

QUAKERS TOY WITH DENTS IN LAST HALF; FINAL SCORE 34-16

Airtight defense, combined with superior team work on the part of the Earlham basketball five, spelled defeat for the Indiana Dents Friday night at the Coliseum, by the score of 34-16. The Mowmen exhibited a fast brand of basketball and during the second half toyed with their opponents. The game proved one fact, i. e., that the Earlham quintet is one of the strongest defensive combinations that has represented the Quakers in years. Beasley and Goar completely smothered all attempts of the visitors at close shots, forcing them to try for the netting from the middle of the floor.

For three minutes after the opening whistle neither team was able to score, each missing many easy attempts at the basket. Hinshaw was the first to connect and was followed by Goar with a foul goal. Then Deakayne tallied for the visitors. Shortly after his tally he received an injured ankle and was forced to retire from the game.

McPherson made a field goal during this period and the remainder of the points were accounted for by McPherson on foul goals. Hadley, of the Quakers, dropped two field goals from underneath the basket within a minute of each other. The score at the end of the half was 15-9 in favor of Earlham.

During the second period the Dents were almost completely at the mercy of the Mowmen and were able to annex only 7 points. Early in the half Goar repeated Hadley's performance and dropped in two field goals in quick succession, bringing the total up to 23. During the latter part of this period Mow sent in four of his second string men. Kendall, who was substituted for Hinshaw, counted for two points immediately after his substitution.

Goar Chief Scorer. The whole Quaker team played a good game. Goar was the chief point getter for the Mowmen and also covered the entire floor. His running mate, Beasley at backguard, played one of the best games of his career. His long arms terrorized the visiting forwards and rarely did they get by him for a close shot at the basket. He also broke into the scoring column with a shot from the middle of the floor in the first half.

Townsend, Hadley and Hinshaw all contributed their quota of points. For the visitors McPherson was the main point getter. Reeve annexed two goals for the Dents.

A large number of fouls were called by Maloney but neither team was able to make many of them count. McPherson made eight foul points, and Goar counted for four points.

Liberty held the Dayton men to one field goal in the first 15 minutes of the last half, when several substitutes were sent into the fray and piled up several field goals. The score at the end of the first half was 19 to 5 in favor of the Ohio lads.

HAGERSTOWN HANDS CENTERVILLE LACING. HAGERSTOWN, Ind., Jan. 7.—Centerville received a neat trimming at the hands of the Hagerstown high school Friday night on the local floor, by the score of 39 to 9. The guarding of the locals was especially noteworthy, giving the visitors very few shots at the basket. In the first half the Centerville five scored only three points while the locals connected for 19 points.

Root, forward on the Hagerstown five, was the leading point getter, making 18 points, but every player on the team played a fine game. Terry was the main man on the visiting team, that could connect with the basket, making seven of the nine points.

BUSINESS COLLEGE DOWNS HIGH SECONDS IN SLOW SCRIMMAGE

Richmond Business college five gained a two-point decision over the high school second team in the curtain raiser at the Coliseum Friday night and won the tilt, 12-10. Until the final two minutes of play, the two teams were tied at 10 all, and the college lads slipped through one for a two-point, after which the game was called to allow the Earlham-Dental game to start off on time. Inasmuch as the game had to be called before time was up, it should stand as a tie contest.

The lineup of the college men was somewhat mixed, having Gaylor and Mulligan, recently of the high school team, on its list. Mulligan was the main man on offense for the college team, and he connected with two goals from the field which salted the game away.

With the score standing 10 to 4 at half time in favor of the Business college, Coach Little made several substitutions, and the seconds came to the front and tied the score. The game was hard fought in the last minutes of play, and only the stubborn resistance of the two fives furnished the feature of the contest. Line-up and summary:

BOSTON, Ind., Jan. 7.—Led by Pyle and Samuels, the Boston high school basketball quintet, humbled the Green's Fork net tossers to the tune of 35 to 25, on the local floor Friday night.

Boston outplayed the visitors in the first half running the score up to a 22 to 6 count. Green's Fork was handicapped by the absence of two of its regular men being out of the lineup.

