

FARMLAND, BIRDMEN SPLIT FIFTY-FIFTY IN SERIES VICTORIES

Farmland and the Eagles split even in their two game series Sunday and Monday afternoons, the Eagles winning the Sunday game and the visitors winning the Monday game. The game Sunday turned out to be a runfest although there was no extra hard hitting.

The Eagles started out strong and scored 10 runs in the first three frames. The second inning proved to be the Eagles' big round when they scored six runs. In this round 11 men faced Moore and only three hits were made by the locals.

Minner proved to be the batting star of the game. In the second and third innings with the bases full he cracked out triples both times to bat.

Teams Tighten Up
After the first three innings both teams tightened up and played good fast ball, several neat plays being made. Coates pulled down two flies in center field that looked good for safe hits.

The Monday game proved to be a pitcher's battle between Minner and Kubby, which the latter had the advantage. Both hurlers allowed five blows, but three errors committed by the locals came at an inopportune time, which enabled Farmland to score.

Farmland gained an early lead, scoring one run in both the first and third innings and two runs in the fifth. It looked as if the Eagles were going to be handed a goose egg but a rally in the seventh gave the locals three runs but they could do nothing with Kubby's slants after that frame.

Minner Is Wild
Justice was safe at first when Hammers threw his boulder over first base. J. Logan and Knight fled out, but H. Logan worked Kubby for a pass. Fitzgibbons singled filled the bases, Kubby passed Logan forcing Justice over and Minner singled and two more runs came over.

Minner was rather wild and his support was poor at critical times. He issued four passes and they all figured in the scoring.

FOOLISH

(Continued from Page Ten.)

And that is what Man O'War would have to do.
A year ago he was unbeatable. But is he unbeatable today? Could he take the measure of Exterminator, the great distance racer, or Leonardo, who came up from the two year old class to be a wonder racer over the mile route. Audacious, who already has cracked Man O'War's mile record; of the whirlwind Dominque, the game, gallant Mad Hatter—and all the other horses who are disputing so brilliantly this year?

It's a question—a grave one for his owner to answer. The chances are that, in the end, as far as actual racing is concerned, Samuel D. Riddle will reply.

