

FACTORY EMPLOYEES BALLOT TO CHOOSE MEMBERS OF COUNCIL

The first practical operation of the new system in the International Harvester company, by which wishes of the workmen are considered in forming policies and undertaking new operations, was tried Monday when employees of the plant balloted to nominate candidates for representatives on the council. The workmen are represented by one man from each of the seven divisions the company having an equal representation of seven.

Two nominees were named for each division, the two men in each division who received the highest number of votes being selected as the candidates. Election of the representatives will take place Thursday, July 30, when one of the candidates in each division will be selected by the workers.

Little Time Lost

Taking the ballot Monday morning occupied only about two hours, according to George Hodge, who said voting began about 8 o'clock, and was finished by 10. The ballot boxes were circulated by employees so that there was a minimum of lost time from work.

Nominees for the positions of representative from the divisions, with their departments, were Division One: Fred T. Rothert, and William T. Sams, molding; Division Two: Albert L. Ammerman, castings, and John Schmidt, melting; Division Three—Charles Hilsbert, machine erection, and Robert E. Roller, machine erection; Division Four: J. Bert Russell and William Rosa, tool room; Division Five: Clayton Heselschwerdt, forge, and Charles Mulholland, Furrow Opener Department; Division Six: William H. Sharpwood, and Frank Murley, paint; Division, Seven: Mark Schissler, office worker, and William A. McAdams, miscellaneous.

MUNCIE ABOUT BROKE; TO NEGOTIATE LOAN

MUNCIE, Ind., June 27.—Urging that a conference be held at once by the finance committee of the city council, the mayor and the city controller to decide the amount of a loan, which must be negotiated by the city to finance its various departments, City Controller Harry W. Michael, in a letter read to the council at its special meeting last night, pointed out that the present condition of the treasury is such as to make it problematical whether or not the city's bills can be met for a period of 30 days.

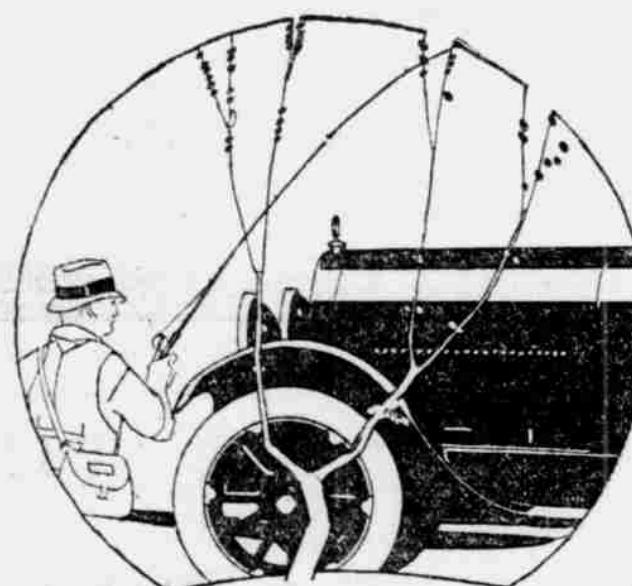

The letter sets forth that the city has received \$8,000 from the treasurer from the spring installment of taxes. Approximately \$20,000 is still due, the communication reads. Against these figures, according to their letter, is \$22,392.48 in unpaid bills. Monthly salaries total approximately \$10,000 and the \$45,000 loan recently made, was completed to refund \$45,000 in overdue notes.

John Schultz, Chicago, Dies at His Home

Word has been received here of the death of John Schultz, of Chicago, formerly of this city. The body will arrive here from Chicago Tuesday morning and will be taken to the funeral parlor of Klute and Smith. Funeral services will be announced later.

Martha Laughlin Funeral Services Held Tuesday

Martha Laughlin died Saturday morning at 4 o'clock, at the Reid Memorial hospital.

Funeral services will be held Tuesday morning at 9 o'clock from the St. Andrew's church. Rev. Roell will officiate and burial will be in the Eaton cemetery at 11 o'clock. Friends may call any time at the funeral parlors of the Pohlmeier, Downing and Stegall company.

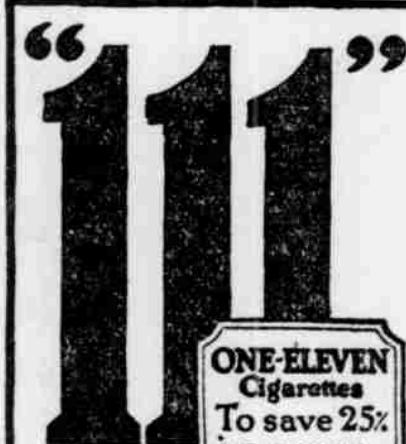

State W. C. T. U. Lecturer to Appear in Richmond

Dr. Emma Holway, state lecturer for the W. C. T. U., is to deliver two addresses in Richmond. She will be at 7:30 o'clock Tuesday night and the other at 2:30 o'clock Wednesday afternoon. Both will be given in the North A Street Friends Meeting house.

The meeting Tuesday night is open to the public. Her meeting Wednesday afternoon will be a question box for women and girls.

FINDS OLD RELIC.

FRANKPORT, Ind., June 27.—Mrs. John Kingery has found among the relics left by her great grandfather an old fashioned wagon jack made in the year 1816. It was used in the days when wooden spindles were used as axles and tar was the lubricant. Wagons often had to be tarred every three or four miles.
