PROTEST ADMISSION OF COLORED LABORERS
(By Associated Press)
ADELAIDE, Jan. 14.—A recent statement by Premier Henry M. Barwell, of South Australia that maintenance of a "white" Australia was impossible and that colored labor would have to be admitted, has brought a protest from the labor party. In a manifesto the party urges the workers to fight any movement for the introduction of negro laborers into Australia.

There's Milk and Near Milk

Not so very near, at that—because there isn't much comparison between rich, pure MILK—like Himes Brothers—and the watery, blue stuff that some of us delude ourselves into CALLING milk.

We want to repeat that phrase and drive it home: Himes Brothers Milk is just as rich and just as pure as it possibly can be. Nothing is spared in order to insure a milk supply that can't be beat. We're proud of our milk—and rightly so, we think—because there isn't anything much more important to a community than its milk supply.

Maybe You Can't Play Every Instrument in the Band—

BUT there must be one that you can tickle or blow—or that you want to play. Maybe you'd like to do a moan on a saxophone—or sit right beside an upright—or let loose a mellow cello melody—

Maybe you play by ear or by mouth—on a harmonica—or just by force of habit—maybe the only instruments you can play are the talking machine and the piano-player—

All the same, you'll be interested in the offers made under "Musical Instruments" in the Merchandise columns of today's classified section. You'll find where you can get any sort of music-maker you may have a fancy for—and at the most reasonable prices in the city.
