion of the instrument was broken off, and cannot be found, and it is thought it is lodged in his brain. The young man is semi-conscious and his condition is considered grave.

Fansler Gets Six Months.
Elmer Fansler, who has been in the county jail for the past 10 days on a charge of non-support, was given a hearing before Judge Teegarden at which he pleaded guilty, and was sentenced to six months in jail. This sentence was suspended by Judge Teegarden, however, upon Fansler's payment of back alimony, and his promise to pay \$5 a week toward the support of his minor children. Upon failure to pay he will be remanded to the county jail to serve out his sentence. Fansler was wearing a marine uniform when arrested here, having been but recently discharged from that branch of the service.

Summer School Starts.
Announcement has been made by Superintendent of Schools Minor McCool, that the summer school sessions will start next Monday at the west school building. Prof. J. B. Long, principal of the east building, will be in charge. A small tuition fee is charged students desiring to take up high school subjects.

Injured in Auto Smash.
Col. William Williamson, of Dayton, Mrs. A. B. Waldermuth of Dayton, and Mrs. Emma Kellar, of Toledo, who had been in this city the past week attending the state G. A. R. encampment were severely injured Thursday night, when an automobile in which they were being driven to the station, collided with another car at the intersection of West Third and Vine streets.

Mr. Williams' car was thrown across the curb and badly smashed up, while a front wheel was torn off the other car.

It was discovered that Col. Williams, who is past 80 years of age, had suffered innumerable bruises, cuts and abrasions about the face and body, and Mrs. Waldermuth also was found to be suffering from numerous cuts.

Mrs. Kellar was the most severely injured of the party, with severe bruises about the head and body, and a broken nose.

The Theatres

WASHINGTON.
Irene Rich, well known leading lady for Will Rogers, Goldwyn star, is seen in support of Jack Pickford in his latest Goldwyn picture "Just Out of College," at the Washington theatre. She plays "Miss Jones," the pickle Queen, who comes to the rescue of "Ed Swinger," played by Jack Pickford, with her recipe for pickles, and together they clean up a fortune.

diver and grasps every opportunity to indulge in her favorite pastime. Her first appearance before the camera was as an extra girl with Mary Pickford in "Stella Maris," but her first real part was as the young matron in "The Girl in the House," with Earl Williams. She supported Will Rogers in "Water, Water Everywhere," "The Strange Boarder" and "Jes' Call Me Jim" and Tom Moore in "Stop Thief!"

MURRETTE.
John Hohenveest, who plays the part of Valmorin, public prosecutor of Bordeaux, in Pauline Frederick's new play "Madame X," a Goldwyn production, at the Murrette theatre, boasts of being the only motion picture director who ever succeeded in getting later Emperor Menelik of Abyssinia to take part in a motion picture production. He accomplished this when he took a motion picture company around the world to make a play, the scenes of which were taken in a score of different countries. The trip lasted seventeen months for what is supposed to take place on the screen in thirty days.

MURRAY.
That love can do much to erase the stain of prison from a man's heart is the thought carried away by those who witness the first showing here of "The Unknown Wife" at the Murray theatre.

Edith Roberts, as usual, was irresistible in the leading role. She portrayed the part of a young girl who falls in love; or perhaps we should say, a young man falls in love with her.

This is one of Miss Roberts' best productions and should win her many new friends and laurels. Casson Ferguson, who plays in support of Miss Roberts, cannot be overlooked as one who does much to contribute to the splendid acting of the cast.

Pantomime has held sway at the Drury Lane theatre, in London, for the last forty years.

FRED B. JOHNSON TO OPEN LAW OFFICES

Fred B. Johnson, who recently retired as a member of the Indiana Public Service commission, has resumed the practice of law, with offices in Indianapolis and Washington, D. C. Associated with him, and in charge of the Indianapolis office, is Jesse J. Miller, late major, judge advocate general; military attaché, state department; special attorney, bureau of internal revenue; member of conference committee, solicitor of internal revenue's office.

Although Mr. Johnson will engage

in the general practice of law yet he will specialize in utility matters and in connection with Mr. Miller, will handle all matters before federal departments and bureaus in Washington, more particularly in connection with federal taxation questions.

ROTARIANS PAY TRIBUTE TO "UNKNOWN WARRIOR"

LONDON, June 20.—Delegates from the United States who attended the international convention of Rotary Clubs in Edinburgh and now are visiting London, placed a beautiful memorial wreath of the cenotaph in Whitehall Sunday morning, and also laid a wreath on the grave of "The Unknown Warrior," in Westminster Abbey. The Rotarians afterward attended morning service in the abbey.

4,000 HEAR FINAL SERMONS AT WORLD CAMP MEETING

ANDERSON, Ind., June 20.—Sunday marked the close of the annual inter-

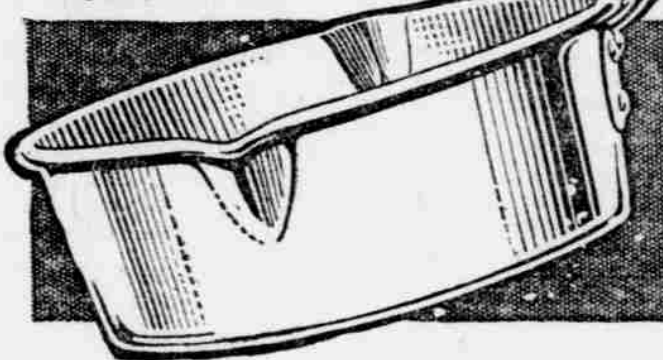

national camp meeting of the Church of God. Officials of the church estimated that over 10,000 people were in attendance at different times during

the "eight days" session, from every state in the Union and ten foreign countries. Nearly 4,000 heard the sermons Sunday.

This pan will EARN its way in YOUR kitchen

Go to any store selling "Wear-Ever" and get this pan at the special price TODAY—try it in your own kitchen and KNOW why foods pre-

pared in "Wear-Ever" utensils are cooked more evenly and more quickly—why foods so cooked have a better flavor and in addition, know:

Why "Wear-Ever" utensils SAVE FUEL

Look for the "Wear-Ever" trade mark on the bottom of each utensil. Be sure to get utensils that you can depend upon for quality—utensils that will give satisfactory service for years and years.

All "Wear-Ever" utensils are made of hard, cold-rolled, EXTRA-THICK sheet aluminum which has been subjected again and again to the enormous pressure of gigantic rolling mills. This makes the metal hard, dense, rigid and durable. Because of this EXTRA thickness, extreme hardness and great density, the metal used in "Wear-Ever" utensils retains more heat than ordinary aluminum. Hence, "Wear-Ever" utensils cook more quickly and still use LESS FUEL than wares that are made in the usual manner. This special offer is good only until June 25, 1921—so get your pan at the special price TODAY.

New Kensington, Pa.

If your store does not have "Wear-Ever" Pans, send 40c to the Company and a pan will be sent to your post-paid. Cover will be included for 18c extra.

How to get the best results with "Wear-Ever" utensils
"Wear-Ever" aluminum cooking utensils have two great advantages. They heat EVENLY all over and once heated they maintain a cooking temperature over a REDUCED flame. For best results with the "Wear-Ever" equipment:
1—Place utensil over usual heat—until food is thoroughly heated.
2—Then REDUCE heat about ONE-HALF.

Look for the store with the "Wear-Ever" window display

"Wear-Ever" dealers located anywhere this paper circulates are authorized to sell the "Wear-Ever" Stew Pan at the special price.
