A glimpse of a section of Victory Village, on the hill of St. Cloud.

Paris is the first city to build a village for its war heroes. Upon the hill of St. Cloud and inaugurated by President Miller and as "Victory Village" stands this district which was set aside some

time ago and on which, by public subscription, has been erected many dwellings. Over thirty of the bravest families have already been housed, including a totally disabled soldier who with

his six children had just been ejected and thrown on the roadside by an unscrupulous landlord. More money is being raised among the French people that many more such villages may be erected for the French veterans.

Shera, of 30 North Thirteenth street, are leaving Friday afternoon for New York City, where they will sail for London, England next Tuesday, to be gone over a year. From London Mr. and Mrs. Haramy will go to Paris, where they will spend some time, later travelling through the countries of southern Europe.

Miss Grace Shera, daughter of Mr. and Mrs. E. K. Shera, of North Thirteenth street, is spending the summer at Chicago, where she is taking special work at Northwestern university.

A delegation from the Authors' League in which Mr. Child holds a membership, was present. The ambassador will be accompanied to Italy by Mrs. Child and their two children

Seattle, Wash., July 8.—Capt. L. Pederson, wealthy Alaska salmon packer, won a race with death recently from Unimak Pass, Alaska, to Seattle, but death conquered finally late yesterday when he died in a hospital after an operation for which he had hastened here.

Captain Pederson chartered a whaling vessel and sent a wireless message to the Seattle bound steamer, Victoria, to pick him up in mid-ocean. In Seattle he was rushed to the hospital for the operation. His home was in Berkeley, Cal.

The cable message also brought details of the presentation of the John Fritz medal to Eugene Schneider, head of the famous Creuzot Works, Paris, today. The ceremonies were participated in by a special delegation of 13 American engineers under the general supervision of Mr. Swasey. M. Schneider received the gold medal in
