

AUTOS, MOTORCYCLES FINNS, IN ACCIDENT; LIMBS ARE BROKEN

WINCHESTER, Ind., Sept. 7.—Two Finlanders enroute to Muncie, were injured Monday evening, west of this city, when they, with other Finlanders from Union City, were riding in a motorcycle, with side car, and in an auto which followed the motorcycle, as they were hit by an automobile coming from the east.

One of the men sustained a broken arm and the other a broken ankle. The injured men were taken to the Randolph County Hospital.

Amputation of the leg will be necessary it is thought by the physicians. After leaving the hospital the other Finlanders resumed their journey to Muncie, when about four miles west of this city, they collided with another car and several were injured.

They were brought back to the hospital. As the men could not talk English it was difficult to learn the particulars of the accident. They had all been drinking.