The work of Lindley for the visitors was very good. He made 15 of his team's 25 points and played a good floor game. Pyle and Samuels played the best for the winners.

Spiceland's inability to work the ball within close shading range of the basket cost them the victory. Phillips led the visitors in scoring, making 8 points. Catts was the heavy score for the losers, making five of the nine points.

Carthage put up a good fight in the first half, holding her own with the visitors, the score being 24 to 19 at the end of the half.

HIGH SCHOOL TAKES UNION CITY SCRAP; WINCHESTER TONIGHT

Richmond high school net artists painted a perfect victory over the gymnasium scene at Union City Friday night at the northern city with a decisive score of 47 to 10 over the high school of that city. The game was rough at times, but developed into a featureless contest toward the close.

Union City put up a fighting game, which put them in the running during the first 10 minutes, but the Richmond playing put the "blink" on all hopes after that time was up. Field goal after field goal dropped through the draperies through the working of Rost and Harkins in the forward departments of the Red and White team. "Danny" Rost was shifted to his old position at floorguard and "Whitey" Kessler started the contest as the other forward to Harkins. Rost started out with a rush for the Red and White team and his accurate passing to Harkins resulted in an early lead which was evenly divided in honors to this pair of forwards.

Joan Graffis was not started in Friday's contest.

Union City players were unable to cope with the speedy offense of the Quaker City five.

Greene Stands Out. Captain Greene stood high over the heads of the other players on the floor and his size kept the diminutive forwards of the Union five well out on the floor for their shots. One humorous fan on the sidelines became inquisitive and asked Greene if he brought his children along to the game. Many outsiders have taken Greene to be much older than he is and to be a student in Earlham instead of a high school.

Coach Stenger will take his men to Winchester via the taxi route Saturday night and an easy victory for the locals is expected.

Line-up of Friday's game with Union City: Richmond (47) Union City (10). Kessler.....F..... Ruff Harkins.....F..... Ruprecht Kennedy.....C..... Hill Rost.....G..... Lipp Greene.....G..... Fowler Substitutions—Schumaker for Kennedy, Kennedy for Schumaker, Graffis for Kessler, Mattox for Rost, Rost for Mattox for Harkins, Schumaker for Kennedy, Spaulding for Rost, Kessler for Spaulding, Union City—Davis for Ruprecht.

CAMBRIDGE HANDS FAIRVIEW DEFEAT

OUTPLAYED HIS MANAGER. That's what Ed Uyna, rookie infielder signed by the Cleveland Indians, did to win his first professional berth.

Uyna probably will be farmed out after a training trip trial, but he has the makings of a star, Cleveland scouts believe.

Uyna got his baseball start in the navy. Joined it when he was sixteen.

He played the infield with the team of the battleship Arkansas and liked the game so well he decided to stick to it. He signed with Des Moines in the Western league last year. He had been playing third in the navy Manager Coffey kept him on the bench until Coffey's illness forced him to leave the lineup. Then he put Uyna in his place at second. Uyna played the sack so well Coffey didn't have the heart to bench him.

Young Ed batted .325 and fielded brilliantly. He is only twenty-two and his service in the navy gave him a splendid constitution. He is married, too.

Incidentally, Manager Coffey got the bounce.

Now that the American Legion basketball five has been reorganized, the fans are expected to turn out in large numbers for their games. Some of the best teams in this section of the country are being played by the ex-service men and unless the fans turn out the team will be forced to give up basketball for the remainder of the season.

President John Heydier, of the National league, denies the reports that Hank O'Day, veteran umpire in the National league, has asked for his release. It has been rumored that O'Day wanted to wind up his baseball career in the Pacific coast league.

Butler college basketball five will tackle the Illinois five at Indianapolis Saturday night and the fans of the Illinois team are very anxious over the outcome of the game. Illinois has been working hard for this game and expects to take the Pagemen's number.

The season will open April 12, with the following games: American, St. Louis at Chicago; New York at Washington; Philadelphia at Boston; Detroit at Cleveland; National, Brooklyn at New York; Boston at Philadelphia; Chicago at Cincinnati; Pittsburgh at St. Louis.
