

**FINE AND SENTENCE
LIBERTY VIOLATOR
OF LIQUOR MEASURE**

LIBERTY. Ind., Jan. 6.—A federal agent, accompanied by Sheriff Frank Craft and Marshal James Bright, raided the home of Ashford Dawes, on Campbell street, Wednesday afternoon, and found a jug containing five quarts of white mule and a five gallon still. Dawes was haled into court and given an immediate hearing before Judge Teague.

Dawes pleaded guilty to violating the prohibition law and was fined \$100 and costs and sentenced to the penal farm at Putnamville for 60 days. If the fine is not paid he also will serve that out at a certain rate per day. Dawes got quick action. Just 45 minutes after the affidavit was filed, his hearing had been completed and sentence pronounced.

Later in the afternoon the home of Abe Dawes, an uncle of Ashford Dawes, was raided, and two quarts of white mule was found. He was taken before Judge Teague, but action was deferred for the time, pending further investigation. Dawes was placed under a \$500 bond.

Carries Concealed Weapons. Jesse LaForge, formerly of Brownsville, but more recently of Kitchel, was arrested Saturday on a charge of carrying concealed weapons. He plead guilty before Judge Tague Wednesday afternoon and was fined \$50, in default of which he was locked up in the county jail. He likely will be taken to the penal farm to serve out his sentence.

Boost Connersville Mayor. James A. Clifton mayor of Connersville, addressed the Jefferson club of Union county Wednesday night, here. His theme was "Jefferson and His Ideals." Mr. Clifton has a host of friends in Union county, and there has recently sprung up a sentiment among local Democrats that he make the race for congress in the sixth district. Since his speech here Wednesday evening a real boom for him is under way.

**IF KINDEYS ACT
BAD, TAKE SALTS**

Says Backache is Sign You
Have Been Eating Too
Much Meat.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and boggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.—Advertisement.
