BOTH EYES OPEN!

Are you one of those people who read the paper with one eye shut and the other one half open?

In other words-and to get right down to points-Do you read the Palladium's classified advertising section every day?

You're an "up-and-comer"-if you do. You aren't letting any good things get past you.

You're the fellow who thought of putting up a swinging door, so that whenever Opportunity knocks, he falls into your front parlor!

You know that the Palladium's classified section is one of the biggest service mediums in the life of Richmond-that there you can fill your needs easily, quickly and economically.

You know that you wouldn't try to buy anything for yourself or your home before you looked through the ad clearing-house in the Palladium. But after you've read through the offers there, you know where to go-you can buy with your eyes open.

Keep up the good habit-and when you want to use an ad of your own, call phone 2834 or 2872 and ask for an ad taker.
