

FRANK LICHTENFELS IS LAID TO REST BY SOLDIER BUDDIES

Full military honors were given to the body of Frank J. Lichtenfels, who was killed in France during the World War, when services were held from the St. Mary's church Monday morning at 9 o'clock. The American Legion was in charge of the funeral.

A large number of people attended the services, the church being packed to its capacity. Father Duffy, formerly assistant priest of St. Mary's church, and now of Terre Haute, was in charge of the services. He was assisted by Father Cronin and Father Rodusky.

Pall bearers, former "buddies", were furnished from the American Legion. The pall bearers were: George Stein, Herbert Weisbrod, Toney Albano, Robert Dickinson, Benny Lahman and Robert Ohler. Honorary pall bearers were furnished by the Knights of Columbus.

The firing squad, under the leadership of Lt. Ray Keck, was as follows: Paul Andrews, Victor Blomeke, Frank Mercurio, Everett Lawson, Homer Schepman, Howard Brunner, Charles Chappel, and Roy Aiken.

The funeral procession was lead by the American Legion band, followed by the hearse and the former service men that turned out for the services. Taps were blown by Bert Russell.

A large number of people who did not attend the church ceremonies were at the cemetery for the services. Burial was in the St. Andrew's cemetery.

CEDAR SPRINGS HOTEL IS SOLD FOR \$10,500

(Special to The Palladium)

EATON, O., Aug. 1.—Sold here at sheriff's sale to satisfy mortgages, Cedar Springs hotel property, near New Paris, brought \$10,500. Ira Albert, of Lewisburg, was the purchaser.

Twice previously the property had been offered at sheriff's sale, but there were no bidders. The first appraisal placed the value of the property at \$20,000. The third appraisal, under which it was sold, was \$13,000. It is said the price paid for the property will about pay off the mortgages held against it.

Cedar Springs was established 20 years or longer ago, and for a number of years was operated as a health resort. It embraces about 30 acres of land and abounds in springs, the waters from which are said to contain

medicinal properties. Besides a hotel building, there are several buildings on the grounds. The resort has been operated on a small scale the last few years. The new owner has not announced his plans for the future.

Six Million Hungry Children

There may be one in your home. He has "plenty to eat" —but his food lacks the tissue-building elements that are needed by growing children. The foods that have no real food value generally cost the most.

Shredded Wheat

is the best food for growing children because it is all food and is prepared in a digestible form. A noted American physician says there are six million under-nourished children in America. Shredded Wheat builds robust, sturdy youngsters.

Two Biscuits with milk make a nourishing, satisfying meal and cost but a few cents. Delicious with raisins, prunes, sliced bananas, peaches or other fruits.
