

## 30 CIVIC ORGANIZATIONS INVITED TO AID IN ESTABLISHING WELFARE FUND FOR CITY

Announcing their intention to establish a welfare fund in this city, for the purpose of financing civic organizations by means of a joint campaign for a central fund, which will be used by these organizations as needed, members of the Welfare Fund committee of the Rotary club have sent out letters to the heads of 30 civic organizations in the city.

The letters invite these organizations to affiliate with the campaign, becoming members of a Welfare fund league. The plan of organization of the proposed league is also set forth in a letter.

### Message to Organizations.

The message to heads of civic organizations follows:  
Gentlemen: After a series of conferences extending over several months, it has been decided to attempt the organization of a Community Fund for Richmond, along the lines indicated in the enclosed plan. It is hoped that your organization along with all others in the community interested in welfare work, will see fit to become an institutional member of the proposed league. The undersigned committee will be glad to be informed as to your action in the matter, and will also be glad to give any further information desired. Delegates from your organization should of course be selected before Feb. 10, and their names given to our committee, in order that we may notify them of the meeting.

With best wishes, we are, very sincerely,

L. F. ROSS, Chairman.  
H. R. ROBINSON.  
WALKER G. LAND.

### List of Organizations

A list of the organizations which have been invited to participate follows:

Jay Dental Center, Knights of Columbus, Margaret Smith Home, Ministerial Association, Moose Lodge, Penny Club, Reid Memorial Hospital, Richmond Day Nursery, Richmond Kiwanis, Richmond Rotary, Richmond Teachers' Federation, Salvation Army, South Side Improvement Association, Union Mission, Wayne County Medical Society, Wayne County Chapter American Red Cross, Women's Relief Corps, Women's Auxiliary of the American Legion, Wayne County W. C. T. U., Woman's Club, and Y. M. C. A.

The following plan for a community chest organization for Richmond after approval by representatives of various interested groups, is submitted as a basis of agreement as to the substantial elements of the plan with the understanding that the delegates selected are empowered to work out the details along these lines.

**Plan of Organization**  
The name of this organization shall be the Welfare League, Inc. Its object shall be to formulate a program of social service adequate to the needs of this community, to provide by joint effort the funds necessary to meet the budgets of the participating agencies in the league and to promote co-operation, efficiency and economy among them. It shall be empowered to carry on such social work as is not included in the work of its constituent organization.

It shall be made up of institutional and individual members. Each organization accepting this resolution shall be an institutional member and each contributor to the league shall be an individual member. The governing body shall be a council composed of the following:

1. Certain ex officio delegates.
2. Two delegates from each institutional member, not more than one of whom shall be a paid executive.
3. Delegates elected by the individual members in number not to exceed 25 per cent of the institutional delegates. (Note.—Delegates to represent the individual members for the first year will be elected by the other delegates.)

There shall be a board of directors

of not less than 15 members elected by the council at its first meeting, one-third to serve for one year, one-third for two years and one-third for three years, and annually thereafter one-third shall be elected for a period of three years.

The board of directors shall elect a president, two vice-presidents, treasurer, secretary and such other officers as may be created who shall be the officers of the league and shall serve for one year. The board of directors shall appoint all committees, including the budget committee, the publicity committee and the campaign committee.

**To Pass Upon Needs**  
The budget committee shall examine and pass upon the financial needs of the member organizations and make up the total combined budget of the league. Its decision shall be final except that any member organization may have the right to appeal its decision to the board of directors, in which case the decision of the board shall be final.

The proposed organization shall be an incorporated body and the incorporators shall be the first board of directors elected.

Each organization expressing its approval of the above plan and electing two delegates to the council shall become a charter member of the league. Thereafter eligibility for institutional membership shall be decided by the council, a two-thirds vote of delegates present being required for election.

Officially elected delegates from the participating organizations shall meet for final organization under the above plan in the assembly room (No. 206) of the Pythian Temple, Friday evening, Feb. 10, at 8 o'clock. A constitution and by-laws and articles of incorporation will be submitted for consideration and possible adoption and, if desired by the delegates, the first board of directors will be elected at this time.

## INCOME TAX BLANKS HERE FOR TAXPAYERS

George Matthews, internal revenue collector for Richmond, has received a small supply of income tax blanks for the year 1922 to be given out to taxpayers of this vicinity.

More blanks will come in later, he said, but the exact date at which they will all be here is not known. Taxpayers who turned in returns last year probably will receive blanks by mail, as has been the custom.

The income tax returns for the year ending Dec. 31, 1921, are due March 15, and the tax may be paid in quarterly installments from that time on. All married persons making \$2,000 or more and all unmarried persons making \$1,000 or more, must file a return regardless of the number of persons dependent upon them for support.

Should they have dependents enough to entitle them to exemption, their return will be non-taxable, but the government must have it as a matter of record. Those who do not receive blanks by mail are expected to procure them.