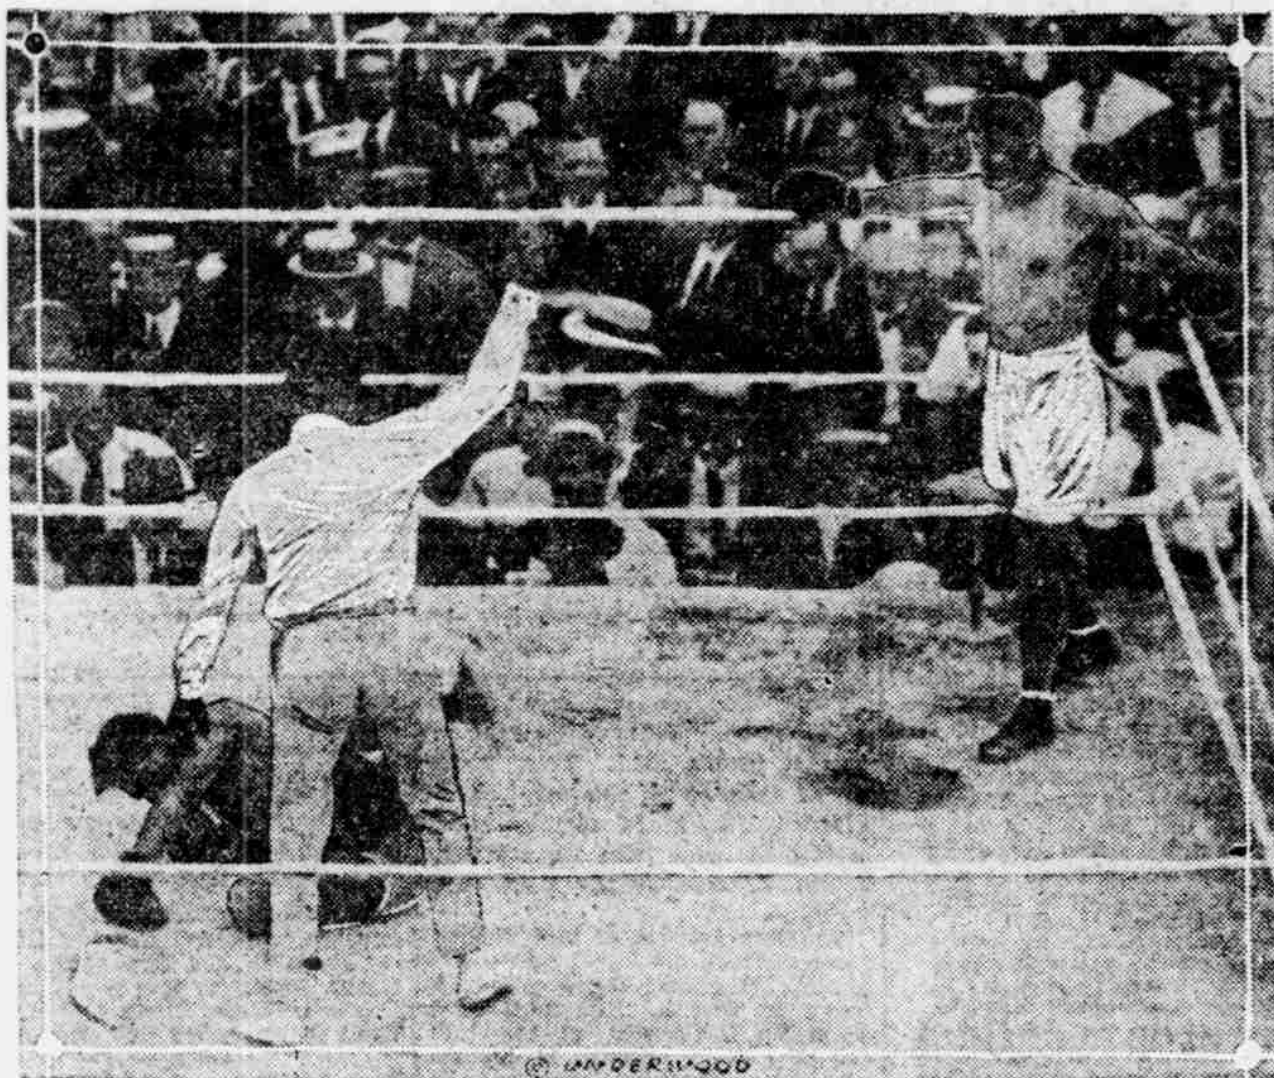

"Man O'War stays in stud."

Jim Flynn Loses

Bout in Colorado

MONTROSE, Colo., July 5.—Jim Flynn, Pueblo fireman, lost the decision in the eleventh round of a scheduled 15 round bout last night to "Sugar" Keeler, claimant of the Pacific coast heavyweight championship. The referee repeatedly warned Flynn for butting, and finally awarded the decision to Keeler.

THE KNOCKOUT—THE END OF CARPENTIER'S HOPES

Referee Erte starting to count as Georges Carpentier fell for the last time. Note the pools of water in Carpentier's corner, where Manager Deschamps made desperate efforts to refresh him after each round. Note also Dempsey ready to drive home more man-killing punches should Carpentier arise.

This closeup of the knockout of Georges Carpentier, European challenger, by the world's champion, Jack Dempsey, was taken as the Frenchman hit the floor.

dropped by a terrific right to the neck. Referee Erte had started to count the fatal ten. While he was counting Georges attempted in vain to rise, then rolled over

on his right side. He said after the fight that the blow, which followed a killing punch to the middle, practically paralyzed his nervous system.
